

*Curriculum Vitae***Randy C Hatton****COLLEGE OF PHARMACY ADDRESS:**

Department of Pharmaceutical Outcomes and Policy  
 College of Pharmacy, University of Florida  
 Gainesville, Florida 32610-0486  
 e-mail: [hatton@ufl.edu](mailto:hatton@ufl.edu)

**PROFESSIONAL DATA HEALTH ADDRESS:**

528B Tarpon Ave  
 Fernandina Beach, FL 32034  
 (352) 262-0736 Mobile  
 e-mail: [professional.data.health@gmail.com](mailto:professional.data.health@gmail.com)

**PHARMACY LICENSURE:**

Florida 1979  
 Illinois 1977

PS 17317  
 51-31617 (Inactive)

**EDUCATION:**

Post-Doctoral Fellowship UF	1982-1983	
University of Florida	1980-1982	Doctor of Pharmacy
St. Louis College of Pharmacy	1974-1977	Bachelor of Science in Pharmacy (Highest Honors)
Western Illinois University	1972-1974	Pre-Pharmacy

**BOARD CERTIFICATIONS:**

Board Certified Pharmacotherapy Specialist (BCPS)	1991
Recertified	1998, 2005, 2012

**CERTIFICATES:**

The FDA and Prescription Drugs: Current Controversies in Content. HarvardX. April 14, 2019

**PROFESSIONAL EXPERIENCE:**

9/14 – Present Clinical Professor, Director, Online Master's track in Medication Safety and Quality Systems (3/16-Present) Co-Director, Pharmaceutical Value and Communications track.  
 The University of Florida, College of Pharmacy

Positions in the College of Pharmacy include teaching graduate students in the Department of Pharmaceutical Outcomes and Policy. Previous positions include being the Academic Director of the second year of the College of Pharmacy's curriculum (8/14-6/15). Throughout my time in the college I have taught Evidence-based Pharmacy courses and content throughout the first three years of pharmacy school in various classes (through 3/18). Course Director for Patient Care 2 (Infectious Diseases and Oncology; 2017), Principles of Evidence-based Practice, and Patient Safety and Quality in Pharmacy. Appointed to direct the online Master's Program in Medication Safety in 2016. Director of Medical Communications Master Track in 2018. Teach Foundations I and II for the Masters of Pharmaceutical Sciences degree and Patient Safety and Quality Program Evaluation. Starting in April 2018 practice part-time with the College and CEO of Professional Data Health.

7/13 – Present Chief Executive Officer, Professional Data Health, Inc.  
 Newberry, Florida

Leader of a consulting company that develops health care software and provides expert consultations for formulary management, disease management program development, database development, medical writing and editing, continuing education, and expert legal advice.

1/16 – 12/19      Editor-in-Chief, DrugInfoLine (American Pharmacists Association)

Curate current vital articles in the literature regarding drug therapy related to Alternative Medicines, Anticoagulation, Asthma, Cardiology, Diabetes Care, Drug Interactions, Endocrinology, Gastroenterology, HIV, Immunizations, Lipid Care, Infectious Diseases, Nephrology, Neurology, Oncology, Over-the-Counter Medicines, Pharmacogenomics, Psychiatry, Respiratory Care, and Rheumatology. Edit and write content for the site and assess the readership to modify the emphasis of the material.

6/95 – 9/14      Clinical Professor (6/95-9/14)  
The University of Florida, College of Pharmacy

Teach Evidence-based Pharmacy, Independent Case Studies, and other classes as a member of the Department of Pharmaceutical Outcomes and Policy of the University Of Florida, College Of Pharmacy. Initial member of a professional advisor/mentor program for all pharmacy students.

1/14-9/15      Clinical Pharmacist, Internal Medicine Service, UF Health Shands Hospital and Clinical Professor, College of Pharmacy

Rounded on a general internal medicine service at UF Health Shands Hospital. Provide clinical pharmacy services while supervising working-professional doctor of pharmacy students. In addition to approving all student recommendations, students were graded on their competencies.

5/13 – 01/14      Senior Consultant, Visante, Inc.

Consultant for an international health care consulting company for health systems, managed care, and governments. Project manager for a heart failure management program to improve patient outcomes, performance measures, and reimbursement.

8/86 – 7/13:      Director, Drug Information Service (06/09-07/13)  
Director, Shands Block College of Pharmacy Clerkship Program (08/10-07/13)  
Co-Director, Drug Information Service (08/86-05/09)  
Shands Hospital at the University of Florida  
Clinical Professor (6/95-7/13)  
Clinical Associate Professor (7/90-5/95)  
Clinical Assistant Professor (7/85-6/90)  
University of Florida College of Pharmacy

Responsibilities included management, service, education, and research in the area of drug information. Management activities include budgeting, quality assurance, planning, and direction of students, residents, and clerical personnel as Director of the Drug Information and Pharmacy Resource Center. Also, as Secretary of the Pharmacy and Therapeutics Committee and Chair of the Formulary Subcommittee (of the P&T Committee), significant experience with drug policy and inter-departmental issues was gained. This was balanced with continued clinical involvement, including answering drug information requests and preparation of drug evaluations and drug use policies. As Editor and primary author of the Pharmacy Department-P&T Committee Newsletter, continue to develop writing, editing, and publishing skills. Administrative experience occurred by sharing the pharmacy administrator on-call responsibilities. Educational expertise includes the conceptualization, development, implementation, and coordination of block scheduling for 20 University of Florida Advance Pharmacy Practice experiences for their entire year. For 23 years, was responsible for the adverse drug reaction reporting program and reviewed and assessed causality for more than 8,000 adverse drug reactions reported at UF Health Shands Hospital. Helped develop medication safety initiatives and was a member of the Medication Safety Committee. Lead an effort to improve computer alerts to decrease alert fatigue while emphasizing important clinical decision support.

7/85 - 8/86      Team Leader and Clinical Pharmacist, Medicine  
Shands Hospital at the University of Florida  
Clinical Assistant Professor  
University of Florida College of Pharmacy  
Gainesville, Florida

Responsibilities included the provision and development of clinical pharmacy services on a general medicine ward. Served as a role model and resource person for three staff pharmacists in a decentralized pharmacy system. Educational activities included lecturing in Therapeutics, Pharmacology (for Physician's Assistants), and Clinical

Clerkship.

10/84 - 7/85     Staff Pharmacist, South Seminole Community Hospital  
Longwood, Florida

Part-time, weekend position at a small community hospital in Longwood, Florida. Responsible for one technician and one clerk. The purpose of this position was to keep me involved in hospital pharmacy while doing research and development for Travenol Laboratories.

7/84 - 7/85     Clinical Pharmacist, Pharmacokinetics  
Dynamic Control Division of Travenol Laboratories [Baxter]  
Longwood, Florida

Responsibilities included the development of a pharmacokinetic software system for personal computers, staff education in pharmacokinetics, and the participation in the development of a hospital pharmacy computer system for the IBM S/38. Designed drug-drug interaction alerts.

7/83 - 7/84     Visiting Instructor  
University of Florida College of Pharmacy and Shands Hospital  
Gainesville, Florida

Responsibilities included the provision of clinical pharmacology and pharmacokinetic consultation services to the adult population of Shands Hospital in conjunction with the Division of Pharmacology of the Department of Medicine. Educational activities included lecturing to undergraduate and Doctor of Pharmacy students in the areas of oncology and pharmacokinetics; development of an adult internal medicine rotation for pharmacy students; clinical instruction of fourth-year medical students; and clinical research.

7/82 - 7/83     Post-Doctoral Fellow (Pharmacokinetics/Clinical Pharmacology)  
Colleges of Pharmacy and Medicine and Shands Hospital  
University of Florida  
Gainesville, Florida

Responsibilities included the day-to-day operation of a physician-requested clinical pharmacology consultation service; education of Doctor of Pharmacy and medical students; and in-services for medical house staff. Gained experience writing grants and performing research.

6/81 - 6/82     Clinical Clerkships  
Shands Teaching Hospital, Gainesville Veterans Administration Medical Center,  
and the Family Practice Group  
Gainesville, Florida.

As partial fulfillment of a post-B.S., Pharm.D. degree participated in twelve months of rotations, including Internal Medicine, Drug Information, Pharmacokinetic Laboratory, Pediatric Pharmacokinetics, Family Practice, Family Practice (pharmacokinetics), Psychiatry, Geriatrics, Toxicology, Parenteral Nutrition, Critical Care, and Pediatrics.

1/81 - 12/81     Part-Time Community Pharmacist, Gresham's Northgate Drugs  
Gainesville, Florida

Weekend position in a small community pharmacy.

6/80 - 6/82     Teaching Assistant  
University of Florida College of Pharmacy  
Gainesville, Florida

Clinical Instructor for fifth year (B.S.) pharmacy students and third-year pharmacy students; and, lecturer in Non-Prescription Products course.

1/78 - 6/80     Instructor in Health-Related Professions  
Illinois Central College  
East Peoria, Illinois

Developed and taught a course, Current Concepts of Medications, for nursing students.

5/77 - 6/80      Staff/Nutrition Support Pharmacist  
Methodist Medical Center  
Peoria, Illinois

Responsibilities included establishment and participation in a multi-disciplinary nutritional support service; managing an IV center; establishment and editing a pharmacy newsletter; maintenance of drug information resources; and, all professional activities of a staff pharmacist.

9/74 - 5/77      Teaching/Research Assistant in Physiology  
St. Louis College of Pharmacy  
St. Louis, Missouri

A work-study position that included assistance in physiology laboratory, animal research, and assistance in the Medical Terminology course.

7/73 - 5/77      Pharmacy Apprentice  
Methodist Medical Center  
Peoria, Illinois

Full-time position during summers and holidays, including all aspects of hospital pharmacy practice. Began as a messenger delivering medications; typed prescription labels, filing, and other clerical functions; worked in pharmacy stores area; then assisted pharmacists in all areas of the department.

---

**COMMITTEE APPOINTMENTS:**

United States Pharmacopoeia (USP) Generic Drug Pronunciation Expert Panel 2017-present  
University of Florida College of Pharmacy, Faculty Governance Committee 2016-2018  
University of Florida College of Pharmacy, Impaired Professionals Committee 2016-2018  
University of Florida College of Pharmacy, Admissions Committee 2015-2016  
Shands Personalized Medicine Subcommittee 2012-2013  
ASHP Research & Education Foundation Student Research Award Selection Panel 2011  
University of Florida College of Pharmacy Adult Medicine APPE Task Force 2011-2013  
University of Florida College of Pharmacy Professional Experience Programs Advisory Committee 2011  
UF College of Medicine's Industry-Academic Relations Committee 2010-2013  
Shands Formulary Subcommittee (Chairman) 1999-2013  
Shands Hospital Pharmacy and Therapeutics Committee (Secretary) 1986-2013  
Veteran's Administration Pharmacy and Therapeutics Committee 1990-2013  
Florida Patient Safety Corporation Scientific Research Committee 2005-2008  
Novation Clinical Pharmacy Council 2006-07  
ASHP Research & Education Foundation Basic Science-Therapeutics Research Grant Selection Panel – 2001.  
ASHP Research and Education Foundation Drug Therapy Research Awards Program Selection Panel – 1999, 2001-10  
University of Florida, College of Pharmacy, Admissions Committee 1996-1999  
Medication Use Evaluation and Education Subcommittee (of the P&T Committee) 1986-1998.  
Faculty Search Committee, University of Florida, College of Pharmacy 1997-1998.

#### EDITORIAL BOARDS & ADVISORY PANELS /JOURNAL REVIEW:

Editorial Advisory Board *Pharmacy Today* 2020 – present.  
The *Annals of Pharmacotherapy* Editorial Advisory Panel on Drug Information 2003 - present.  
Reviewer for The Annals of Pharmacotherapy (formerly Drug Intelligence and Clinical Pharmacy) 1982 – present.  
Reviewer for *JAMA* 2013  
Reviewer for the *International Journal of Clinical Pharmacy* 2011 – 2018  
Editor Board, *ISRN Pharmaceuticals* 2011 - 2012  
AthleteInMe.com Advisory Board 2003 – present.  
Medical Advisory Board for HealthScout ([www.healthscout.com](http://www.healthscout.com)) 2000.  
Medical and Scientific Advisory Committee for Gold Standard Multimedia ([www.gsm.com](http://www.gsm.com)) 2000 - 2002.  
Reviewer for *Pharmacotherapy* 1997 - present.  
Reviewer for the *Journal of Pharmacy Technology* 1994 - present.  
Consulting Editor for Clinical Pharmacology Online from 1994 - 2009.  
Consulting Reviewer for the *Florida Journal of Hospital Pharmacy* 1988 - 2000.  
Consultant/Contributor to the Formulary Information Exchange (the F.I.X.) 1987 - 1996.

Editorial Board for Your Medicine, a consumer-oriented drug information newsletter/magazine, 1990 - 1992.  
Guest Editor for the *Florida Journal of Hospital Pharmacy*, November/December 1989 issue.  
Editorial Advisory Board, Clinical Pharmacokinetic Panel, *Drug Intelligence & Clinical Pharmacy* 1987 - 1988.

**PRESENTATIONS:**

Closing Keynote Address: Pharmaceutical Quality Problems & Potential Solutions—Scientific Fraud, Quality Control Monitoring, a Reliable Supply Chain, and Appropriate Incentives. Presented online for the Spring 2021 Seminar for the Master of Science in Pharmacy Program for the Department of Pharmaceuticals Outcomes & Policy. Gainesville, Florida. March 7, 2021.

The Drug Approval Process and Covid-19 Drugs. Online Continuing Education Program for the University of Florida Division of Continuing Education. April 9, 2020.

Lessons Learned. Presented to the Student Organization Annual Retreat (SOAR). University of Florida, College of Pharmacy. Gainesville, Florida, April 2018.

Journal Club for Preceptors. Presented to the Florida Society of Health-System Pharmacists. August 2017.

University of Florida and Shands Hospital Residency Commencement Address: Three Stories. Gainesville, Florida, June 2015.

Journal Club for Preceptors. Recorded video for the University of Florida, College of Pharmacy, Division of Continuing Pharmacy Education. March 2015.

My Practice as a Drug Information/Evidence-based Medicine Specialist. Presented to the University of Florida Chapter of the Student National Pharmacist Association. Gainesville, Florida. October 2014.

Continuing Pharmacy Education: The Past, Present, and Future? Presented to the University of Florida, College of Pharmacy Faculty. Gainesville, Florida. May 2014.

Journal Club Article Review: Apixaban versus Warfarin. Presented to the Working Professional Doctor of Pharmacy Facilitators. Orlando, Florida. April 2014.

Journal Club Article Review: Apixaban versus Warfarin. Presented to the Working Professional Doctor of

Pharmacy Facilitators. Orlando, Florida. December 2013.

Preparing for Job Applications and Interviewing: Professional Behaviors. Presented to the University of Florida College of Pharmacy Student Organization Symposium. Gainesville, Florida. November 2013.

The Role of a P&T Committee in the Implementation of Pharmacogenomics. Gainesville, FL. Presented to Mini-Medical School. Gainesville, Florida. November 2013.

Basics Stats Review for the BCPS Exam. Presented to the Tampa General Pharmacy Department. Tampa, FL. September 2013.

The Future of Pharmacy. Presented to the Student Chapter of the Florida Society of Health-System Pharmacists. Gainesville, FL. September 2013.

FSHP Clerkship Forum: Block Scheduling. Presented to the Florida Society of Health-System Pharmacists. Orlando, Florida. August 2012

Formulary Management & Principles. Presented to the Miami-Dade Ryan White Program Advisory Committee. Miami, Florida. April 2011.

Basic Statistical Concepts. Presented at the Research Academy of the American College of Clinical Pharmacy, Columbus, Ohio, April 2011.

Common Statistical Tests. Presented at the Research Academy of the American College of Clinical Pharmacy, Columbus, Ohio, April 2011.

Off-Label Drug Use: The Hospital Perspective. Presented at the Spring 2011 Seminar for the Master of Science in Pharmacy Program for the Department of Pharmaceuticals Outcomes & Policy. Gainesville, Florida, March 2011.

Basic Statistical Concepts. Presented at the Spring meeting of the American College of Clinical Pharmacy, Charlotte, North Carolina, April 2010

Common Statistical Tests. Presented at the Spring meeting of the American College of Clinical Pharmacy, Charlotte, North Carolina, April 2010

Biostatistics Refresher. Presented to the North Central Florida Society of Health-System Pharmacists, Gainesville, Florida, October 2009.

Statistics for Dummies. Presented to the Florida Society of Health-System Pharmacists, Orlando, Florida, August 2009.

Is Oral Phenylephrine Effective- Update? Presented to the Evidence-Based Medicine Class at St. Louis College of Pharmacy. St. Louis, Missouri. April 2009.

Basic Statistical Concepts. Presented at the Spring meeting of the American College of Clinical Pharmacy, Orlando, Florida, April 2009.

Common Statistical Tests. Presented at the Spring meeting of the American College of Clinical Pharmacy, Orlando, Florida, April 2009.

Tales from the Front: Ethical Interactions with Industry. Moderator of a panel discussion at the American College of Clinical Pharmacy Annual Meeting. Louisville, Kentucky, October 2008.

New Drug Update. Presented to the Florida Society of Health-System Pharmacists Annual Meeting. Orlando, Florida, August 2008.

The Use of Observational Data to Identify Potential Drug Safety Issues: Estrogen's Failure versus Aprotinin's Success. Presented to the North Central Florida Society of Health-System Pharmacists. Gainesville, Florida, July 2008.

Evidence-Based Medicine—Myth--Busters: Is Oral Phenylephrine Effective? Presented to the Evidence-Based Medicine Class at St. Louis College of Pharmacy. St. Louis, Missouri. April 2008.

Efficacy and Safety of Oral Phenylephrine: Systematic Review and Meta-Analysis. Presented to the FDA Nonprescription Drugs Advisory Committee. December 2007.

New Drug Review: Paliperidone [Invega®]. Presented to the North Central Florida Society of Health-System Pharmacists. Gainesville, Florida, December 2007.

Guidelines for Ethical Interactions with Industry. Presented to the American College of Clinical Pharmacy. Denver, Colorado, October 2007.

New Drug Review: Varenicline [Chantix®]. Presented to the North Central Florida Society of Health-System Pharmacists. Gainesville, Florida, November 2006.

Penicillin-Cephalosporin Cross-Reactivity. Presented to the Department of Anesthesiology, University of Florida. Gainesville, Florida, July 2005.

A Reassessment of Drug Interactions in a Technologically Advanced Healthcare System. Presented to the North Central Florida Society of Health-System Pharmacists. Gainesville, Florida, August 2005.

Formulary Management and Principles. Presented at the Critical Access Hospital Medication Safety Summit. Gainesville, Florida, April 2005.

Use of Expert Panels for Formulary Decision Making. Presented to A Joint Meeting of the Pharmacy Council and P&T Chairs of the University Hospital Consortium, Las Vegas, Nevada, June 2004.

N-Acetylcysteine for the Prevention of Radiocontrast-Induced Nephropathy: An Evidence-Based Review. Presented at the Florida Society of Hospital Pharmacists Fall Meeting. Jacksonville, Florida, November 2003.

General Drug Information References. Presented at the Critical Access Hospital Medication Safety Summit. Gainesville, Florida, November 2003.

Electronic Tertiary Drug Information References. Presented to the American College of Clinical Pharmacy. Atlanta, Georgia, November 2003.

Analysis of "Preventable" Adverse Drug Reactions. Presented to the American Society of Health-System Pharmacists. New Orleans, Louisiana, December 2001.

Why Do We Monitor Levels? Presented to pharmacists working towards their credentials in clinical pharmacy. Ostfildern, Germany, June 2000.

Vancomycin Pharmacokinetics. Presented to pharmacists working towards their credentials in clinical pharmacy. Ostfildern, Germany, June 2000.

Phenytoin Pharmacokinetics. Presented to pharmacists working towards their credentials in clinical pharmacy. Ostfildern, Germany, June 2000.

The Economic Impact of Clinical Pharmacy: Medication Cost Management Initiatives. Presented to pharmacists working towards their credentials in clinical pharmacy. Ostfildern, Germany, June 2000.

Narrow Therapeutic Index Drugs? Bioequivalency Battles. Presented to pharmacists working towards their credentials in clinical pharmacy. Ostfildern, Germany, June 2000.

Introduction to Scientific and Clinical Inquiry: Beginning with the End in Mind. Presented to the American College of Clinical Pharmacy. Kansas City, Missouri, October 1999.

Assessing and Documenting the Impact of Drug Formularies in Hospitals and Communities. Presented to the International Congress on Clinical Pharmacy. Orlando, Florida, April 1999.

Evidence-Based Medicine: Critical Evaluation of the Literature. Presented to the Florida Society of Health-System Pharmacists' Spring Meeting. Ft. Lauderdale, Florida, March 1999.

Answering Drug Information Questions. Videotape for the University of Florida Working Professional Doctor of Pharmacy Program. December 1998.

Clinical Applications of Biostatistics. Presented to the Yale-New Haven Medical Center Pharmacy Department. New Haven, Connecticut, August 1998.

Interpreting the Results of Statistical Analyses: Workshop. Presented to the American College of Clinical Pharmacy Spring Practice and Research Forum. Palm Springs, California, April 1998.

Clinical Application of Biostatistics: The t-Test and Beyond. Presented to the American College of Clinical Pharmacy Spring Practice and Research Forum. Palm Springs, California, April 1998.

A Pharmacist's Guide to Useful Internet Sites. Presented to the North-Central Florida Society of Health-System Pharmacists. Gainesville, Florida, January 1998.

A Pharmacist's Guide to Useful Internet Sites. Presented to the Florida Society of Health-System Pharmacists. Orlando, Florida, August 1997.

Adverse Drug Reactions: Monitoring, Reporting, and Prevention. Presented to the North Central Florida Society of Health-System Pharmacists and the Alachua County Association of Pharmacists. Gainesville, Florida, March 1997.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1996.

Types of Research Data and Basic Study Design. Presented at the Winter Practice and Research Forum of the American College of Clinical Pharmacy. Monterey, California, February 1996.

Continuous Data: t-Test and Analysis of Variance. Presented at the Winter Practice and Research Forum of the American College of Clinical Pharmacy. Monterey, California, February 1996.

Workshop: Continuous Data--t-Test and Analysis of Variance. Presented at the Winter Practice and Research Forum of the American College of Clinical Pharmacy. Monterey, California, February 1996.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1995.

Updates in Pharmacotherapy--Miscellaneous New Drugs 1994. Presented at the Winter Practice and Research Forum of the American College of Clinical Pharmacy. Orlando, Florida, February 1995.

Justifying a Pharmacokinetic Service. Presented as part of Applying Clinical Pharmacokinetics: a 5-day

Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1994.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1994.

How to Evaluate a Research Article. Presented at the Georgia Society of Hospital Pharmacists Midyear Meeting. Atlanta, Georgia, February 1994.

Review of Biostatistics I and II. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. San Diego, California, February 1994.

Retrieval and Evaluation of the Biomedical Literature Workshop. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. San Diego, California, February 1994.

Applied Statistics Workshop. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. San Diego, California, February 1994.

Pharmacotherapy of H2 Antagonists: How to Identify Drug-Related Problems Associated with this Therapeutic Class and Develop Patient-Specific, Outcome Oriented Therapeutic Care Plans to Improve Your Patient's Quality of Life. Institutional Workshops. Presented for the Florida Pharmacy Association. Sarasota, Florida, December 1993.

The Relationship of Pharmacists to Drug Manufacturer's Representatives: Are Our Goals Similar? Presented to the North Central Florida Society of Hospital Pharmacists. Gainesville, Florida, August 1993.

Understanding Biostatistics. Presented at the Florida Society of Hospital Pharmacists' 27th Annual Meeting. Orlando, Florida, August 1993.

Justifying a Pharmacokinetic Service. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1993.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1993.

Understanding Biostatistics. Presented at the Florida Society of Hospital Pharmacists' 1993 Midyear Meeting. Ft. Lauderdale, Florida, April 1993.

Principles in Drug Literature Evaluation. Presented at the Florida Society of Hospital Pharmacists' 1993 Midyear Meeting. Ft. Lauderdale, Florida, April 1993.

Key Concepts in Literature Evaluation. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. Ft. Lauderdale, Florida, February 1993.

Review of Biostatistics I and II. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. Ft. Lauderdale, Florida, February 1993.

Statistics: Applications and Problem Solving Workshop. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy. Ft. Lauderdale, Florida, February 1993.

Review of Biostatistics I and II. Presented to the Indiana College of Clinical Pharmacy. Indianapolis, Indiana, October 1992.

The American College of Clinical Pharmacy Position Statement on Guidelines for Pharmacists' Interactions with the Pharmaceutical Industry. Presented at the Town Hall Meeting of the Annual Meeting of the American College of Clinical Pharmacy. Toronto, Ontario, Canada, August 1992.

Key Concepts in Literature Evaluation. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy and the Illinois College of Clinical Pharmacy. Chicago, Illinois, June 1992.

Review of Biostatistics I and II. Presented as part of a Pharmacotherapy Exam Preparatory Course for the American College of Clinical Pharmacy and the Illinois College of Clinical Pharmacy. Chicago, Illinois, June 1992.

Justifying a Pharmacokinetic Service. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1992.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1992.

Justifying a Pharmacokinetic Service. Presented at St. Elizabeth Hospital Medical Center. Youngstown, Ohio. May 1992.

Drug Dosing in Patients with Renal Dysfunction and Patients on Dialysis/Problem Session. Presented at St. Elizabeth Hospital Medical Center. Youngstown, Ohio. May 1992.

Vancomycin Pharmacokinetics/Vancomycin Problem Session. Presented at St. Elizabeth Hospital Medical Center. Youngstown, Ohio. May 1992.

Computerized Pharmacokinetic Programs (SIMKIN). Presented at St. Elizabeth Medical Center. Youngstown, Ohio. May 1992.

Drug Therapy in Patients with Scleroderma. Presented to the Central Florida Chapter of the United Scleroderma Foundation. Gainesville, Florida. November 1991.

Justifying a Pharmacokinetic Service. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1991.

Phenytoin and the Phenytoin Problem Session. Presented as part of Applying Clinical Pharmacokinetics: a 5-day Practical Workshop Aimed at Training Pharmacists in Pharmacokinetic Monitoring. Gainesville, Florida, May 1991.

Advances in the Management of Acute Seizures in Hospitalized Patients. Presented at the Tampa General Hospital, Tampa, Florida, January 1991.

Automated Drug Information Resources. Presented at the New Jersey Society of Hospital Pharmacists Midyear Clinical Meeting, Long Branch, New Jersey, November 1990.

Contemporary Drug Information Services. Presented at the Illinois Council of Hospital Pharmacists Midyear Meeting 1990, Peoria, Illinois, September 1990.

Advances in the Management of Acute Seizures in Hospitalized Patients. Presented at the University of South Alabama Medical Center, Mobile, Alabama, July 1990.

How to Write and Review Papers for the Pharmaceutical Literature. Presented at the Florida Pharmacy Association Annual Meeting, Daytona Beach, Florida, June 1990.

Advances in the Management of Acute Seizures in Hospitalized Patients. Presented to the North Central Florida Society of Hospital Pharmacists, Gainesville, Florida, June 1990.

Drug Information Resources - Innovations in Practice. Presented at the Florida Society of Hospital Pharmacists Spring Meeting, Tarpon Springs Florida, May 1990.

Renal Disease. Presented as part of Clinical Pharmacokinetics: A Program for Health Professionals Involved in Clinical Pharmacokinetics Services and Research. University of Florida, College of Pharmacy, Gainesville, Florida, May 1990.

Bone Marrow Transplantation. Presented to the Memphis Area Society of Hospital Pharmacists. Memphis, Tennessee, April 1990.

Adverse Drug Reaction Monitoring. Presented to the Central Florida Society of Hospital Pharmacists, Orlando, Florida, July 1989.

Appropriate Use of Serum Drug Concentrations. Presented at the Florida Society of Pharmacists Annual Meeting, Orlando, Florida, September 1986.

One and Two Compartment Predictions of Aminoglycoside Pharmacokinetics. Presented at the University of South Carolina, College of Pharmacy, Columbia, South Carolina, and Medical University of South Carolina, College of Pharmacy, Charleston, South Carolina, both in March of 1984.

A Preparatory Course for Health Professionals Involved in Clinical Pharmacokinetic Services. Problem Workshops. Presented at the University of Florida, College of Pharmacy, Fall of 1982 and 1983.

Conversion from Intravenous Aminophylline to Sustained-Release Theophylline: Computer Prediction versus In-Vivo Results. Presented at the Southeast Regional Conference for Residents and Preceptors, Athens, Georgia, March 1982.

Pharmacokinetic Predictions with Computer Programs. Presented at the Department of Pharmacy Practice and Administration Seminar, University of Houston, College of Pharmacy, Houston, Texas, March 1982.

Liver Disease and Theophylline Metabolism. Presented for the Department of Pharmacy Practice Seminar, University of Florida, College of Pharmacy, Gainesville, Florida, February 1982.

Cough and Cold Preparations. Presented at the 1981 Reunion Seminar: The Pharmacist as a Consultant for Non-Prescription Medications, Gainesville, Florida, February 1982.

Effects of Drugs on Blood Gases. Presented for the Department of Pharmacy Practice Seminar, University of Florida, College of Pharmacy, Gainesville, Florida, October 1981.

Drug Information Sources Physicians Use to Determine Drug Use in Pregnancy. Presented at the Southeast Regional Conference for Residents and Preceptors, Athens, Georgia, March 1981.

Drug Information Sources for Teratogenic Effects of Drugs. Poster presentation at the Florida Society of Hospital Pharmacists Annual Meeting and 14th Annual Seminar, Daytona Beach, Florida, October 1980.

Drugs of Abuse. Presented at The Corner Drugstore, Gainesville, Florida, August 1980.

Preparation and Instruction of Home Parenteral Nutrition Formulas; Standard Total Parenteral Nutrition Formulas: Significance in the Hospital Setting; and The Pharmacists Role in Nutritional Support Services. All presented at the Third Annual Peoria Regional Conference on Parenteral and Enteral Nutrition, Peoria,

Illinois, November 1979.

The Pharmacists Role in Parenteral Nutrition; Laboratory: Formulas, Preparation, and Delivery; and Protocols, Forms, and Processes. All presented at the Second Annual Peoria Regional Conference on Parenteral and Enteral Nutrition, Peoria, Illinois, 1978.
