1723 Lochshyre Loop Ocoee, Florida 34761 – (352) 514-4811 – [bradnp97@gmail.com](mailto:bradnp97@gmail.com)

## **Florida Hospital Care Clinic** (*Preceptor: Kimberly Finley, PharmD, BCACP*)

- Collaborated with nurse practitioners to provide interventions in a transitions of care setting
- Created an affordable medication resource for chronic disease state medications
- Counseled and educated patients on a variety of disease states after hospital discharge

## **Surgical Preparedness HealthPas Clinic** (*Preceptor: Lindsay Celauro, PharmD, BCACP*)

- Completed medication histories for preoperative surgery patients
- Evaluated medications for essential periprocedural interruptions to ensure patient safety

## **Executive Health Program** (*Preceptor: Elizabeth Clements, PharmD*)

- Performed medication reconciliations and analyzed lab values to provide medication recommendations to contracted organizations through AdventHealth

## **Inpatient Staffing** (*Preceptor: Khalila Arrington, PharmD*)

- Performed computerized order entry verification for assigned care areas

### Concentrated experiences:

## **Inpatient Transitions of Care** (*Preceptor: Jinjoo Lee, PharmD, BCPS*) February 2019

- Performed medication reconciliations targeting patients with high readmission risk
- Collaborated with physicians to optimize therapy prior to discharge
- Participated in multidisciplinary rounds while making interventions on med surge floor

## **Internal Medicine** (*Preceptor: Sandrine Huynh, PharmD, BCPS*) January 2019

- Identified medication interventions during multidisciplinary rounds for high-risk patients
- Managed assigned hospital floor order verification que and nursing inquiries
- Performed medication consults consisting of aminoglycosides, vancomycin, parenteral nutrition, REMS monitoring, and potassium channel blockers

## **Celebration Primary Care Diabetes Clinic** September 2018 – October 2018 (*Preceptor: Kimberly Finley, PharmD, BCACP*)

- Initiated antihyperglycemic medications and laboratory monitoring
- Analyzed patient's blood sugar levels to appropriately adjust antihyperglycemic medications
- Targeted MIPS quality performance category measures pertaining to diabetic patients
- Provided extensive education regarding medications, glucose monitoring, and lifestyle changes

### Research Experience

---

## **Pharmacist-led Smoking Cessation Clinic on Cessation Rates** 2020 - 2021

- Utilized motivational interviewing during patient interviews to aid in cessation
- Conducted lung function tests to monitor and reinforce quit attempts
- Prescribed and counseled on cessation therapy through collaborative practice agreements

## **Medication Management Services for Patients Discharged with COPD** 2020 - 2021

- Educated high risk patients on disease state and inhaler therapy
- Monitored disease state control through lung function tests
- Prescribed and counseled on inhaler therapy through collaborative practice agreements

# Bradley Nicholas Phillips

1723 Lochshyre Loop Ocoee, Florida 34761 – (352) 514-4811 – [bradnp97@gmail.com](mailto:bradnp97@gmail.com)

## **Pending Discharge Medications to Reduce Readmissions and Discrepancies** 2019 - 2020

- Reviewed inpatient electronic health records to identify medication history discrepancies
- Provided recommendations to prevent medication errors/omissions
- Collaborated with hospitalist group to pend medications prior to discharge

## **Population Health: Insulin Titration Clinic** 2018 – 2019

- Created telephonic insulin titration service under a collaborative practice agreement
- Provided therapeutic lifestyle counseling to promote HbA1c and blood sugar goals
- Counseled patients on hyperglycemia/hypoglycemia to decrease emergency department visits

## **Medication Use Evaluation: Entresto** October 2018 – December 2018

- Performed a retrospective chart review of Entresto usage within the Florida Hospital system
- Evaluated the Florida Hospital Entresto Powerplan to ensure proper medication utilization
- Presented results to AdventHealth cardiology panel to implement recommendations

## *Professional Leadership*

---

## **Residency Recruitment and Marketing Lead** 2020 - present

- Created marketing materials and represented the residency program at virtual showcases
- Developed prescreening and residency rubrics to streamline and improve resident evaluations

## **Ambulatory Care Pharmacy Expert Panel Member** 2020 - present

---

Phillips BN. A Day in the Life of a Postgraduate Trainee – Mr. Manager, Pharm.D. American College of Clinical Pharmacy Experts in Training Newsletter. May 2019

## *Presentations*

---

### **Population Health: Telephonic Insulin Titration Service**

May 2019

- Presented at the 2019 Florida Residency Conference

### **Preceptor Development Continuing Education Seminar**

May 2019

- Presented accredited 1-hour pharmacy CE to AdventHealth Celebration

### **Nursing Inservice: Heart Failure**

April 2019

- Presented for nursing staff at AdventHealth East Orlando

### **Journal Club: “Evaluation of a Transitional Care Pharmacist Intervention in a High-Risk Cardiovascular Patient Population”**

March 2019

- Presented for my PGY1 transitions of care rotation to pharmacists and students

### **Case Presentation: Hyperosmolar Hyperglycemic State**

February 2019

- Presented for my PGY1 internal medicine rotation to pharmacists and students

### **Nursing Inservice: Missing Medications**

February 2019

- Presented for nursing staff at AdventHealth Celebration

### **Journal Club: “Angiotensin-Nepriylsin Inhibition in Acute Decompensated Heart Failure”**

January 2019

- Presented for my PGY1 internal medicine rotation to pharmacists and students

### **Evaluation of Sacubitril/Valsartan’s Utilization in an Inpatient Acute Care Hospital Setting for Patients with Heart Failure**

December 2018

- Presented poster at the 53rd ASHP Midyear Clinical Meeting

### **Case Presentation: Thyroid Storm**

October 2018

- Presented for my PGY1 ambulatory care rotation to pharmacists and students

### **Clinical Concept: COPD a “Breathtaking” Guideline Review**

August 2018

- Presented for my PGY1 ambulatory care rotation to pharmacists and students

# Bradley Nicholas Phillips

1723 Lochshyre Loop Ocoee, Florida 34761 – (352) 514-4811 – [bradnp97@gmail.com](mailto:bradnp97@gmail.com)

## **Grand Rounds Presentation: Hyperlipidemia**

July 2018

- Presented a 1-hour accredited continuing education program

## **Managing & Leading: 44 Lessons Learned for Pharmacists**

June 2017 – June 2018

- Presented monthly to residents and rotational students

## *Service Activities*

---

### **Courtesy Clinical Assistant Professor**

2020 - present

- University of Florida College of Pharmacy Career Coach Program

### **Walt Disney World Marathon Weekend**

January 2019

- Worked as a member of the medical team to aid runners after the race

### **New Missions Haiti Shoebox Drive**

2018-2019

- Assembled care packages for underserved children in Haiti

### **Children's Miracle Network Golf Tournament**

2015 - 2017

- Visited local businesses to fundraise and help raise awareness for pediatric health issues

### **Catholic Heart Work Camp**

2014 - 2016

- Served as a team leader organizing work sites to build and restore homes for the needy
- Taught teenagers the values of discipline, perseverance, and time management

## *Advanced Pharmacy Practice Experiences*

---

### **Adult Medicine at North Florida Regional Medical Center (NFRMC)**

January 2018

*(Preceptor: Christine Corsberg)*

### **Hospital Practice at NFRMC** *(Preceptor: Christine Corsberg)*

December 2017

### **Transitions in Care Rotation at NFRMC** *(Preceptor: Kaitlyn Spears)*

November 2017

### **Medication Safety Rotation at NFRMC** *(Preceptor: Stacy Carson)*

October 2017

### **Surgery Rotation at NFRMC** *(Preceptor: Heather Ellis)*

September 2017

### **Community Rotation at Publix Supermarket** *(Preceptor: Betsy Severance)*

August 2017

### **Ambulatory Care Rotation at Gulf Coast VA** *(Preceptor: Tiffany Jagel)*

May 2017

### **Psychiatric Rotation at UF Health Vista** *(Preceptor: Bobby Nipper)*

April 2017

### **Nuclear Rotation at Cardinal Health** *(Preceptor: Martin Clemons Jr.)*

March 2017
