

Jean E. Cibula, M.D.
Clinical Associate Professor
UF Comprehensive Epilepsy Program
University of Florida Dept. of Neurology
jean.cibula@neurology.ufl.edu

Administrative Office Address:
UFHSC Box 100236
1147 S Newell Dr L3-100
Gainesville, FL 32610-0236
352.273.5550
Fax: 352.273.5575

Clinic Address:
1505 SW Archer Rd, 1st Flr
Gainesville, FL 32608
352.294.5000
Fax: 352.733.9363

Education

University of Florida, Gainesville, Florida

Fellow in Epilepsy and Behavioral Neurology	1995-1997
Chief Resident in Neurology	1994-1995
Resident in Neurology	1992-1994
Intern in Medicine	1991-1992

Case Western Reserve University, Cleveland, Ohio

CWRU School of Medicine	M.D.	1987-1991
Western Reserve College	B.A. cum laude	1983-1987

Academic Appointments

2015 Associate Professor of Neurology, UF Comprehensive Epilepsy Program, University of Florida College of Medicine, Gainesville, Florida
BJ and Eve Wilder Professor in Epilepsy

2008- 2015 Assistant Professor of Neurology, UF Comprehensive Epilepsy Program;
Appointments:

- Chief, Epilepsy Division, 2012- 2017
- Joint Assistant Professor, Pediatric Neurology, 8/2012
- Medical Director, EEG Lab/ Epilepsy Monitoring Unit, Shands Hospital at the University of Florida, 2008- present
- Affiliate Faculty, J.Crayton Pruitt Family Dept. of Biomedical Engineering, 10/2014

1997-2000 Assistant Professor, Department of Neurology, University of Kentucky
College of Medicine, Lexington, Kentucky
Appointments:

- Associate Member, Graduate Faculty for Psychology 2000
- Acting Director, Comprehensive Epilepsy Program 1998-9
- Medical Director, Electroencephalography Lab 1997-2000
- Assistant Director, Comprehensive Epilepsy Program 1997

Other Positions and Employment:

2003-2008 Partner, Columbus Neurological Group, 5340 East Main St, Ste 100,
Columbus, Ohio 43213
Appointments:

- Medical Staff, Mount Carmel East Hospital 2003- 2008
- Director, Mt Carmel Epilepsy Program 2001-2008
- Director, Mt Carmel East Stroke Program 2007-2008
- Medical Staff, Mt Carmel St Ann's Hospital 2003- 2006
- Director, MCW Memory Disorder Clinic 2003-2006
- Medical Staff, Mt Carmel Medical Center 2001-2008

- 2001-2003 employed physician, Neurology Center of Columbus, 750 Mt Carmel Mall, Columbus, Ohio 43222
- 1996-1997 locum tenens in Neurology, Shands at Alachua General Hospital, Gainesville, Florida

Licensure/ Certification

- Diplomate, American Board of Psychiatry and Neurology: certificate 42792 (original certification 1996; recertified 2006, 2016)
- Board certified, American Board of Clinical Neurophysiology (2000, recertified 2011)
- Board eligible, ABPN- added qualification in Clinical Neurophysiology
- Board certified, ABPN-subspecialty certification in Epilepsy: certificate 520 (8/13/2014)

- Federation Licensing Examination (FLEX) 1992
- State of Florida Medical License ME 0062952 issued 10/92, expires 1/31/2020
- State of Kentucky Medical License 32981 issued 6/97, expires 3/1/2020
- State of Ohio Medical License 35-07-8779-C issued 11/2000, expires 4/1/2021
- DEA certification expires 8/31/2019

Professional Memberships

- Equestrian Medical Safety Association (board member/ national treasurer 2012-2017)
- Florida Society for Neurology 2009- present; elected fellow 2014
 - Executive Board member 2011-2013
 - Education Committee 2011-2013
- Professional Advisory Board, Epilepsy Foundation of Central Ohio 2001-2008
- American Clinical Neurophysiology Society 1998- present
 - elected fellow 2010
 - Program Committee 2012
 - Resident/ Fellowship Education Committee 2015- 2018
- Board of Trustees & Director, Professional Advisory Board, Epilepsy Foundation of the Bluegrass 1997- 2000
- American Epilepsy Society 1994- present
 - Elected Fellow 2017
 - Finance Committee 2019-2021
 - Practice Management Committee 2012-2015
 - Web Content Committee 2010- 2014
 - Meeting Ambassador 2010
- American Academy of Neurology 1992- present
- Alachua County Medical Society 1991-7, 2010- present

Honors and Awards

- Visiting Professor, University of Texas Health Science Center, San Antonio Dept. of Anesthesia June 19-23, 2017
- ThreeBestRated.com: one of 3 best neurologists in Gainesville (2018, 2019) based on reputation, history, complaints, ratings, satisfaction, nearness, trust, cost and general excellence.
- Castle Connolly Top Doctor 2014, 2015, 2016, 2017, 2018, 2019 (peer nominated)
 - Exceptional Women in Medicine 2017, 2018 (peer nominated)
 - Regional Top Doctor 2017, 2018, 2019 (peer nominated)
- America's Top Physicians (Consumers' Research Council of America) 2009, 2010, 2011, 2012, 2013, 2014
- Best Doctors in America (peer selected) 2011, 2012, 2013, 2014- 2016, 2017-2018

- UFHealth Shands Physician Recognition Award for excellence in Patient Care, Service or Advocacy by a Physician (top 1% of UF physicians) 12/5/2016
- Customer Service Key Award: 9/24/2012; 2/20/2015, 11/30/2015, 12/5/2016
- UF Exemplary Teacher 2011
- Epilepsy Foundation of Central Ohio Program Service Award 2007
- Neurology Resident Teacher of the Year 1994-1995

Reviewer:

- "Life With Epilepsy" by Cara MacCarald, published by The Child's World, Mankato, MN 2017
- Journal of Neurology and Neurobiology, September 2016
- Hospital Physician Epilepsy Board Review Manual, Turner White Publications, Wayne, PA; August, 2015
- Continuum: Neurology of Pregnancy (Vol 20, No 1; February 2014)
- External peer grant reviewer: Physicians Services Inc Foundation, Toronto, Ontario, Canada, March 2011

Faculty Enhancement Opportunity (competitive award from the university)

- March 2012- fMRI fellowship, Martinos Center, Massachusetts General Hospital, Boston, MA
- June 2012- Neuro ICU observership, Emory University, Atlanta, GA
- June 2012 HERS leadership institute at Bryn Mawr College, sponsored by the University of Denver Higher Education Resource Services

Panels:

- Invited Participant: Medtronics workshop: Foundations of Deep Brain Stimulation for Medically Refractory Epilepsy. Denver, Colorado June 14-15, 2019
- Invited Participant: Cleveland Clinic 6th International Brain Mapping Workshop: SEEG and the Hippocampus. Cleveland, Ohio Sept 2017
- Invited Participant: Cleveland Clinic 21st International Epilepsy Symposium: 1st International Workshop on Invasive Monitoring for Medically Intractable Epilepsy 10/2012
- Invited participant: "Leadership Training Opportunities", UF COM Professional Development Seminar, 8/29/2012

Committee Assignments and Administrative Services:

Elected positions

- UF College of Medicine Faculty Council
 - Treasurer, COM Faculty Council (2015-2018)
 - EFAC representative (2016)
 - Secretary, COM Faculty Council (2012-2015, 2018-2021)
 - Delegate, COM Faculty Council (2009-2012)
 - Fiscal Policy Board (2010-2012)
 - Compensation Plan Committee, ex-officio (2010-2012)
- Delegate, University Faculty Senate (2010-13)

Committees

University of Florida, Gainesville, Florida

- Neuromedicine Interdisciplinary Clinical and Academic Program:
 - NICAP Steering Committee: 2013-2017
 - NICAP Neuromedicine Tower planning subcommittee 2010-2017(clinic, Med/Surg, ICU, neurodiagnostics subgroups)
 - Engineering/ Patient Care Transition Subcommittee 2015-2017
- College of Medicine Faculty Enhancement Opportunity review 2015-17
- University of Florida Faculty Enhancement Opportunity review 2017-present

- College of Medicine Promotion Task Force 2016
- Combined Unit Safety Program- Neuro ICU 2012-14
- Dept of Neurology Quality and Safety Committee 2012-14
- David Paulus Award for Clinical Excellence selection committee 2014- 2018
- EPIC Physician Advisory Group: 2018-
- Search committee member:
 - Dept of Neurology Chair 2015
 - Pediatric Neurology Epilepsy Program director 2014- 2016
 - Epilepsy 2008- present; committee chair 2014-2015
 - General Neurology 2009-2011
 - Movement disorders 2009

Mount Carmel Health Systems, Columbus, Ohio

- Central Ohio Trauma Services Stroke Task Force 2007-8
- Physician Steering Committee, AccessHealth Columbus voluntary care network 2003-2007
- Academic Review Committee, MCW Internal Medicine Residency Program 2001-2005
- Special Care Committee, 2001-3 (oversight of ICUs)
- Physician tester: AccessMC Lite (PDA software) 2001

University of Kentucky, Lexington, Kentucky

- Reviewer, Kentucky Medicaid pharmacotherapy alerts 1999-2000
- Committee for Integrated Clinical Information Systems 1998
- Ad hoc reviewer, Journal of Neuroimaging 1998

Educational Activity

Mentoring:

Asra Tanwir MD, observership during gap prior to residency application

Matthew Goldman, gap year between college and medical school, EEG tech training, Jan 2017-current

Anne Botwinik: 2016: middle school student for Girl Scout Silver Award: organizing a community epilepsy awareness project.

Amir Helmy, project consultant for Seizario Android seizure detection app. Since 2013.

Oscar Castellano, PhD candidate in biomedical engineering; BME 6010 Spring 2015; clinical experience to enhance understanding of clinical engineering applications

Jeffrey Liebowitz, PhD candidate in biomedical engineering; BME 6010 Fall 2014; clinical experience to enhance understanding of clinical engineering applications

Laura Valente, undergraduate neuroscience major, volunteer/shadowing experience May 2013-2014

Hillary Wehry, MS candidate in biomedical engineering; BME 6010 Fall 2013; clinical experience to enhance understanding of clinical engineering applications

Phillip Navarro, MS candidate in biomedical engineering; BME 6010 Spring 2013; clinical experience to enhance understanding of clinical engineering applications

Chelsea Kowal, PhD candidate in biomedical engineering; BME 6010 Fall 2012; clinical experience to enhance understanding of clinical engineering applications

Christine Girard, MS candidate in biomedical engineering, BME 6010 Spring 2012; clinical experience to enhance understanding of clinical engineering applications

Christopher Primiani, undergraduate neuroscience major, volunteer/ shadowing experience spring 2011- 2012

Jonathan Williams, post baccalaureate volunteer experience May 2011- May 2012; preparatory to medical school application

Amy Trongnetpunya, PhD candidate in biomedical engineering, BME 6010 Fall 2011; clinical experience to enhance understanding of clinical engineering applications

Chao Wang, PhD candidate in biomedical engineering, BME 6010 Spring 2011; clinical experience to enhance understanding of clinical engineering applications
Aditya Kumar Kasinadhuni, MS candidate in biomedical engineering, BME 6010 Fall 2010; clinical experience to enhance understanding of clinical engineering applications
Yarelis Soto, College of Medicine, University of Ponce, Puerto Rico, Class of 2013; summer 2010 project "Creativity in Temporal Lobe Epilepsy".
Jennifer Wu, UF College of Medicine class of 2011, Student Interest Group in Neurology
Eric Franca, PhD candidate in biomedical engineering, BME 6010 Fall 2009; clinical experience to enhance understanding of clinical engineering applications

Presentations/ Class lectures & discussions

Interdisciplinary Family Health/ Putting Patients First: small group leader (2010-11, 2011-12, 2012-13, 2013-14, 2014-15, 2015-16, 2016-2017, 2017-18, 2018-19) nursing, medical, dental, vet med, allied health profession students; developing teamwork and observing the effects of patient families and environment on health.

Various: Epilepsy: MS3 curriculum: offered quarterly 2012-13, 2013-14, 2014-15, 2015-16, 2018

- 10/25/2018 Introduction to Epilepsy, MS2 students
- 10/25/2017 Introduction to Epilepsy, MS2 students
- 10/27/2016 Introduction to Epilepsy, MS2 students
- 2/9,10/2016 Introduction to Epilepsy, PA1 students
- 11/2/2015 Introduction to Epilepsy, MS2 students
- 2/12/2015 Introduction to Epilepsy, PA1 students
- 9/24/2013 Introduction to Epilepsy, MS2 students
- 2/26/2013 Multidisciplinary Epilepsy Conference with neurosurgery; co-presenter
- 1/16-17/2013 "Approach to the Epilepsy Patient", MS2; small group leader, neuroscience cases
- 2/3/2012 "Approach to the Epilepsy Patient", MS2; small group leader, neuroscience cases
- 1/18/2012 "Epilepsy" Neuroscience curriculum, MS1
- 1/11/2011 Family Practice Resident noon conference: Seizure Management
- 1/11/2011 "Approach to the Epilepsy Patient", MS2; small group leader, neuroscience cases
- 1/28/2011 "Epilepsy" Neuroscience curriculum, MS1
- 1/29/2010 "Epilepsy" Neuroscience curriculum, MS1
- 1/22 & 1/25/10 "Epilepsy" Neuroscience curriculum, PA1
- 1/30/2009 "Epilepsy" Neuroscience curriculum, MS1

Resident Clinical Neurophysiology lecture series: faculty coordinator (2008-2011, 2017) and multiple lectures. 2008- present

Presentations/ Intramural, University of Florida (residents and faculty)

- 6/28/2018 Introduction to seizure management, Neurosurgery resident orientation
- 11/2017 Epilepsy resident lecture series, coordinator
- 7/7/2017 Neurology resident bootcamp: epilepsy section coordinator
- 6/28/2017 Introduction to Seizure Management: Neurosurgery resident orientation
- 3/2/2017 Critical Care Grand Rounds: Neurophysiology Update
- 1/18/2017 Seizures: Update for faculty and staff, University of Florida student health service
- 7/8/2016 Neurology Resident Bootcamp: Introduction to Seizure Management and EEG
- 6/27/2016 Introduction to Seizure Management: Neurosurgery resident orientation
- 4/6/2016 Introduction to Seizure Management: Internal Medicine noon conference
- 6/25/2015 Introduction to Seizure Management" Neurosurgery resident orientation
- 5/28/2015 "Status Epilepticus Update": Critical Care Medicine Grand Rounds
- 12/11/2014 "Management of Seizures in the ED": Quality Grand Rounds, Dept. of Neurosurgery
- 10/8/2013 Introduction to Quantitative EEG: Neurology Grand Rounds
- 2/26/2013 Co-presenter with Steven Roper, MD: Multidisciplinary Epilepsy Conference
- 10/25/2012 "Epilepsy Update: Status Epilepticus" Critical Care Medicine Grand Rounds
- 9/25/2012 "Epilepsy Update: Status Epilepticus" Neurology Departmental Grand Rounds
- 9/6/2011 "Epilepsy Update" Neurology Departmental Grand Rounds
- 11/6/2010 "Epilepsy Update Symposium "Localization", McKnight Brain Institute

6/18/2019

Presentations/ Intramural- Mount Carmel Health System (*CME/CEU) (nursing/ medical staff)

4/1/2007 *Epilepsy Update: Nursing Update; Mt Carmel East
6/28/2006 Ethics Series: Organ donation after cardiac death; Mt Carmel East
9/21/2005 *Stroke Update; Mt Carmel East Grand Rounds
2/2/2002 *Acute Management of Seizures- moderator & course organizer,
Mt Carmel West
6/26/2001 *Memory Problems- Primary Care Grand Rounds, Mt Carmel West
6/14/2001 *Update on Epilepsy- Medicine Grand Rounds, Mt Carmel West
Internal Medicine Resident Neurology lecture series- various
Family Practice Resident Lectures: memory disorders, seizures- various dates

Presentations/ Intramural -University of Kentucky

Interdepartmental Grand Rounds (*CME/CEU) (students, residents and faculty)

12/12/2000 *Status Epilepticus (Emergency Medicine)
11/1/2000 *Treatment of Refractory Epilepsy (Internal Medicine)
9/29/2000 *Epilepsy and Pregnancy (Family Practice)
9/15/2000 *Status Epilepticus (Critical Care Lecture Series)
6/1/2000 *Cortical Mapping (Neurosurgery)
10/7/1999 *Vagus Nerve Stimulation for Intractable Epilepsy (Neurosurgery)
9/17/1999 *Status Epilepticus (Critical Care Lecture Series)
2/10/1999 *Advances in Anticonvulsant Therapy (Internal Medicine)
10/22/1998 *Advances in Anticonvulsant Therapy (Neurosurgery)

Neurology Department Grand Rounds (students, residents and faculty)

8/17/2000 *Head injury: Clinical & Social Issues
8/19/1999 *Folic Acid
11/8/1998 *Vagus nerve stimulation for the treatment of intractable epilepsy
5/14/1998 *Treatment of Intractable Seizures

Medical Students

Second year electives in epilepsy and behavioral neurology
Third year clinical rotation and lectures

Residents (interdepartmental)

10/18 & 10/25/00 Epilepsy Overview- Psychiatry residents
10/28/1998, 11/4/1998 Introduction to Epilepsy – Psychiatry residents
7/27/1998 "Seizure Basics": Internal Medicine residents.
MD 832 – Third Year Clinical Clerkship in Neurology
MD 817- Neuroscience PBL- Second Year Medical Students

Other PAS 854- Seizure Disorders, 4/30/1998

Neuropsychology graduate student seminar: neurological examination 9/17/1998, 9/25/00

Resident Lecture Series and Journal Club- various dates

Resident Clinics

Monthly epilepsy conference (designed for neurology & neurosurgery residents)

University of Florida 1995-1997

PSB 6067 Human Higher Brain Functions "Neuropsychology of Epilepsy", March 24, 1997
(graduate level)

Clinical Neurophysiology weekly course for residents- lectures on polysomnography,
epileptogenesis, epilepsy and reproduction. Spring 1997.

Grants and Contracts:

Grants and Fellow Support

COM finalist "Physiology of Epilepsy and Cognition" **JE Cibula**, S Eisenschenk, M Ding, A Keil
and A Trongnetrpunya: 2011 Research Opportunity Seed Fund (sponsored by the UF Office of
Research)

6/18/2019

Dona Cragar, BA, MA. "Personality, Neuropsychological, and Psychological Testing in the Diagnosis of Psychogenic Non-Epileptic Seizures". Epilepsy Foundation of America Pre-Doctoral Research Fellowship, July 1, 2001-June 30, 2002. \$16,000. Mentor.

Research- Multicenter Trials

Primary investigator

Past Studies:

1. Site PI: UCB EP0088 Brivaracetam Real Life Assessment Initiative. Sponsored by UCB Pharma
2. Site PI: ARTEMIS -1: Acute Rescue Therapy in Epilepsy with Midazolam Intranasal Spray-1 (Upsher Smith; industry sponsored study) IND 77,421; EnduraCT number 2011-001318-32
3. Site PI: SAGE 547-SSE-310: A randomized, double-blind, placebo-controlled study to evaluate the efficacy and safety of SAGE-547 injections in the treatment of subjects with super-refractory status epilepticus (SAGE therapeutics; industry sponsored study) IND number 117901; EnduraCT number 2015-002142-31
4. BIA-2093-304 Efficacy and safety of eslicarbazepine acetate (BIA 2-093) as adjunctive therapy for refractory partial seizures in a double-blind, randomised, placebo-controlled, parallel-group, multicentre clinical trial (principal investigator).
5. Losigamone Monotherapy Study. (Phase III), (NIH sponsored) 1998-1999
6. VNS Registry (Cyberonics; June 2000-2003)
7. Lamictal in combination with newer and older antiepileptic drugs and as monotherapy: A practical clinical assessment of tolerability and clinical effectiveness (The TARGET Study: Trial to Assess and Redefine Global Epilepsy Treatment) (Glaxo- Wellcome)
8. AN094-502 An open label multicenter study to assess the safety and effectiveness of Diastat (diazepam rectal gel) in the treatment of seizures in adults. (Élan Pharmaceuticals; 9/1/2000- 8/30/2001).
9. LAM20006: A double-blind, placebo-controlled, add-on clinical trial on the safety, pharmacokinetics and efficacy of Lamictal in pediatric age subjects (1-24 months) (Glaxo Wellcome; spring 2000)
10. LAM20007: An open-label, uncontrolled long-term study to assess the safety of Lamictal in pediatric subjects who have previously taken part in study LAM20006 (Glaxo-Wellcome; spring 2000).
11. Multicenter monotherapy study of Rufinamide in inpatients with refractory partial seizures. Rufinamide Protocol 038. (Novartis; February 1999-Sept 30, 2002).
12. Topamax: Action of Co-therapy on tolerability in the clinical setting (TACTICS) (Ortho-McNeil; October 1999-
13. Pregabalin BID Add-on Titration Trial (Warner Lambert 1008-146)
14. NCP Study E-05, Assessment of vagus nerve stimulation (VNS) for adjunctive treatment of epilepsy patients who have refractory partial onset seizures with alteration of consciousness. (Cyberonics; 1995-96)

15. VA Cooperative Study #265: "Treatment of generalized convulsive status epilepticus". (Multicenter trial 1992- July 1995).

Other Clinical Scholarship:

Abstracts and Presentations

Oral Presentations: National/ International

1. Epilepsy 101: Course Director and lecturer, American Neuropsychiatric Association annual meeting, March 25, 2015 Swan & Dolphin, Orlando, FL
2. Conrado DJ, Bewernitz M, Sy S, Ding M, **Cibula J**, Eisenschenk S, Seubert C, Derendorf H. Pharmacokinetic-Pharmacodynamic Modeling of Armodafinil: Effects on Alertness and Electroencephalogram of Sleep Deprived Adults. In: *2012 American Society for Clinical Pharmacology and Therapeutics Annual Meeting – ASCPT*, 2012, National Harbor, United States. [Oral Presentation 03/15/2012]
3. Conrado DJ, Bewernitz M, Juchem-Neto JP, Ding M, **Cibula J**, Eisenschenk S, Seubert C, Derendorf H. Pharmacokinetic-Pharmacodynamic Modeling of Armodafinil: Effects on Electroencephalogram and Neurocognition of Sleep Deprived Adults. In: *International Conference on Computational Biomedicine*, 2012, Gainesville, FL, United States. [Oral Presentation 03/01/2012]
4. Conrado DJ, Bewernitz M, Sy S, Ding M, **Cibula J**, Eisenschenk S, Seubert C, Derendorf H. Population Pharmacokinetics and Pharmacodynamics of Armodafinil: Effects on Electroencephalogram and Alertness of Sleep Deprived Adults. In: *American College of Clinical Pharmacology 40th Annual Meeting – ACCP*, 2011, Chicago, United States. [Oral Presentation]
5. Post Traumatic Epilepsy: Clinical and Social Issues. National Medical Association, Washington DC. 8/16/2000

Oral Presentations: Local/Regional (*CME/CEU, ^unrestricted educational grant, #consultant fee)

1. 12/11/2016 Seizure Myths, Medication and Management. UFHealth and Wellness seminar. The Villages, FL
2. 10/2/2016 ^*A Clinical Update in Seizure Management to Improve Outcomes for Patients with Epilepsy. Florida Society for Neurology, Orlando FL
3. 11/19/2015 Co-presenter with S Roper. Management of Refractory Epilepsy. Citrus County Medical Society, Inverness, FL.
4. 7/10/2015 Co-presenter with S Roper. Management of Refractory Epilepsy. Halifax Hospital Grand Rounds, Daytona Beach, FL
5. Conrado DJ, Bewernitz M, Ding M, **Cibula J**, Eisenschenk S, Seubert C, Derendorf H. Pharmacokinetic-Pharmacodynamic Modeling of Armodafinil: Effects on Electroencephalogram and Neurocognition of Sleep Deprived Adults. In: *University of Florida College of Pharmacy 25th Annual Research Showcase*, 2012. [Oral Presentation]
6. Conrado DJ, Bewernitz M, Juchem-Neto JP, Ding M, **Cibula J**, Eisenschenk S, Seubert C, Derendorf H. Pharmacokinetic and Pharmacodynamic Evaluation of Armodafinil in

- Sleep Deprived Adults. In: *University of Florida College of Pharmacy 24th Annual Research Showcase*, 2011, Gainesville, Florida, United States.
7. 9/20-23/2013 *Course Director: Neurology for the Non-neurologist; and presenter: Neurology for Special Populations- Epilepsy in Special Populations: ICU. Florida Society for Neurology Annual Meeting, Orlando, Florida
 8. 9/28-30/2012 *Course director, Neurology for the Non-Neurologist and presenter, Advances in Neurology: Neurology Across the Lifespan: Sleep/ Epilepsy; Florida Society for Neurology Annual Meeting, Orlando Florida
 9. 4/10/2012 Epilepsy Myths and Facts; sponsored by Shands outreach/ public relations at the Villages, FL
 10. 1/21/2012 Co-presenter with Erin Dunbar, MD "Seizure medicines: pearls and perils". Florida Brain Tumor Association, Tampa FL
 11. 9/16-18/2011 *Course director, Neurology for the Non-Neurologist and presenter, Neurological Emergencies and Localization: Seizures; Florida Society for Neurology Annual Meeting, Orlando Florida
 1. 9/11/2009 *Neurophysiologic methods in cognitive Assessment; 35th Annual Behavioral Neurology Course, Florida Society of Neurology, Orlando, FL
 2. 8/7/2009 *Epilepsy Update: Comorbid Conditions; Epilepsy Foundation of Florida, Gainesville, FL
 3. 7/25/2009 *Metabolic Encephalopathies and Hashimoto's Encephalopathy; American Association of Clinical Endocrinologists, Ohio River Region; Pittsburgh, PA
 4. 3/16/2006 *^Stroke Update, Madison County Medical Society, London, Ohio (Mt Carmel)
 5. 1/10/2007 *Amyotrophic Lateral Sclerosis (Central Ohio Chapter, American Neuroscience Nurses)
 6. 10/29/2005 *^Cognitive and Behavioral Effects of Antiepileptic Drugs, Columbus (EFCO)
 7. 10/19/2005 *^Women's Issues in the Treatment of Epilepsy, Columbus OB /Gyn Society
 8. 11/13/2004 *Epilepsy Therapy Update, Columbus, Ohio (Epilepsy Foundation of Central Ohio)
 9. 9/15/2004 *Treatment of Refractory Epilepsy. Columbus, Ohio (Central Ohio Chapter, American Neuroscience Nurses)
 10. 11/2/2002 *Epilepsy Therapy Update, Columbus, Ohio (Epilepsy Foundation of Central Ohio)
 11. 10/15/2002 *Women & Epilepsy, Women's Health Day, Mt Carmel West
 12. 9/10/2002 *^Dementia vs. Delirium, Berger Medical Center, Circleville, OH (Mt Carmel)
 13. 3/7/2002 Memory & Aging, Passports to Good Health Series, Mt Carmel East
 14. 10/15/2000 Introduction to Apraxia, Bluegrass Area Neuropsychological Group
 15. 5/ 19/2000 Advances in Epilepsy Care, Stewart Home School Parents' Weekend.
 16. 4/10/2000 Ask the Doctor, Epilepsy Foundation of the Bluegrass Support Group Meeting.
 17. 10/11/1999 Vagus Nerve Stimulation for the Treatment of Epilepsy, Epilepsy Foundation of the Bluegrass
 18. 10/24/1998 *New approaches to status epilepticus in 1998, Neurological Emergencies: UK Primary Care Practitioner Neurological Sciences Symposium, Lexington, KY.
 19. 11/ 21/1997 *Treatment of Epilepsy for the Primary Care Provider: Neurological Sciences Symposia, University of Kentucky.
 20. 3/24/1997 Advances in Alzheimer's Disease Research. Annual meeting of the Gainesville Chapter, Alzheimer's Association.
 21. 4/24/1996 *EEG Neuroanatomy. Southern Society of Electroencephalography Technologists. Pensacola, Florida.

Presentations/ Extramural Teaching/ Consulting (*CME/CEU, ^unrestricted educational grant, #consultant fee)

Regional (Industry sponsored)

1. 4/18/2009 #Clinical Update: vagus nerve stimulation, Hallandale Beach, FL (Cyberonics)
2. 4/13/2004 #VNS in Refractory Epilepsy, Dayton, Ohio (Cyberonics)
3. 3/2/2004 *^Epilepsy Update, Madison County Medical Society, London, Ohio (Eisai)
4. 1/14/2004 *^Dementia, Fayette Memorial Hospital, Washington CH, Ohio (ucb pharma)
5. 1/30/2002 *^Epilepsy, Fayette Memorial Hospital, Washington CH, OH (ucb pharma)
6. 12/2/1999 #Advances in Monotherapy for the Treatment of Epilepsy. Orlando, FL (Parke-Davis).
7. 10/27/1998 #Advances in monotherapy for the treatment of epilepsy. Lexington, KY. (Glaxo-Wellcome).
8. 10/17/1998 #Advances in monotherapy for the treatment of epilepsy. Louisville, KY. (Glaxo-Wellcome).
9. 10/14/1998 #Behavioral aspects of intractable epilepsy. Oakwood Training Center, Somerset, KY. (Parke- Davis).
10. 6/10/1998 #Introduction to Epilepsy: seizure classification, identification and treatment. Oakwood Training Center, Somerset, KY. (Élan Pharmaceuticals).
11. 3/26/1998 *#Anticonvulsants: Current Applications in Neurological Conditions. Asheville (NC) VA Medical Center. (Meded).
12. 1/ 23/1998 *#Anticonvulsants: Current Applications in Neurological Conditions. University of West Virginia, Charleston, WV. (Meded).

Local (Industry Sponsored)

1. 6/20/2007 #Lamictal Roundtable moderator, Basi Italia (Glaxo Smith Kline) Columbus, OH
