NATIONAL SERVICE

CPT Code Development Advisory Group 2020-2021

Office of Health & Health Care Financing, American Psychological Association

Worked with and advised the Office of Health & Health Care Financing in the development and/or revision of and the valuation of specific CPT Codes. CPT Code development and valuation is managed by the American Medical Association (AMA) through the work of two committees. The CPT Editorial Panel maintains *Current Procedural Terminology* (CPT®) and the Relative Value Scale Update Committee (RUC) makes recommendations to the Centers for Medicare and Medicaid Services (CMS) on resources required to provide healthcare services and relative values assigned to new/revised codes.
