

Curriculum Vitae

Christina E. DeRemer, PharmD, BCPS, BCACP, TTS, FASHP

University of Florida | College of Pharmacy
1225 Center Drive
HPNP 3306 | P.O. Box 100486
Gainesville, FL 32610
Tel: (352) 273-6244 (Office)
Email: cderemer@ufl.edu

13747 NW 30th Road
Gainesville, FL 32606
(856) 986-6168 (preferred)

Education and Professional History

July 2003 – June 2004	ASHP-Accredited Ambulatory Care Specialty Residency University of Pittsburgh Medical Center Health System Pittsburgh, Pennsylvania
July 2002 – June 2003	ASHP-Accredited Pharmacy Practice Resident University of Pittsburgh Medical Center Health System Pittsburgh, Pennsylvania
August 1996 - May 2002	Doctor of Pharmacy Philadelphia College of Pharmacy University of the Sciences in Philadelphia Philadelphia, Pennsylvania

Licensure/Certifications/Credentials

	Georgia Registered Pharmacist #RPH022777
	Florida Registered Pharmacist #PS57269
	Pennsylvania Registered Pharmacist #RP437827
2020 - Present	Tobacco Treatment Specialist
2018 - Present	Board Certified Ambulatory Care Pharmacist: BCACP: 6151504
2018	Advanced Health Education Center (AHEC) Tobacco Cessation Specialist Certificate
2012	University of Georgia College of Pharmacy: Certificate of Achievement in Anticoagulation Therapy Management
2010	University of Georgia College of Pharmacy - Preceptor Teaching Certificate
2010 – 2017	Point of Care testing credentials through GHS-MC:
2007 - Present	Board Certified Pharmacotherapy Specialist: BCPS: 307008913
2005 - Present	Collaborative Institutional Training Initiative (CITI): Human Derived Materials Research

Professional and Academic Positions

Academic:

Jan 2018 – Present	University of Florida College of Medicine Preceptor: Community Health and Family Medicine Clinic (CHFM Old Town) FL Medical Director: Jason Konopack, MD, MPH
Sept 2017 – Present	University of Florida College of Pharmacy Clinical Associate Professor Department of Pharmacotherapy and Translational Research Family Medicine – Ambulatory Practice Site 40%: Community Health and Family Medicine Clinic (CHFM Old Town) FL
Mar 2015 – Aug 2017	Educational Site Coordinator for IPPE/APPE pharmacy students experiences at Augusta University Medical Center <ul style="list-style-type: none">○ University of Georgia College of Pharmacy○ University of South Carolina College of Pharmacy○ University of Colorado Skaggs College of Pharmacy○ Philadelphia College of Osteopathic Medicine School of Pharmacy – GA Campus○ University of Kansas College of Pharmacy
Mar 2015 – Aug 2017	Clinical Preceptor – Institution Augusta University Medical Center Augusta, Georgia
July 2013 – Aug 2017	WOS Clinical Associate Professor (Academic Promotion) Department of Pharmacy and Therapeutics University of Georgia College of Pharmacy, Augusta, GA
Dec 2005 – Aug 2017	Clinical Preceptor – Internal Medicine Augusta University Medical Center Augusta, Georgia
July 2007 – Aug 2017	Clinical Preceptor – Ambulatory Care Augusta University Medical Center, Augusta, Georgia
Oct 2006 – June 2013	WOS Clinical Assistant Professor Department of Pharmacy and Therapeutics University of Georgia College of Pharmacy Augusta, GA
June 2002 – June 2004	Clinical Instructor Department of Pharmacy and Therapeutics University of Pittsburgh School of Pharmacy Pittsburgh, Pennsylvania

Non-Academic:

2017 - 2019	Advisory Board: Bristol-Myers Squibb - Real World data VTE teleconference - Cancer-Associated VTE Advisory Board Meeting with Peloton Advantage; San Diego, CA
2016 – 2019	Speaker: Bristol-Myers Squibb and Pfizer: apixaban National Webinar Presenter
July 2010 – Aug 2017	Medicine Clinical Practice Pharmacy Supervisor Augusta University Medical Center, Augusta, Georgia
Aug 2005 – Aug 2017	Clinical Specialist, Primary Care Augusta University Medical Center, Augusta, Georgia
July 2008 – Dec 2014	Residency Coordinator for the PGY1 Pharmacy Residency class (4 residents) 2008-2012 Residency Coordinator for UGA/GRMC residency (3 PGY1 resident and 3 PGY2 specialty residents) starting 7/2012 Augusta University Medical Center, Augusta, Georgia
July 2004 – July 2005	Clinical Pharmacist Safety Clinical Coordinator for Pharmacy Department Harbor Hospital, Medstar Health System, Baltimore, Maryland
Sept 2002 – June 2004	Hospital Staff Pharmacist – Casual Call UPMC Health System, Pittsburgh, Pennsylvania

Teaching Experience

Didactic:

University of Florida College of Pharmacy; Gainesville FL: Doctor of Pharmacy Program

PHA5021C: Putting Families First: An Interdisciplinary Family Health Experience

Module: 3 sessions 2018 Fall and 3 sessions 2019 Spring

Module: 3 sessions 2019 Fall and 3 sessions 2020 Spring

PHA5027C: Personal and Professional Development VII:

Module: Patient Advocate: Summer 2018, Summer 2019, Summer 2020

PHA5028C: Personal and Professional Development VIII:

Module: Patient Advocate: Fall 2018, Fall 2019, Fall 2020

PHA5029C: Personal and Professional Development IX:

Module: Patient Advocate: Spring 2019, Spring 2020

UF Medication Therapy Management Master's program Summer 2018

Endocrinology course – thyroid (2.5 hr)

PHA5594: WPPD Endocrine course Summer 2018

Thyroid pathophysiology (1hr)

Treatment of Thyroid Disorders (1.5 hr)

PHA5561 Pathophysiology and Patient Assessment II:

Module: Endocrine System - Bone Growth and Calcium Homeostasis: (1hr):

Spring 2018, Spring 2019, Spring 2020

Module: Thyroid Pathophysiology: (1hr) Spring 2020

Active Learning Session: calcium homeostasis and thyroid: (2hr): Spring 2018, Spring 2019, Spring 2020

Active Learning Session: endocrine: (4hr): Spring 2018, Spring 2019, Spring 2020

PHA5759: APPE Readiness, Spring 2018, Spring 2019, Spring 2020

Module: facilitator

Course Gainesville Coordinator 2019, 2020

PHA5727 Principles of Systems Based Practice: starting 2020 Course Coordinator

Module 3: Hospital Medical Use System (4.5 contact hours): Spring 2018, Fall 2018, Fall 2019, Fall 2020

Module 5: Safety and Quality Improvement (2 contact hours): Spring 2018, Fall 2018, Fall 2019, Fall 2020

ALS: 1 and 3: Spring 2018, Fall 2018, Fall 2019, Fall 2020

PHA5784C Patient Care IV: Gastrointestinal and Renal Disorders

Module: Estimating Renal Function (1hr): Spring 2020

Module: Acute Kidney Injury: Part 1 (1hr): Spring 2020

Module: Acute Kidney Injury: Part 2 (0.5hr): Spring 2020

Module: Drug-Induced Kidney Disease (1.5hr): Spring 2020

Module: Chronic Kidney Disease:(2hr): Spring 2020

Module: Transcending Concept: Dialysis; Hemodialysis and Peritoneal Dialysis (2hr) Spring 2020

Module: Transcending Concept: Health Disparities; Health Literacy – renal patients (2hr) Spring 2020

Active Learning Session (2hr): Renal impairment: Spring 2020

Active Learning Session (2hr): Acute Renal Failure: Spring 2020

Active Learning Session (4hr): Chronic Renal Failure: Spring 2020

Capstone PC4: (4): Spring 2020

PHA5787C: Patient Care V:

Module: Complications of Diabetes (1 contact hours): Spring 2018, 2019, 2020

Module: Pathophysiology of the Endocrine System: Thyroid (1 contact hour): Spring 2018, 2019, 2020

Module: Treatment of Thyroid Disorders (1 contact hour): Spring 2018, 2019, 2020

Module: Pathophysiology of the Endocrine System: Calcium and Parathyroid Disorders (1 contact hour): Spring 2018, 2019, 2020

Active Learning Session (4hr): Endocrine- Diabetes: Spring 2018, 2019, 2020
Active Learning Session (4hr): Thyroid: Spring 2018, 2019, 2020

PHA5788C: Patient Care VI: Skin and Musculoskeletal Disorders (faculty advisor for resident lectures)

Module: Chronic Pain Management: Gout
Carpenter: 2018
Duvall: 2019
Vascimini: 2020

Active Learning Session: Management of RA, gout, and joint infections
Carpenter and Singh: 2018
Duvall and Sparks: 2019
Tenpas and Vascimini: 2020

Remediation: PC6: Summer C 2019

PHA 5878C – Patient Care 3: Introduction to Cardiovascular and Pulmonary Disease

Module: Transcending Concept: Health-Wellness – Smoking Cessation: Fall 2018
(module 8.3), Fall 2019, Fall 2020

Active Learning Session: (4hr) COPD/transcending concepts: Fall 2018, 2019, 2020

PHA5060: Ambulatory Care Elective

Module: Patient Care Process: Communication (5.5 contact hour) Spring 2018, Fall 2019

Module: Pharmacists' Patient Care Process: Fall 2019

Module: Administration Week: Strategic Planning for an Ambulatory Care Practice (5 contact hour) Spring 2018, Fall 2019

PHA5519: Advanced Topics in Anticoagulation Pharmacotherapy (Course Coordinator):
Fall 2018, Fall 2019, Fall 2020

ALS: Case Application of complicated warfarin scenarios: (2hr)

Module: Overview of DOAC (0.5hr)

Module: Direct oral anticoagulants (1hr)

ALS: Debate anticoagulation therapy: (2hr)

Module: Transitions of care for patients anticoagulated (1hr) Fall 2018 only

ALS: Transitions of care: Verbal Gallery: (2hr)

Module: Considerations for reversal of anticoagulation (0.5 contact hour)

ALS: Clinical scenarios in reversal care: (2hr)

Module: Time in therapeutic range (0.5 contact hour)

Module: Special populations: obesity and geriatric (1hr)

ALS: Special Populations: (2hr)

PHA5933 Oncology Clinical Trial Elective

Module 3: Anticoagulation in cancer patients (0.5hr): Spring 2020

ALS 3: Critical evaluation of Caravaggio study (1hr): Spring 2020

PHA5956 Foundations of Clinical Pharmacy Practice
Main Case Lead: Anticoagulation: Spring 2020
Small Group Facilitation: Hospital Calculations: Spring 2020
Small Group Facilitation: Topic Discussion: Spring 2020
Small Group Facilitation: Clinical Dilemma: Spring 2020

University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program

Pharmacotherapy II (PHRM 5870)

Third year PharmD Candidates (approx. 125 students)

Hypertension	(2 contact hours)	Spring 2007, Spring 2008, Fall 2008
Ischemic heart disease	(2 contact hours)	Spring 2007
Congestive heart failure	(2 contact hours)	Spring 2007, Spring 2008, Fall 2008
Tuberculosis	(1 contact hour)	Spring 2006, Spring 2007, Fall 2008

University of Pittsburgh, School of Dentistry, Pittsburgh PA
Dental hygiene course

Pharmacology Course (DENHYG1411)

Second year dental hygiene technicians (40 students)

“Respiratory Pharmacology”: (1 contact hour): Spring 2002

“Gastrointestinal Pharmacology”: (1 contact hour): Spring 2002

Case Presentations/Topic Series/Preceptor for practicums/Labs:

University of Florida College of Pharmacy; Gainesville FL: Doctor of Pharmacy Program

PHA5162L: Professional Skills Lab II:

Module: Endocrine: Spring 2018, 2019, 2020

Module: Tobacco cessation: Spring 2019, 2020

PHA5163L: Professional Skills Lab III:

Module: Cardiovascular Care in the Community: Hypertension and Hyperlipidemia:
Fall 2018, Fall 2019, Fall 2020

Module: Anticoagulation – Out patient: Fall 2018, Fall 2019, Fall 2020

Module: Tobacco Cessation: Fall 2018, 2019, Fall 2020

PHA5164L: Professional Skills Lab IV:

Module: Diabetes: New diagnosis: Spring 2018

Module: Insulin dosing and adjustment – changed to Insulin and other injectable: Spring 2018, 2019, 2020

Module: Complicated diabetes patient: Spring 2018, 2019, 2020

Module: Adjusting Medication for Changing Renal Function in the Hospital: 2020

PHA5166L: Professional Skills Lab VI:

Module: Complicated Ambulatory Cases: Debated therapeutic management:

Spring 2018, 2019, 2020

University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program

Instructor: PHRM 5210: Integrated Patient Care Course: Lead for Case #5 (1/10) and practical exam #1 responsibility: University of Georgia College of Pharmacy, all campuses/ all students: 2 contact hours Jan – March 2017

Participant in Intra-Professional Education Curriculum (IPEC) course with Medical College of Georgia, College of Nursing and Dental College of Georgia: M2: Course – Art of Doctoring Feb – March 2016
March 2017

Instructor: PHRM 5210: Pharmacy Resident Rounds – Augusta Campus Students
University of Georgia College of Pharmacy, Augusta, GA
Discussion of primary literature applied to case presentation: Drug induced pancreatitis
6 students/1 hour Fall 2015

Instructor/site coordinator: PHRM 5710: Institutional Pharmacy Practice II – 3rd year IPPE Course
University of Georgia College of Pharmacy, Augusta, GA
IPPE experiential 30 individual 3 hour sessions per semester Fall 2017 planned
30 individual 3 hour sessions per semester Fall 2016
22 individual 3 hour sessions per semester Fall 2015

Instructor/site coordinator: PHRM 5720: Institutional Pharmacy Practice III – 3rd year IPPE Course
University of Georgia College of Pharmacy, Augusta, GA
IPPE experiential 30 individual 3 hour sessions per semester Spring 2017
30 individual 3 hour sessions per semester Spring 2016
22 individual 3 hour sessions per semester Spring 2015

Instructor: PHRM 7870: Pharmacy Residency Enrichment - Augusta Students
University of Georgia College of Pharmacy, Augusta, GA
Resident Graduate course: 8 students (1 contact hour) Summer 2015 – Aug 2017

Coordinator: PHRM 7210 Special Topics: PHRM RES ENRICH: call number 44-540/ 75-889
University of Georgia College of Pharmacy, Augusta, GA
Resident Graduate course: 7 students (1 contact hour) Summer 2012 – Spring 2015
(3 semester/year)

Prior to formal class #: Coordinator: Weekly course for Resident Enrichment: Georgia Health Sciences Health System: Augusta, GA 2009 to present

- 4 PGY1 Residents
- 1 PGY2 Pediatric Specialty
- 1 PGY2 Oncology Specialty
- 1 PGY2 Critical Care (started 2010)

Topics lead:

- Journal Club for residents 4 residents (1 contact hour): Aug, Sept, Nov 2007
- Board Certification Steps 4 residents (1 contact hour): Jan 2008, Jan 2009

Residency Elective: guest panelist for RPD question participation: Summer 2013, Summer 2014

Faculty Facilitator: PHRM 5140 Skills Lab - Introductory Pharmacy Practice Experience: University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program
Site: Medical College of Georgia, Augusta, GA

17 students (1 contact hours) Fall 2008
4 students (1 contact hours) Fall 2010, Fall 2013, Fall 2014

Faculty Facilitator: PHRM 5150 - Introduction to Pharmaceutical Care Planning: University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program
Site: Medical College of Georgia, Augusta, GA

5 students (2 contact hours) Spring 2008

Faculty Guest Speaker: PHRM 5210 – Landmark Oncology Studies and clinical applications: “Anticoagulation in cancer patients”: University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program

10 students (1 contact hour) Fall 2010, Fall 2011
10 Students (1 contact hour) spring 2013

Coordinator: Journal Club: Pharmacy Practice Residents: Augusta University Medical Center, Augusta, GA

9 presentations:	(2 contact hours):	2005-2006
11 presentations:	(2 contact hours):	2006-2007
9 presentations:	(2 contact hours):	2007-2008
Committee developed – member		2010- Aug 2017

PHRM 5920 – Clinical Seminar, Evaluator and Student Advisor (1 students/semester): University of Georgia College of Pharmacy, Augusta, GA: Doctor of Pharmacy Program
Third year Pharm.D. Students (20 min presentation)

1 student (1 contact hours): Spring 2006: Tigecycline vs. Vancomycin for Treatment of Complicated Skin and Skin Structure Infections: Ying (Jenny) Lee
1 student (1 contact hours): Spring 2007: Tigecycline place in Therapy for the treatment of Complicated Skin infections: Hank Josey
1 student (1 contact hours): Spring 2008: Noxafil – Fungal Prophylaxis in High-risk Patients with Treatment –Induced Neutropenia: Matthew Hebbard

Clinical Topic Leader for Medical Students- “Osteoporosis Pharmacotherapy and Disease State Management”: University of Pittsburgh, School of Medicine, Pittsburgh, PA
Site: St Margaret’s Hospital: Family Medicine: Medical Student Topic Discussion Forum:

20 medical students (8 contact hours) 1 hour monthly: Sept 2003 – May 2004

Experiential Learning Discussion: Fourth year Pharm.D. Candidates
University of Pittsburgh. Pittsburgh, PA. (2 students x 3 months)

Review of Insulin:	(0.5 contact hour):	2002, 2003, and 2004
Review of Oral Hypoglycemics:	(0.5 contact hour):	2002, 2003, and 2004

Metabolic Syndrome: (1 contact hour): 2004
 Smoking Cessation: (0.5 contact hour): 2004
 Diabetes Disease State Management: (1 contact hour) 2003, 2004

Co-Preceptor: Experiential Practicum. PHARM 5318
 University of Pittsburgh, School of Pharmacy. Pittsburgh, PA.
 Third Year Pharm.D. Students (approx 50 students)

Endocrinology– Menopause and Osteoporosis: (1 contact hour): 2003
 Immunization Practicum: (1 contact hour): 2003
 Anticoagulation: (1 contact hour): 2003
 Gastroenterology and Nutrition: (1 contact hour): 2004
 Blood Pressure Assessment and Organization of Medical Records: (1 contact hour): 2004

SOAP note preceptor. Pharm.D. Candidates from University of Pittsburgh. Pittsburgh, PA.
 Longitudinal from Aug 2002 – June 2004

Preceptor: Journal Club Practica Sessions Profession of Pharmacy
 University of Pittsburgh. Pittsburgh, PA

Forth year Pharm.D. Candidates 2 students each month (Sept 2002, Mar 2003, Oct 2003)

Course Co-Coordinator - Dermatology lab: 5th year Pharm.D. Candidates. Kathy Poon,
 Pharm.D.
 University of the Sciences in Philadelphia. Philadelphia, PA.

Approx 150 students: (3 contact hours) Apr 2002

Interdisciplinary educational sessions @ AUMC:

Diabetes Task Force – AUHealth	4/2017 - Aug 2017
5w Medical/Surgical Nursing in-services – monthly	4/2012 - Aug 2017
Perinatal Nursing in-services – Monthly	4/2012 – 1/2014
Pharmacy – lead for anticoagulation (block competency)	10/2014 - 6/2015
Coordinator of Pharmacists Excitedly Communicating to Enhance Knowledge (PECEK)	1/2012 - 8/2014
Management of inpatient insulin (varied in focus over time)	2006 - Aug 2017
Hospitalist team educational pearls/in-services (monthly)	2009 - Aug 2017
Internal medicine team educational pearls/in-services (monthly)	2005 - 2009

Invited speaker at other departmental sessions (some noted elsewhere): Nurse Educator Forum, Nurse Executive Council, Department of Medicine Quality Council, Unit Quality Council for 5W, Noon Conference for Department of Medicine, Noon Conference for Department of Family Medicine, Adverse Drug Event and Pharmacotherapy Review, Morning Report Seminar for Department of Orthopedic, Department of Surgery Noon Conference, Cardiology Prep course and others. 2005 - Aug 2017

Local ASHP Clinical Skills Competition Judge

University of Florida College of Pharmacy – Gainesville Campus
 Co-Judged Local ASHP Clinical Skills Competition at UF COP: Oct 2019, Oct 2020

University of Georgia/Augusta Medical Center – Augusta Campus

Co-Judged University of Georgia School of Pharmacy –Local ASHP Clinical Skills Competition at Medical College of Georgia. Augusta, GA. Oct 2007, Oct 2008, Oct 2009, Oct 2010, Oct 2011, Oct 2013, Oct 2014, Oct 2015, Oct 2016

University of Pittsburgh

Co-Judged with T. Schwinghammer, Pharm.D., BCPS. Local ASHP Clinical Skills Competition at University of Pittsburgh. Pittsburgh, PA. Oct 2002

Student Mentoring:

2018-2022: Career coach 5 UF COP students 1PD (2018-2019)

2018-2023: Advisor 10 UF COP students/year: 1PD: Assigned: 2018, 2019

2014-2015: Mentor 10 IPPE UGA students in an academic house format

2015-2016: Mentor 10 IPPE UGA student in an academic house format (+) 10 APPE (former) Students

Clinical Precepting: STUDENTS:

University of Florida College of Pharmacy

Old Town Family Medicine Clinic: UF COP APPE Ambulatory Care – 6 week blocks:

PHA5663/PHA5665

12 students	2020-2021
9 students	2019-2020
5 students	2018-2019
2 students (8 wk experiences)	2017-2018

Old Town Family Medicine Clinic: UF COP IPPE requested Ambulatory Care observation – single day 4-8 hour block

12 students	2019-2020
11 students	2018-2019
6 students	2017-2018

University of Florida | College of Medicine

Old Town Family Medicine Clinic: ½ day blocks

UF COP Old Town Family Medicine

Post Graduate Specialty Trainees – PGY2: Ambulatory: Longitudinal 2 days/week clinic

Angelina Vascimini, PharmD	PGY2 Ambulatory Resident	July 2020-June 2021
Andrew Tenpas, PharmD	PGY2 Ambulatory Resident	July 2020-June 2021
Jeremy Sparks, PharmD	PGY2 Ambulatory Resident	July 2019-June 2020
Alan Duvall, PharmD	PGY2 Ambulatory Resident	July 2019-June 2020
Divita Singh, PharmD	PGY2 Ambulatory Resident	July 2018-June 2019
Elise Carpenter, PharmD	PGY2 Ambulatory Resident	July 2018-June 2019
Amy Shook Talana, PharmD	PGY2 Ambulatory Resident	Jan-May 2018

UF/SHANDS – site: Old Town Family Medicine

Post Graduate Trainees – PGY1: Ambulatory: Longitudinal 4 week clinic block
Stephanie Molchan, PharmD PGY1 UF Shands Resident May 2018

UGA/AU Health Medical Center

Post Graduate Trainees – PGY1: Internal medicine rotations: 5 week blocks (2014 changed to month blocks) Internal Medicine – Core Rotation: Acute Inpatient Care

Morgan Gwynn, PharmD	Pharmacy Practice Resident	2016-2017
Toks Onabanjo, PharmD	Pharmacy Practice Resident	2016-2017
Pam Ku, PharmD	Pharmacy Practice Resident	2016-2017
Ben Aldrick, Pharm.D.	Pharmacy Practice Resident	2015-2016
Jason Jones, Pharm.D.	Pharmacy Practice Resident	2015-2016
Katelyn Hood, Pharm.D.	Pharmacy Practice Resident	2014-2015
Christopher Campbell, Pharm.D	Pharmacy Practice Resident	2014-2015
Rachael McCaleb, Pharm.D.	Pharmacy Practice Resident	2014-2015
Stephanie Hoge, Pharm.D.	Pharmacy Practice Resident	2014-2015
Brenna Clark, Pharm.D.	Pharmacy Practice Resident	2013-2014
Sarah Evans, Pharm.D.	Pharmacy Practice Resident	2013-2014
Elizabeth Ensley, Pharm.D.	Pharmacy Practice Resident	2013-2014
Jacquelyn Bryant, Pharm.D.	Pharmacy Practice Resident	2012-2013
Christy Cecil, Pharm.D.	Pharmacy Practice Resident	2011-2012
Nicole Shumiloff, Pharm.D.	Pharmacy Practice Resident	2011-2012
Mary Covington Walker, Pharm.D.	Pharmacy Practice Resident	2010-2011
Starr Bedy, Pharm.D.	Pharmacy Practice Resident	2010-2011
Lisa Pelletier, Pharm.D.	Pharmacy Practice Resident	2010-2011
Karly O’Brien, Pharm.D.	Pharmacy Practice Resident	2009-2010
Christina Graham, Pharm.D.	Pharmacy Practice Resident	2009-2010
Amber Bradley, Pharm.D.	Pharmacy Practice Resident	2009-2010
Ashley Richard, Pharm.D.	Pharmacy Practice Resident	2009-2010
Alexis Horace, Pharm.D.	Pharmacy Practice Resident	2008-2009
Livia Machado, PhD.	Student CET Program	2010
Evelina Maciuleviciute, Pharm.D.	Pharmacy Practice Resident	2008-2009
Tim Robinson, Pharm.D.	Pharmacy Practice Resident	2007-2008
Kristina Dawson, Pharm.D.	Pharmacy Practice Resident	2007-2008
Kinjal Vakil, Pharm.D.	Pharmacy Practice Resident	2007-2008
Daniel Dauner, Pharm.D.	Pharmacy Practice Resident	2006-2007
Virginia Fleming, Pharm.D.	Pharmacy Practice Resident	2006-2007
Trisha Nguyen, Pharm.D.	Pharmacy Practice Resident	2006-2007
Shalini Dosi, Pharm.D.	Pharmacy Practice Resident	2006-2007
Lindsay Child, Pharm.D.	Pharmacy Practice Resident	2005-2006
Fabiola Arguello, Pharm.D.	Pharmacy Practice Resident	2005-2006

Post Graduate Trainees – PGY1: “Precepting” Internal Medicine rotation: 5 week blocks (in 2014 changed to monthly blocks) – Core Rotation: Acute Inpatient Care

Michelle Borg, PharmD	Pharmacy Practice Resident	2016-2017
Christopher Campbell, Pharm.D	Pharmacy Practice Resident	2014-2015
Sarah Evans, Pharm.D.	Pharmacy Practice Resident	2013-2014
Starr Bedy, Pharm.D.	Pharmacy Practice Resident	2010-2011
Amber Bradley, Pharm.D.	Pharmacy Practice Resident	2009-2010

Longitudinal Preceptor: PGY1: Ambulatory Care and Anticoagulation clinic
Ambulatory Care – Core Rotation: Ambulatory Care

Anticoagulation Clinic: Rotation: 3 month blocks – ½ day per week

Brenna Clark, Pharm.D.	Pharmacy Practice Resident	2013-2014(5wk experience)
Justina Damiani, Pharm.D.	Pharmacy Practice Resident	2011-2012
Meghan Divine, Pharm.D.	Pharmacy Practice Resident	2011-2012
Christy Cecil, Pharm.D.	Pharmacy Practice Resident	2011-2012
Mary Covington Walker, Pharm.D.	Pharmacy Practice Resident	(W) Spring 2011
Starr Bedy, Pharm.D.	Pharmacy Practice Resident	(M) Spring 2011
Lisa Pelletier, Pharm.D.	Pharmacy Practice Resident	(W) Fall 2010: 6months
Katerina Katsanevas, Pharm.D.	Pharmacy Practice Resident	(W) Fall 2010

Continuity of Medicine Clinic: Rotation: 5 month blocks – ½ day per week

Karly O'Brien, Pharm.D.	Pharmacy Practice Resident	(M) Spring 2010
Ashley Richard, Pharm.D.	Pharmacy Practice Resident	(T) Spring 2010
Amber Bradley, Pharm.D.	Pharmacy Practice Resident	(T) Fall 2009
Christina Graham, Pharm.D.	Pharmacy Practice Resident	(M) Fall 2009
Evelina Maciuleviciute, Pharm.D.	Pharmacy Practice Resident	(T) Spring 2009
Neha Doshi, Pharm.D.	Pharmacy Practice Resident	(M) Spring 2009
Alexis Horace, Pharm.D.	Pharmacy Practice Resident	(T) Fall 2008
Kacy Schulman, Pharm.D.	Pharmacy Practice Resident	(M) Fall 2008
Tim Robinson, Pharm.D.	Pharmacy Practice Resident	(T) Spring 2008
Kristina Dawson, Pharm.D.	Pharmacy Practice Resident	(M) Spring 2008
Kinjal Vakil, Pharm.D.	Pharmacy Practice Resident	(M) Fall 2007
Julie Leal, Pharm.D.	Pharmacy Practice Resident	(T) Fall 2007

Preceptor for "Preceptor in Training" – Mentoring new PGY1 preceptors through prep course: Summer 2013 – present

Mary Carpenter, PharmD	Ambulatory Care Preceptor
To-My Dinh, PharmD	Family Medicine Preceptor
Marie Capito, PharmD	Internal Medicine Preceptor
Sonal Patel, PharmD:	Infectious Disease Preceptor
Micaela Carroll, PharmD:	Internal Medicine Preceptor
Nicole Gasbarro, PharmD, BCPS	Cardiologist Preceptor
Dwayne Pierce, PharmD	Internal Medicine/Nephrology Preceptor

International Invited Presentation

Establishment of Our Anticoagulation Clinic. [Invited Speaker] Hamad Medical Corporation, Doha, Qatar. Main site: Al-Wakra Hospital. Approx. 40 pharmacist/physicians attended. July 2013

National ACPE Certified Presentations/Invited Presentation

Vaulting hurdles to implement telehealth in ambulatory practice during COVID-19. Schumacher C. DeRemer C. Canupp H. [Invited Speaker] American Society of Health-System Pharmacist Webinar. May 1, 2020.

The Perfect One-Two Punch: An Optimized Diabetes Service with Applied Billing Strategies; Presenters: **DeRemer C.** Olson J. Reiter J. [Proposal Accepted] American Society of Health-System Pharmacist. Summer Meeting. Seattle, WA June 2020 –Meeting cancelled, rescheduled to present Summer Meeting. Long Beach, CA Planned June 2021

Breathe Easy: COPD Care Bundle Prescribing. Ambulatory Pearl session: Presenters: **DeRemer** [Proposal Accepted] American Society of Health-System Pharmacist. Summer Meeting. Seattle, WA. June 2020 – meeting cancelled –presented virtual format live July 2020

What They Don't Teach You in Residency: Navigating Workplace Politics For New Practitioners. Presenters: **DeRemer C.** Magee C. Swartout M. Tichy E. [Invited Speaker] American Society of Health-System Pharmacist. Midyear Clinical Meeting. Las Vegas, NV. December 2019

Translating metrics into a language that means, “Sustainable ambulatory practice” with evaluation of benchmarks. Presenter and Moderator: **DeRemer C.** Olson J. Reiter J. [Proposal Accepted] American Society of Health-System Pharmacist. Midyear Clinical Meeting. Las Vegas, NV. December 2019.

Relative Value Unit: Speaking the language of physicians for a successful shared ambulatory model. Presenter: Specialty Pharmacy Pearl [Proposal Accepted]: American Society of Health-System Pharmacist. Summer Meeting. Boston, MA. June 2019.

Riding the people mover: Student driven process for emergency department transition of care to family medicine office. Ambulatory Care Pharmacy Pearl [Proposal Accepted] American Society of Health-System Pharmacist. Summer Meeting. Boston, MA. June 2019.

Partnership Unifying Multidisciplinary Providers and Student Learners in an Ambulatory Collaborative Practice Model: Co-Presenter: **DeRemer C.** Brian Fitzgerald, MD [Proposal Accepted] American Society of Health-System Pharmacist National Pharmacy Preceptor Conference. Dallas, TX. Oct 2018.

Patient Role Playing: A Valuable Tool for Students to Experience Empathy in Patient Care. Presenter. [Proposal Accepted] American Society of Health-System Pharmacist National Pharmacy Preceptor Conference. Dallas, TX. Oct 2018.

Interpreting the Variability in Calculations for Time in Therapeutic Range (TTR). Presenter: (210-L05) Safety & Quality Pearls [Proposal Accepted]: American Society of Health-System Pharmacist. Midyear Clinical Meeting. Orlando, FL. December 2017

Increase pharmacy documentation through student and resident extenders. Co-presenter: **DeRemer C.** Martin C, Univ of Kentucky. [Proposal Accepted] American Society of Health-System Pharmacist. Midyear Clinical Meeting. Anaheim, CA. December 2014
*Served as Program Chair for session

Tips on balancing pharmacist roles through integration of extenders. [Proposal Accepted] American Society of Health-System Pharmacist. 2013 National Pharmacy Preceptor Conference. Washington, DC. Aug 2013

Are there risks associated with chronic acid suppression therapy with long-term use of proton pump inhibitors? (PRO) Debate in Therapeutic 2010 (CON was presented by Daniel Lewis, Pharm.D., BCPS – Univ of Kentucky). ACPE Accredited (30min). [Invited Speaker]

American Society of Health-System Pharmacist. Midyear Clinical Meeting. Anaheim, CA. December 2010

National Moderator/Facilitator role

Program Chair and Moderator: Translating metrics into a language that means, “Sustainable ambulatory practice” with evaluation of benchmarks. Presenter and Moderator: **DeRemer C.** Olson J. Reiter J. [Proposal Accepted] American Society of Health-System Pharmacist. Midyear Clinical Meeting. Las Vegas, NV. December 2019.

Facilitator: Networking Session: Section of Ambulatory Care Practitioners, SAG on Compensation and Practice Sustainability. American Society of Health-System Pharmacist. Midyear Clinical Meeting. Las Vegas, NV. December 2019

Facilitator: Networking Session: Women in Pharmacy Leadership. American Society of Health-System Pharmacist. Midyear Clinical Meeting. Las Vegas, NV. December 2019

Facilitator: Networking Session: Women in Pharmacy Leadership. American Society of Health-System Pharmacist. Midyear Clinical Meeting. Orlando, FL. December 2017

Program Chair and Moderator (313-L07) Patricia Keinle speaker: [Proposal Accepted] Addressing the Standards: Meeting USP <797> Requirements in Small and Rural Hospitals. American Society of Health-System Pharmacist. Midyear Clinical Meeting. Orlando, FL. December 2017

Program Chair and Moderator: (218-L04) Timothy Dy Aungst speaker: What You Need to Know: Medical Apps in the Inpatient Setting. American Society of Health-System Pharmacist. Midyear Clinical Meeting. Orlando, FL. December 2017

Creative Works - National

Telehealth Technology Platforms podcast. Speaker: Mobayed L. Haydon-Greatting S. **DeRemer C.** Bianco J. ASHP sponsored: <https://www.ashp.org/Professional-Development/ASHP-Podcasts/COVID-19-Updates/Technology-Platforms-Used-to-Conduct-Telehealth-Visits?loginreturnUrl=SSOCheckOnly>. July 2020.

Local, State, and Regional ACPE Certified Presentations/Invited Presentation

Reviewing Diabetic Nephropathy and Impactful Therapies. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. Fall Meeting. Brasstown, GA. Oct 2020 (Cancelled for COVID) – rescheduled Savannah, GA March 2021

Implementation of COPD Care Bundles in a Rural Family Medicine Clinic to Prevent Acute COPD Exacerbation Related Urgent Care Visits: Speakers: Duvall A. Dietrich E. **DeRemer C.** Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2020.

Tips to Overcoming Barriers for Implementation of Continuous Glucose Monitoring Services for People Diagnosed with Type 2 Diabetes Mellitus. Speakers: Sparks J. **DeRemer C.** Konopack J. Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2020.

Integration of Interdisciplinary Education Models to Advance Targeted Knowledge Areas. Speakers: **DeRemer C.** Quinn K. Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2020.

Predictability of HbA1c Based on Medication Profile and the Number of Diabetes Related Touches in Rural Population. Speakers: Vascimini A. Curtis S. **DeRemer C.** Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2020.

Strengthening Strategies Against Diabetic Nephropathy: Role of GLP1- RA and SGLT2 Inhibitors. Speaker: **DeRemer C.** 8th Annual Florida - Association of Diabetes Care and Education Specialist (ADCES). ACPE Accredited. Tallahassee, FL. Feb 2020.

Insulin Pharmacokinetics. Speaker: **DeRemer C.** University of Florida - ECHO T1D Didactic conference. ACPE Accredited. Gainesville FL. Aug 2019.

Expertly maneuvering through challenging courses in patient care. Speakers: **DeRemer C.** Misher A. Wheeler B. ACPE Accredited. Georgia Society of Health-System Pharmacist. Summer Meeting. Amelia Island, FL. July 2019.

Fostering Empathy in Young Practitioners in preparation for clinical practice in primary care. Speakers: **DeRemer C.** Miller S. Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2019.

Identifying osteoporosis care opportunities for pharmacist in a rural clinic setting. Speakers: Carpenter E. **DeRemer C.** Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2019.

Impact of student pharmacy learners through successful integration in a rural clinic. Speakers: **DeRemer C.** Quinn K. Konopack J. Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. March 2019.

A Collaborative Ambulatory Practice Model: Focus on IPE and Sustainability. Speaker: **DeRemer C.** North Central Florida Society Program. ACPE Accredited. Gainesville FL. Nov 2018.

Redesign of clinic flow to place great urgency on elevated blood pressures in a rural clinic setting. Speakers: **DeRemer C.** Quinn K. Primary Care Innovations Conference. ACPE Accredited. Gainesville FL. April 2018.

“D” not the grade you wanted, but the vitamin you do. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. Spring Meeting. ACPE Accredited. Savannah GA. March 2018.

Novel Cardiovascular Medications – What They Are and When to Use Them. Speaker: **DeRemer C.** Department of Family Medicine Noon Conference Series. Augusta GA. March 2017

Novel Cardiovascular Medications – What They Are and When to Use Them. Speaker: **DeRemer C.** 5th Annual Update in Cardiovascular Disease Management for Primary Care Providers. ACPE Accredited. Augusta GA. Oct 2016.

Integrating Pharmacy Students as Extenders to Enhance Clinical Activities within the Hospital Setting. Speakers: Bonner L. May D. **DeRemer C.** Georgia Society of Health-System Pharmacist. Summer Meeting. ACPE Accredited. Amelia Island, FL. July 2016.

Cardiovascular Pharmacology: 2015 Update and Clinical Pearls. Speaker: **DeRemer C.** 4th Annual Update in Cardiovascular Disease Management for Primary Care Providers. ACPE Accredited. Augusta GA. Nov 2015.

Considerations for insulin surrounding procedures. Speaker: **DeRemer C.** Georgia Association of Perianesthesia Nursing Conference. ACPE Accredited. Sept 2014.

JNC8 Update and Debate of application. Speakers: Richardson J. **DeRemer C.** Georgia Society of Health-System Pharmacist. Summer Meeting. ACPE Accredited. Amelia Island, FL. July 2014.

Anticoagulation update: Presenting the stand out features for the newer oral agents. Speaker **DeRemer C.** Grand Rounds presentation: UGA faculty, Clinical Pharmacist, residents, and students. Georgia Regents Medical Center. ACPE Accredited Augusta, GA. Jan 2014

Oral anticoagulant update – Presenting the stand out features. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. Summer Meeting. ACPE Accredited. Amelia Island, FL. July 2013.

Safety of enoxaparin dosing regimens after ablation procedures. Speakers: Hammond DA, **DeRemer C.**, Killough D, Berman A. ASHP South-Eastern Residency Conference. ACPE Accredited. Athens, GA; April 2013

Rivaroxaban – An oral presentation for use in the orthopedic population. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. 2012 Spring Meeting. ACPE Accredited. Savannah, GA, GA. March 2012

Rivaroxaban – An oral presentation for use in the orthopedic population: emphasis on use at GHSU. Speaker: **DeRemer C.** Grand Rounds. Georgia Health Science Health System. ACPE Accredited. Augusta, GA. March 2012.

An Anticoagulation Clinic's Experience with the New Oral Anticoagulant. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. 2011 Fall Meeting. ACPE Accredited. Brasstown Valley Resort, Young Harris, GA. Oct 2011

Inpatient Anticoagulation - A patient's course of treatment. Speaker: **DeRemer C.** The 8th Annual Howard C. Ansel Symposium. ACPE Accredited. Athens, GA. Sept 2011

Survey evaluation of PGY1 pharmacy residency program directors' view on non-traditional residency candidates. Speakers: Bedy S. Phillips M. **DeRemer C.** ASHP South-Eastern Residency Conference. ACPE Accredited. Athens, GA; April 2011

MCG Health Anticoagulation Clinic – Update. Speaker: **DeRemer C.** Medical Resident Noon Conference. MCG Health Internal Medicine department faculty, residents, and medical students. ACPE Accredited. Medical College of Georgia Health System. Augusta, GA. Jan 2011

Safe Use of Herbal Supplements in Current Medical Practice-(updated). Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. 2010 Spring Meeting. ACPE Accredited. Savannah, GA, GA. March 2010

Safe Use of Herbal Supplements in Current Medical Practice. Speaker: **DeRemer C.** Noon Conference for Family Medicine Department. Medical College of Georgia Health System. ACPE Accredited. Augusta, GA. Oct 2008

Safe Use of Herbal Supplements in Current Medical Practice. Speaker: **DeRemer C.** Grand Rounds presentation. Medical College of Georgia Health System. ACPE Accredited. Augusta, GA. Oct 2008

Overuse of Proton Pump Inhibitors in a Hospital Setting. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. 2008 Spring Meeting. ACPE Accredited. Callaway Gardens, GA. March 2008

Improving glycemic control with a correction factor. Speaker: **DeRemer C.** Grand Rounds presentation. Medical College of Georgia Health System. ACPE Accredited. Augusta, GA. Oct 2007

Utility of Oral Insulin Sensitizers - *Exploring Use Beyond Diabetes*. Speaker: **DeRemer C.** Georgia Society of Health-System Pharmacist. Annual Fall Meeting. ACPE Accredited. Helen, GA. Oct 2006

Utility of Oral Insulin Sensitizers - *Exploring Use Beyond Diabetes*. Speaker: **Schober C.** Grand Rounds presentation. Medical College of Georgia Health System. ACPE Accredited. Augusta, GA. Jan 2006

Maintaining Joint Commission's National Patient Safety Goals. Morning Report: Physicians and medical. Speaker: **Schober C.** Harbor Hospital – MedStar Health System. Baltimore, MD. ACPE Accredited. Jan, March, Jun 2005

An observational pilot study of ezetimibe's impact on tacrolimus based immunosuppressed transplant recipients. Speaker: **Schober C.** Resident Seminar - Clinical pharmacists, faculty, residents, and students. ACPE Accredited. University of Pittsburgh Medical Center. Pittsburgh, PA. May 2004

Evaluation of Thiazolidinediones Prescribing Practices at the University of Pittsburgh Medical Center. Speaker: **Schober C.** ASHP Eastern States Conference. ACPE Accredited. Baltimore, MD. May 2003

Generic vs. Brand Medications. Continued Educational Presentation: Retired Professionals – Members of Temple Retired People: TARP. Speaker: **Schober C.** Temple University. Philadelphia, PA. Apr 2002 and Patients, clinicians, and nursing. University of Pittsburgh Medical Center. ACPE Accredited. Pittsburgh, PA. June 2003

Understanding Self-Care and Non-Prescription Drug Therapy. Speaker: **Schober C.** Clinical Concepts 2003 program. Western Pennsylvania Nursing Conference. ACPE Accredited. DuBois, PA. Sept 2003

HIPAA. Clinical Concepts. Speaker: **Schober C.** Bidwell Medical Training Center. Pittsburgh, PA. Sept 2003

C-Reactive Protein: Early Marker For Cardiovascular Detection in Women. Speaker: **Schober C.** Resident Seminar. University of Pittsburgh Medical Center. ACPE Accredited. Pittsburgh, PA. Oct 2003

Safe Use of Oral Insulin Sensitizers in Patients with Heart Failure. Speaker: **Schober C.** Clinical Pearl Session. The Western Pennsylvania Society of Health-System Pharmacist (WPSHP). ACPE Accredited. Pittsburgh, PA. Oct 2003

Institutional, Student Organizational, and Community Presentations

Kappa Epsilon Rush Speaker: University of Florida College of Pharmacy, Gainesville Campus. Aug 2020.

Ambulatory Care: SHPEP program. University of Florida College of Pharmacy, Gainesville Campus. July 2020.

Enjoy the journey while preparing for the future. Kappa Epsilon Konclave 2020. 7-Florida Chapter meeting. Approx 125 students. University of Florida College of Pharmacy, Gainesville Campus. Jan 2020.

How can I impact the current smoking landscape? UF COP APhA-ASP Tobacco and Alcohol Awareness group. Approx 35 students. University of Florida College of Pharmacy, Gainesville Campus. Oct 2019.

The clock is ticking: Preparing for residency. UF FSHP/KE Residency Forum. Approx 100 students. University of Florida College of Pharmacy, Gainesville Campus. Aug 2019.

Application of Anticoagulants In Cardiac Patients – Review focused in Atrial Fibrillation Population and Ablation. Department of Cardiology. Approx. 30 residents/fellows/midlevel/attending present. Aug 2015.

Review of Newer Oral Anticoagulant Agents and Place in Therapy for Orthopedic Procedures. Department of Orthopedics Grand Rounds. Approx. 40 residents/fellows/attending present. July 2015

Structure and Function of Medical College of Georgia In-Patient Management of Glucose
Presented to Internal Medicine Residents and Faculty of MCG Health, Inc.; Augusta, GA, 2013

Coordinated a committee: multi-disciplined to reorganize approach to insulin management

Discussed and investigated cost savings, contracting of basal insulin products: 2014
Presented to Department of Medicine Quality Council at MCG Health, Inc; Augusta, GA, Summer 2014.

Presented to P&T committee at MCG Health, Inc; Augusta, GA, Spring 2015

Presented Educational outreach regarding process: GRMC; Augusta, GA. Summer-Fall 2015

Presented to Nurse Educator Forum: August 2015

Supplemental Insulin Power-plan: the one stop shop!. Internal medicine grand rounds. Georgia Regents Medical Center. Augusta, GA. July 2013

Reversing Newer Anticoagulants “Is time the only true answer” Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Georgia Health Science Medical Center. Augusta, GA. April 2012

MCG Health Anticoagulation Clinic – One Year Anniversary Update: Performance Improvement Committee. Medical College of Georgia Health System. Augusta, GA. Feb 2011

Structure and Function of Medical College of Georgia Anticoagulation Clinic

Presented to Internal Medicine Residents and Faculty of MCG Health, Inc.; Augusta, GA, November 2009.

Presented to Physicians Executive Team at MCG Health, Inc; Augusta, GA, November 2009. Presented to Medical Executive Committee at MCG Health, Inc; Augusta, GA, December 2009. Presented to Family Medicine Residents and Faculty of MCG Health, Inc.; Augusta, GA. January 2010.

Using a “One Stop Shop” for Insulin management: Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. Oct 2009

Controversial Ezetimibe. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. Sept 2008

Understanding the Challenges of Insulin. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. April 2007

Drug Induced Delirium. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. Oct 2006

Drug Induced Hyponatremia. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. May 2006

Use of Insulin Sensitizers in Heart Failure Patients. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. Dec 2005, July 2006, Feb 2007

Drug Induced Pancreatitis. Adverse Drug Reaction Committee: Clinical Pharmacist, residents, students and physicians. Medical College of Georgia Health System. Augusta, GA. Nov 2005, Nov 2006

Management of Hypertension Secondary to Pheochromocytoma. Drug Use/Disease State Management meeting. Case Presentation – Platform. University of Pittsburgh Medical Center. Pittsburgh, PA. May 2004

Over-the-Counter (OTC) Cough and Cold Remedies. Geriatric inservice: Clinical pharmacist, CRNP, RN, and MD. University of Pittsburgh Medical Center. Benedum Clinic. Pittsburgh, PA. April 2004

High-Dose/Repetitive IV Dihydroergotamine mesylate (DHE) for Migraine Treatment. Pharmacy and Therapeutics Committee Formulary Review. Pharmacy and Therapeutics Committee. UPMC Health System. Pittsburgh, PA. Oct 2003

Another Statin? (CrestorTM). Drug Use/Disease State Management meeting. New Drug Topic – Platform. University of Pittsburgh Medical Center. Pittsburgh, PA. Sept 2003

Medications for Transplant Maintenance. Transplant In-service for Department of Geriatrics. Patients, clinicians, and nursing. University of Pittsburgh Medical Center. Pittsburgh, PA. June 2003

Prevention of Acute Renal Failure: Corlopam vs. Mucomyst. Drug Use/Disease State Management meeting. Controversial Topic – Platform. University of Pittsburgh Medical Center. Pittsburgh, PA. May 2003

The Use of Thiazolidinediones in Patients with Precautionary Conditions or Medications. Research presentation - Drug Use/Disease State Management meeting: Clinical pharmacists, pharmacy students, faculty, and residents University of Pittsburgh Medical Center. Pittsburgh, PA. Mar 2003

Case Report: Diphtheroid Endocarditis. Drug Use/Disease State Management meeting. Case Report – Platform. University of Pittsburgh Medical Center. Pittsburgh, PA. Jan 2003

Xenaderm® (trypsin/balsam peru/castor oil). Pharmacy and Therapeutics Committee Formulary Review. Co-presenter with Sue Skledar, RPh., MPH. Pharmacy and Therapeutics Committee. UPMC Health System. Pittsburgh, PA. Jan 2003

Prevention of Acute Renal Failure: Corlopam vs. Mucomyst. Co-speaker Rhonda Rea, Pharm.D. Nursing In-service: Cardiology Physicians and nurses. University of Pittsburgh Medical Center. Pittsburgh, PA. Dec 2002

Intravenous Immunoglobulin® (IVIG) Guidelines. Pharmacy and Therapeutics Committee Formulary Review. Co-presenter with Sue Skledar, RPh., MPH. Pharmacy and Therapeutics Committee. UPMC Health System. Pittsburgh, PA. Nov 2002

Hormone Replacement Therapy: Should We Abandon It? Resident Seminar: Clinical pharmacists, pharmacy students, faculty, and residents University of Pittsburgh Medical Center. Pittsburgh, PA. Oct 2002

Haloperidol Pharmacology. In-service: Department of Neurology. Clinical pharmacists, students, faculty, nursing and medical residents. University of Pittsburgh Medical Center. Pittsburgh, PA. Oct 2002

Campath® (alemtuzumab) Pharmacology. Drug Use/Disease State Management meeting. New Drug Review – Platform. University of Pittsburgh Medical Center. Pittsburgh, PA. Sept 2002

Overview of Oral Hyperglycemics. In-service: Department of Internal Medicine. Clinical pharmacists, students, faculty, nursing and medical residents/attending. University of Pittsburgh Medical Center. Pittsburgh, PA. Sept 2002

Clinical Research: non-funded

Apixaban: Examining Practice Patterns in CKD Patients at Augusta University Medical Center
PI: Dwayne Pierce, PharmD, BCPS; sub investigator: **Christina E. DeRemer**
eIRB Approved – data completed - closed

The risk of gastrointestinal bleeding with Apixaban (Eliquis): A retrospective cohort study
Principal Investigator
PI: Humberto Sifuentes, MD; sub-investigators: Muhammed Sherid, Amer Sayad, **Christina E. DeRemer**
eIRB approved – data completed - closed

Exploring the relationship between medication management during an acute COPD exacerbation hospitalization and outcomes
PI: Elizabeth G. Ensley, Pharm.D.; sub-investigators: **Christina E. DeRemer**, Henry Young, Laurie Jackson, Lee Merchen
eIRB approved – data completed – closed

Evaluation of Cardiovascular Risk Stratification in Atrial Fibrillation Patients
PI: Stephanie Hoge; co-investigators: **Christina E. DeRemer**, Adam Berman, and William Maddox
IRB approval 12.2014: closed.9/2015 – (platform presented, manuscript submitted)

Nurse Perception of Nebulized Lidocaine During Nasogastric Tube Placement
PI: Brenna Clark, Pharm.D. ; co-Investigators: **Christina DeRemer**, Pharm.D., BCPS
(platform presented, manuscript pending)

Assessment of safety impact from variations in enoxaparin doses following ablation procedures

PI: Drayton A. Hammond, PharmD, MBA; Co-investigators: **Christina E. DeRemer**, PharmD, BCPS and Dave Killough, PharmD, MHA , and Adam Berman, MD, FHRS, FACC (platform presented, manuscript accepted)

Evaluation of VTE prophylaxis in the obese population: A retrospective evaluation. Damiani J. Keller J. Branran T. **DeRemer C.** – IRB approved - closed: poster presented and pending submission

PGY1 Pharmacy Interviews: Is there fairness in rewarding past accomplishments? **DeRemer CE.** Bedy SM. Phillips M. – HAC approved - completed: platform presented

Elewa H. **DeRemer C.** Keller J. Gujral J. Majority of patients treated with warfarin for atrial fibrillation are willing to switch to dabigatran. [Platform/Abstract/Poster]. Southern Translational Education and Research Conference (STAR). Augusta, GA. Sept 2011.

AWARDED: Selected for oral presentation and Young Investigator Competition Award

A Survey of Nurse Administration for Subcutaneous Injections at the Medical College of Georgia Health System. McDowell S., Pharm.D. Candidate, **DeRemer CE.** Abstract/Poster – presented Student forum.

Evaluation of Opioid Prescribing Patterns for Management of Chronic Pain. Fleming VH. **DeRemer CE.** May JR. Brown S. (co-investigator). Proposal Submitted Jan 2007 for presentation at ASHP South-Eastern State Conference. Athens, GA.

Healthcare Worker Health Survey. Ford H., Pharm.D. Candidate, Lee Y., Pharm.D. Candidate, **DeRemer CE.**, Pharm.D [Abstract/Poster]. Abstract/Poster – presented Student forum.

Process Improvement for Vancomycin Use in Adult Patients at MCG Health System. Child L. and **Schober C.** (co-investigator). Proposal Submitted Jan 2006 for presentation at ASHP South-Eastern State Conference. Athens, GA.

Implementation of a Pharmacy Inpatient Warfarin Education and Monitoring Program. Arguello F., **Schober C.** (co-investigator), Kuth J. Proposal Submitted Jan 2006 for presentation at ASHP South-Eastern State Conference. Athens, GA.

An observational pilot study of ezetimibe's impact on tacrolimus based immunosuppressed transplant recipients. *Primary Investigator.* Proposal Submitted Dec 2003. [Abstract/Poster]. Accepted to General Poster Session at American Society of Health-System Pharmacists Clinical Midyear. Orlando, FL. Dec 2004

The use of thiazolidinediones in patients with precautionary conditions or medications. *Primary Investigator.* Proposal Submitted Oct 2002. [Abstract/Poster]. Accepted to General Poster Session at ASHP Clinical Midyear Meeting. New Orleans, LA. Dec 2003

Strategy of Satisfying Drug Information Requirements in ASHP Accredited Pharmacy Practice Programs. *Investigator.* Proposal Submitted Aug 2002. [Abstract/Poster/Publication] Accepted to General Poster Session at ASHP Clinical Midyear Meeting in Atlanta, GA. Dec 2002

Clinical Research: Funded

Submitted without decision:

BPS Seed Grant

10/1/20-6/30/2021

Measuring Impact and Access of Pharmacist-Led Chronic Care Management (CCM) Services in a Rural Family Medicine Clinic

Principle Investigator: Christina DeRemer, PharmD, BCPS, BCACP TTS, FASHP

Sub-Investigator: Eric Dietrich, PharmD, BCACP, CPC, CPB, CEMC; Andrew Tenpas, PharmD; Jason Konopack, MD, M.P.H.

Requested for \$5000

Submitted with decision:

PROSPER: AWARDED

3/2020-3/2021

Comparing Cardiovascular Benefits between GLP-1 Receptor Agonist and SGLT2 Inhibitor

Agents: a Retrospective Cohort Study

Principle Investigator: Hui Shao, MBBS, MHA, PhD and **Christina E. DeRemer**, PharmD, BCPS, BCACP, FASHP

Sub-Investigator: Scott Martin Vouri, PharmD, PhD, BCGP

Requested for \$33,000 (No FTE contribution)

ASHP Pharmacy Resident Practice-Based Research Grant – AWARDED 1/2020-6/2020

Assessing the impact of rural-based ambulatory pharmacist on diabetes care through perceptions of advanced monitoring technologies

Principal Investigator: Jeremy Sparks, PharmD

Faculty Advisor: **Christina E. DeRemer**

Sub-investigator: Christina E. DeRemer and Jason Konopack

Awarded for \$4,666.00 (no FTE)

Pfizer Global Medical Grants – DENIED

Implementing the National Diabetes Prevention Program in Florida—a Pharmacist-Led Outreach & Intervention Program at Community Pharmacies

Principal Investigator: Hui Shao, MBBS, MHA, PhD

Sub-Investigator: **Christina E. DeRemer**, Stacy Curtis, and Scott Vouri

Requested for \$50,000 (2.5% FTE for year 1)

ARISTA Grant - AWARDED

7/2020 – 2/2022

Trajectories of apixaban for extended treatment of recurrent venous thromboembolism: a retrospective cohort study

Principal Investigator: Haesuk Park, PhD, RPh

Sub-Investigator: Joshua Brown, Jenny Lo Ciganic, Eric Dietrich, and **Christina E. DeRemer**

Awarded for \$800,000 (3% FTE for year 1, to be amended for year 2)

PROSPER: Clinical Faculty Seed Grant - DENIED

Comparing cardiovascular benefits between GLP-1 receptor agonist and SGLT2 inhibitor agents: a retrospective population-based cohort analysis

Principal Investigator: **Christina E. DeRemer**, PharmD, BCPS, BCACP, FASHP

Sub-Investigator: Scott Martin Vouri, PharmD, PhD, BCGP and Hui Shao, MBBS, MHA, PhD

Requested for \$10,000 (no FTE contribution)

Shands-Quasi Endowment Fund – AWARDED AWD06735

7/2019-6/2020

Increasing osteoporosis screening and management through collaborative interprofessional rural clinic design

Principal Investigator: **Christina E. DeRemer**, PharmD, BCPS, BCACP, FASHP

Sub-Investigator: Elise Carpenter, RPh, Pharm D, BSPS in MBC, BSPS; Karina Quinn, BSN, RN, and Brian Fitzgerald, MD

Awarded for \$11,190 (no FTE contribution)

WellFlorida: Diabetes Self-Management Education (DSME) program – AWARDED

AWD06365

4/2019-11/2019

CLOSED: Building DSME work plan

Principal Investigator: **Christina E. DeRemer**, PharmD, BCPS, BCACP, FASHP

Sub-Investigator: Michelle Farland, PharmD, BCACP, CDE

Awarded for \$10,000 (PI: 3.4% FTE)

Sponsored Thrombosis Research Institute: London, United Kingdom

Closed: Global Anticoagulant Registry in the FIELD observing treatment and outcomes in patient with treated acute Venous Thromboembolic Events in the real world (GARFIELD)

Protocol Number: TRI08889.

Principal Investigator: Jaspal Gujral, MBBS, FRCP(E), FACP

Sub-investigator listed at GRHealth: **Christina DeRemer**, Pharm.D., BCPS, Samuel

Anderegg, Pharm.D., MS

(no position funding)

Sponsored National Institutes of Health: National Heart, Lung, and Blood Institute

Closed: Bridging Anticoagulation in Patients who Require Temporary Interruption of Warfarin Therapy for an Elective Invasive Procedure or Surgery (“BRIDGE”)

Protocol Number: 1U01-HL-086755-01A1

Principal Investigator: Jaspal Gujral, MBBS, FRCP(E), FACP

Sub-investigator list at GRHealth: Buelah Williams, MD; **Christina DeRemer**, Pharm.D.,

BCPS, Hazem Elewa, RPh, PhD, BCPS, Jane Keller, Pharm.D., BCPS

Contracted for \$246,000.00 (no position funding)

Closed: Clarification of Optimal Anticoagulation through Genetics (COAG study)

Principal Investigator: Jaspal Gujral, MBBS, FRCP(E), FACP

Sub-investigator listed at GRHealth: **Christina DeRemer**, Pharm.D., BCPS, Hazem Elewa,

RPh, PhD, BCPS, Jane Keller, Pharm.D., BCPS

Contracted for \$162,000.00 (no position funding)

Policy Development @ Augusta University Medical Center

2017 Hypoglycemic protocol management

Insulin protocol and dispensing processes

Development of pre-surgical process for newer oral anticoagulants

- PRN medication use
- Update on VTE assessment plan in collaboration with team: collaboration with Drs. Davis and Merchen
- Proposed change to distributive process for insulin (move from floor stock to accudose)
- MUE assessment and edits to heparin weight based protocol: collaboration with S. Hoge
- Enoxaparin per protocol rounding process: Newsome/Gasbarro
- 2016 Posted and completed: update to reversal agent algorithm for anticoagulants: Newsome/Gasbarro
- 2015 Update and edits to supplemental insulin power plan with team (endocrine)
- 2014 Position Justification: 1 FTE used for integration in Medicine Team to reduce coverage ratio to 1:40 pts
- 2012-2014 Development and implementation of adult heparin power plans (Implemented adult hospital – April 2014)
 - Cardiac/stroke
 - VTE
 - Post-surgery
- Developed educational materials
- Assisted in development of computerized order entry process
- Conducted/ lead prescriber, pharmacist, and nursing in-services
- April 2012 Development of reversal protocol for newer oral anticoagulants
- 2007- 2013 Development and implementation of supplemental scale protocol (implemented house wide: July 2013)
- Re-open 2015 Collected baseline data periodically (precepted students/PGY1 residents)
 - Developed educational materials
 - Assisted in development of computerized order entry process
- 2010 Policy Development for MCGHI Anticoagulation Clinic. Assisted in developing:
 - Collaborative Practice Agreement
 - Clinical Directives for Anticoagulation Management
 - Patient Contract
 - Billing Provisions

Medical Use Evaluations: Information collected, presented (P&T) and policy development Completed @ Augusta University Medical Center

- Aug 2015: McMichael - POC INR impact through HCT
- Aug 2015: C. Campbell/McMichael - hypoglycemia
- Aug 2014: C. Campbell - Supplemental Insulin Use
- Aug 2014: S. Hoge - Heparin weight based powerplan use
- June 2014: waste collection for insulin product stored as floor stock
- July 2013: Comparison of INR ranges between clinic patients followed in clinic versus outpatient/phone management
- June 2013: Tracking of enoxaparin administration locations
- Feb 2012: Use of IV acetaminophen and adherence to policy
- Dec 2011: Use of Fosfomycin for in-patients
- Dec 2010: Use of Dextrose 50% Solution within health system
- Dec 2009: Lansoprazole use across various practice sites
- Dec 2009: Adherence to pharmacist education on warfarin therapy prior to discharge
- Dec 2009: Assessment of sliding scale insulin use and efficacy
- Dec 2008: Use of nurse initiated hypoglycemia protocol
- Dec 2007: Enoxaparin use for bridge therapy prior to discharge

Dec 2006: Percent time within therapeutic range for warfarin patients managed in Continuity Care Medicine Clinic
Dec 2006: Use of Phytonadione

Professional Affiliations/Committees

Academic UF COP:

Aug 2019 - present UF COP – ACPE Committee on Experiential
July 2019 - present UF COP Faculty Governance Council
June 2019 - present UF COP Clinical Metric Tracking Committee
Sept 2018 - present University of Florida College of Pharmacy: Scholarship and Awards Committee
Sept 2018 - present University of Florida College of Pharmacy: Faculty Awards Committee
2018 – 2019 University of Florida College of Pharmacy and Shands Residency Advisory Committee (RAC)

University of Florida

July 2019- present Faculty Senate Representative for College of Pharmacy

Institutional at Augusta University Medical Center:

April 2017 – Aug 2017 Pharmacy representation on Diabetes Education/Management Task Force
Dec 2015 – Aug 2017 Resumed with AUMC Residency Advisor Committee (RAC)
2015 – Aug 2017 AUMC Chair: Pharmacy Related Anticoagulation Task Force
2015 – 2016 UGA Technical Standards Committee: Clinical preceptor representation: completed report
2014 – Aug 2017 Performance Improvement for Engagement at AUMC
Assigned subcommittees:
1. Dept. of Medicine Pharmacy representation: To improve Physician Communication
2. HCAHPS medication education performance improvement team
2013 – Aug 2017 AUMC Pharmacy Medicine Team meeting – Coordinator/Facilitator
2013 - Aug 2017 AUMC Med Recon Team
2012 – Aug 2017 AUMC Department of Medicine Quality Council: Pharmacy representative: monthly meeting

Alumni 2001 – present

2002 – 2004 Pennsylvania Society of Health-System Pharmacists
Western Pennsylvania Society of Health-System Pharmacists Chapter

1996 – 2003 American Pharmaceutical Association – ASP
1996-1998: Freshman Representative
2001 University of the Sciences in Philadelphia - Patient
Counseling Representative. APhA-ASP Annual meeting. San
Francisco, CA. Mar 2001

Community Service

Aug 2015 – Aug 2017 Warren Baptist Church Youth Leader
Jan 2015 - Aug 2017 Patient Family Centered Care – Emergency Preparedness
Community Outreach – Pharmacy table/topic: Medication
preparedness

March 2013 – Aug 2017 Heart Walk participant/contributor
Sept 2012 – Aug 2017 Light the Night participant/contributor
June 2007 - Aug 2017 Community Outreach Pharmacy Program
Monthly preceptor for student/resident presentation
Diabetes: disease state, medication review
Osteoporosis: disease state, medication review

Oct 2005 - Jan 2006 St. Vincent DePaul Health Center (monthly attendance)
July 2003 – July 2004 Birmingham Clinic, Pittsburgh, PA (weekly attendance)
July 2002 – July 2004 Bethlehem Haven Shelter, Pittsburgh, PA (weekly attendance)
July 2002 – June 2003 Women’s Center, Pittsburgh, PA (monthly attendance)
April 15, 2002 Educator/Speaker with Norman Kritz, RPh – Respect for
Drugs

Feb 2002 Cherry Hill Elementary School. Cherry Hill, NJ
Science Fair Exhibition - Judge. Woodland Elementary School
Philadelphia, PA

May 2000-Jan 2001 Drug Information Specialist. Jeff Hope Community Outreach
Philadelphia, PA (weekly attendance)

Awards and Recognition

2020: University of Florida COP Exemplary Clinician
2019: Recognized as UF COP: Year 1 Teaching Team Award: Stacy Curtis, Robert Navarro,
and Christina DeRemer for Principles of Systems Based Practice
2018: Recipient of \$500 scholarship to American Association of Diabetes Educators (AADE)

Core Concepts Course

- 2017: Awarded Georgia Society of Health System Pharmacist Outstanding Committee Chair for Education Committee
- 2016 Fellow of American Society of Health-System Pharmacist (FASHP)
- 2016-2017: Nominated for Preceptor of the Year from the University of Georgia College of Pharmacy
- 2016: Augusta University Department of Pharmacy: Employee of the Month - August
- 2015: Awarded Outstanding Pharmacy Practitioner Award from the Georgia Society of Health-System Pharmacist
- 2015: Section of Inpatient Care Practitioners Featured Member: September
<http://www.ashp.org/menu/MemberCenter/SectionsForums/SICP.aspx>. Accessed: 9.21.2015
- 2015: Awarded Georgia Society of Health System Pharmacist Outstanding Committee Chair for Education Committee
- 2014-2015: Nominated for Preceptor of the Year from the University of Georgia College of Pharmacy
- 2015: Awarded Golden Pen Award from Georgia Regents Health System
- 2015: Nominated for the American Association of Colleges of Pharmacy (AACP) Master Preceptor Recognition Program
- 2013-2014: Nominated for Preceptor of the Year from the University of Georgia College of Pharmacy
- 2012-2013 Awarded Preceptor of the Year from the University of Georgia College of Pharmacy
- 2013 Academic Promotion from Clinical Assistant to Clinical Associate Professor
- 2011 Awarded MCG Health Team Work Award (DeRemer, Keller, Elewa, Jones, Jefferson, and Gujral) Ambulatory Pharmacy Services – Anticoagulation Clinic
- 2011 Nominee for Patient Family Center Care: Family Choice Award
Ambulatory Pharmacy Services – Anticoagulation Clinic
- 2011 News of Excellence MCG Health – featured article: Anticoagulation Clinic Celebrates First Year
- 2009 Awarded Outstanding Pharmacy Practitioner Award from the Georgia Society of Health-System Pharmacist
- 2008 Dining with Don Accolades
- 2007-2008 Awarded Preceptor of the Year from the University of Georgia College of Pharmacy
- 2002 Awarded TEVA – Outstanding Student and Peer Teaching Award
