Professional Appointment(s)

July 2013-Preasent	Clinical Assistant Professor Department of Pharmacotherapy and Translational Research and Eastside Community Practice Family Medicine	University of Florida College of Pharmacy Gainesville, FL
July 2016-Preasent	Clinical Assistant Professor Family Medicine Main St.	University of Florida College of Medicine Gainesville, FL
July 2013-May 2018	Clinical Assistant Professor Department of Pharmacotherapy and Translational Research and Working Professionals PharmD program	University of Florida College of Pharmacy Gainesville, FL

Education

August 2008-May 2012	Doctor of Pharmacy (Pharm.D.)	University of Florida College of Pharmacy Gainesville, FL
August 2007-May 2008	Pursued BS in Biochemistry	University of Florida College of liberal Arts Gainesville, FL
August 2004-July 2007	Associate of Arts (Pre-Pharmacy)	Santa Fe College Gainesville, FL

Certifications

August 2012	Florida Pharmacy License	License No. PS49339
September 2014	Delivering Medication Therapy Management Services Certificate	
July 2017	The Pharmacist and Patient-Center Diabetes Care	

Post-Doctoral Education

July 2012-June 2013	<p>Eastside Community Practice Ambulatory Care Residency Post-Doctoral Resident, Primary Care/Family Medicine University of Florida, Gainesville, FL Directors: Karen Sando, Pharm.D, CDE and James Taylor, Pharm.D., CDE</p> <ul style="list-style-type: none">• Provide pharmaceutical care to patients in several chronic disease states including diabetes, hypertension, hyperlipidemia, and anticoagulation.• Function as a sub-investigator on a research projects• Collaborate with physicians, nurses, and other health care practitioners to provide education and counsel on pharmacotherapeutic choices• Participate in the teaching and training of 4th year pharmacy students on Ambulatory Care clinical rotation.• Participated in the teaching and training of 2nd year pharmacy students during their IPPE• Present hyperlipidemia lecture bi-monthly as part of lecture series to 15 4th year rotational students during their ambulatory care rotation.
July 2012- June 2013	<p>Teaching Certificate Program, University of Florida, Gainesville, FL</p> <ul style="list-style-type: none">• Participation in a teaching certificate program offered to pharmacy residents• Development and presentation of lectures and facilitation in small group discussions for 3rd year pharmacy students• Participation in the assessment on skills developed in 3rd year pharmacy skills lab• Review of presentations in lecture delivery, portfolio creation, and classroom management

Professional Experiences

July 2013- Present

Clinical Assistant Professor

Department of Pharmacotherapy and Translational Research
University of Florida, College of Pharmacy, Gainesville, FL
Department Chair: Reginald Frye, Pharm.D.

- Precept students during their 1st clinical practice assessment
- Manage Ambulatory clinical site at Eastside Community Practice
- Provide medical care for patient with chronic disease states including diabetes, hypertension, lipid disorders and anticoagulation and more
- Precept 4th year pharmacy students completing their ambulatory care rotation

July 2016-Pesent

Clinical Assistant Professor

Family Medicine
University of Florida College of Medicine
Ambulatory care clinical practice

- Provide Primary care services
- Aid in the development of clinical policy and services

July 2012- May 2018

Working Professionals PharmD Program Faculty member

Department of Pharmacotherapy and Translational Research
University of Florida, College of Pharmacy, Gainesville, FL
Department Chair: Sven Norman, Pharm.D.

- Evaluate clinical practice assessments (CPAs) and provide feedback
- Provide clinical experience for 1st and 3rd year students

May 2009-May 2012

Pharmacist Intern
Wal-Mart Store # 3877, Gainesville, FL
Pharmacy Manager: Brynn Tenney, Pharm.D.

- Counseled patients on proper use of prescription and OTC medication
- Entered and filled prescriptions in accordance with Florida and Federal laws
- Assisted patients at prescription drop-off and pick-up
- Participated in inventory management including CII-CIV

Editor/Refereeing

July 2016 – present

Managing Editor PharmaNote®

- The PharmaNote is a monthly publication of the University of Florida's Family Practice Medical Group department of Pharmacy Services and departments of Community Health and Family Medicine and Pharmacy Practice.
- Provide in depth analysis of pharmacology pharmacokinetics, clinical trials, and guidelines review of medication therapy

May 2016

Annals of Medicine

- Refereed type 2 diabetes mellitus treatment and cardiovascular risk reduction; a new perspective with sodium-glucose co-transporter 2 inhibitors

Research/Publications

February 2019

Andexanet alfa: A Novel Factor Xa Inhibitor Reversal Agent

- **Powell, Jason**, Taylor, James(&), and Garland, Scott(f). 2019. *Andexanet alfa: A Novel Factor Xa Inhibitor Reversal Agent*. SAGE Journals. Annals of Pharmacotherapy.

December 2018

Ertugliflozin: A New Option in the SGLT-2 Inhibitor Market for the Treatment of Type 2 Diabetes Mellitus

- **Powell, Jason**, and Garland, Scott(f). 2019. *Ertugliflozin: A New Option in the SGLT-2 Inhibitor Market for the Treatment of Type 2 Diabetes Mellitus*. 53(5). SAGE Journals. Annals of Pharmacotherapy. 478-485.

July 2018

Insulin aspart injection (Fiasp®): A New Fast-acting Insulin

- **Powell, JG**, Garland, S, Wooten, C
- Submitted in review annals pharmacotherapy

October 2017

Dyslipidemia MTM Data Set

- Powell, JG, Chapter 21 *Medication Therapy Management: A Pharmacotherapy and Medication System Primer*.

July 2017

Lixisenatide (Adlyxin): A New GLP-1 Agonist Used for the Treatment of Type 2 Diabetics Mellitus

- Powell, JG, Andrew Y. Hwang; "Lixisenatide (Adlyxin): A New GLP-1 Agonist Used for the Treatment of Type 2 Diabetics Mellitus" Clinical therapeutics (2017)

June 2016

Patient satisfaction with extended-interval warfarin monitoring

- Nicholas W. Carris, Hwang AY, Smith, SA, Taylor, Karen Sando, **Jason Powell**, Eric I. Rosenberg, Marc S. Zumberg, John G. Gums, Eric A. Dietrich, Katherine Vogel Anderson. J Thromb Thrombolysis (2016) 42: 486. doi:10.1007/s11239-016-1385-9

March 2016

Anticoagulation-related quality-of-life associated with extended-interval warfarin monitoring: A pre-specified analysis of the FADE-OUT study

- Nicholas W. Carris, Andrew Y. Hwang, Steven M. Smith, James R. Taylor, Karen Sando, **Jason Powell**, Eric I. Rosenberg, Marc S. Zumberg, John G. Gums, Eric A. Dietrich, Katherine Vogel Anderson. Patient satisfaction with extended-interval warfarin monitoring, J Thromb Thrombolysis, Springer Science+Business Media New York 2016

May 2015

Feasibility of Extended Duration Follow-up for Patients receiving Warfarin Study

- Carris, N. W., Spinelli, A., Pierini, D., Taylor, J. R., Anderson, K. V., Sando, K., **Powell, J.**, Rosenberg, E. I., Zumberg, M. S., Smith, S. M., Gums, J. G. and Dietrich, E. (2015), Feasibility of Extended-interval Follow-up for Patients Receiving Warfarin. Cardiovascular Therapeutics, 33: 98–103.

February 2015

Sodium-glucose cotransporter 2 inhibitors: the new option for diabetes mellitus management.

- **Powell J**, Miller SA, Taylor JR. Sodium-glucose cotransporter 2 inhibitors: the new option for diabetes mellitus management. South Med J. 2015 Feb;108(2):82-90.

March 2014

Optimal management of type 2 diabetes in patients with increased risk of hypoglycemia

November 2013

Canagliflozin: a novel treatment option for type 2 diabetes

- Dietrich, E., Pharm.D BCPS., **Powell, J.G., Pharm.D**, Taylor, J.R., Pharm.D., CDE, “Canagliflozin: a novel treatment option for type 2 diabetes”; Drug Des Devel Ther. 2013 Nov 22;7:1399-408

June 2013

Lorcaserin for weight management

- Taylor, J.R., Pharm.D., CDE, Dietrich, E., Pharm.D., BCPS, **Powell, J.G., Pharm.D.**, “Lorcaserin for weight management” *Diabetes, Metabolic Syndrome and Obesity: Targets and Therapy*; Dove press. 2013;6 209–216

March 2013

Dyslipidemia MTM chapter

- **Powell JG** and Sando KR. Chapter 22: Dyslipidemia MTM Data Set. In: Angaran DM and Whalen K eds. *Medication Therapy Management: A Pharmacotherapy and Medication System Primer*. New York: McGraw-Hill; 2013. (Accepted – Pending Galley Proof Approval)

September 2013

Diuretic Chapter to be published in Pharmacology (6th ed)

- **Powell JG**. Chapter 14: Diuretic. In: Whalen K ed. *Lippincott’s Illustrated Reviews: Pharmacology, Sixth Edition*. Philadelphia: Lippincott Williams & Wilkins; 2013. (Accepted – Pending Galley Proof Approval)

January 2013

Review article on new therapies

- Taylor, J.R., Pharm.D., CDE, Dietrich, E., Pharm.D., BCPS, **Powell, J.G., Pharm.D.**, “New and Emerging Pharmacologic Therapies for Type 2 Diabetes, Dyslipidemia and Obesity.” *Clinical Therapeutics*, vol 35-1, January 2013

September 2012-Present

Pharmacy Impact on Quality of Diabetes Care

Sub-investigator

Results presented at University of Florida pharmacotherapy and translational research weekly seminar April 2nd 2013

Results presented at Florida residency conference on May 10th 2013

February 2012

Powell, J. “Are all Angiotensin Receptor Blockers Created Equal in the Management of Heart Failure”, *PharmaNote*, February 2012, Vol 27, Issue 5

Academic Lectures and Presentations

Summer 2016 –present

Ambulatory Care APPE lecture series

- Series of ambulatory care TBL session delivered to APPE students during clinical rotations
- Sessions run every Friday, facilitated by college of pharmacy residents, on chronic diseases managed in ambulatory care setting

Fall 2018

Professional skills lab V

- Developed Ambulatory Care module
- Lecture along with 3 hour lab session using mock patients in real life situations
- 3rd year pharmacy students prior to APPE rotations

Spring 2018, 2019

Patient Care I

- Common self-care issues for patients in ambulatory care setting
- Course team based learning sessions for college of pharmacy
- 1st year pharmacy students prior to summer internships

Spring 2018, 2019

Patient Care 8; Complex patients

- Lecture on glaucoma along with corresponding TBL session
- Course team based learning sessions for college of pharmacy to 3rd year student prior to APPE rotation

October 2012- present

Insulin and A1c Lecture

- Presented during 3rd year pharmacy students PHA5108L skills lab at the University of Florida College of Pharmacy

July 2012-July 2013

Hyperlipidemia Lecture

- Lecture presented as part of the lecture series for 4th year pharmacy students during ambulatory care rotations
- Lecture presented to 15 students bimonthly

January 2013

Pharmacotherapy Ambulatory Care Case

- Tested student's therapy knowledge based on ambulatory case.

Other presentations

March 2017

Primary Care Innovations Conference

- Role of pharmacist in primary care
- CME lecture

May 2013

Research presentation at the Florida residency conference

- Impact of pharmacy intervention on the management of diabetes.

April 2013

CE presentation of research at University of Florida Pharmacotherapy and Translation Research seminar

- Impact of pharmacy intervention on the management of diabetes.

November 2011

Tikosyn FDA Mitigation presentation

- Development of hospital wide protocol for the administration of Tikosyn at North Florida Regional Medical Center
- Educational presentation given to pharmacy staff, nurses and physicians

July 2011

Core Measures in Heart Failure Presentation

- Presented to pharmacy staff at North Florida Regional Medical Center

Honors and Awards

May 2018

Outstanding teaching Team- Year 1

University of Florida College of pharmacy

January 2012

Kappa Psi Recognition Award

Kappa Psi Pharmaceutical Fraternity Winter Conclave, Gainesville, Florida

Award given to brothers by regional presidents for recognition for excellence related to the Fraternity

January 2011

Brother of the Year Award

Kappa Psi Pharmaceutical Fraternity, Gainesville, FL

Award given to a brother, that exemplifies service to the community, Fraternity, and college, voted by peers and faculty members. Along with this award the recipient is granted a \$1,000 scholarship

August 2008-May 2009

Mortar and Pestle Award

University of Florida, College of Pharmacy, Gainesville, FL

Award given by Christian Pharmacy Fellowship International for outstanding community service

Projects

October 2012

Manuscript review

- Assisted in the evaluation and review of an article being submitted to Pharmacotherapy The Journal of Human Pharmacology and Drug Therapy for publication

November 2011

Hospital Practice APPE Development

- Developed a rotation for 4th year pharmacy students for North Florida Regional Medical Center

July 2011

Drug Utilization Review

- Analyzed the rate limiting step for a newly admitted patient to North Florida Regional Medical Center

July 2011

Warfarin Protocol

- Assisted in creating an updated warfarin protocol for North Florida Regional Medical Center

Advance Practice Experience

February 2011-April 2011

Ambulatory Care, University of Florida and Shands Medical Plaza

Preceptor: Ben Epstein, Pharm.D.

- Participated in the direct pharmaceutical management of ambulatory care patients concentrating in anticoagulation and diabetes
- Worked as a member of an interdisciplinary team to manage patients
- Participated in ambulatory management of HIV infected pediatric patients
- Participated in weekly patient case presentations

May 2011-June 2011

Cardiology, North Florida South Georgia Veterans Hospital

Preceptor: Shawn Anderson, Pharm.D.

- Functioned as a member of an interdisciplinary team during rounds
- Collaborated with ARNP in conducting ambulatory management of Heart Failure patients
- Participated in Patient case presentations and Journal presentations

July 2011-August 2011

Adult Medicine, North Florida Regional Medical Center

Preceptor: Kathleen Reilly, Clinical Director

- Managed vancomycin dosing utilizing pharmacokinetic parameters
- Managed anticoagulation patients, especially heparin and warfarin dosing
- Participated in TPN monitoring and management
- Worked with interdisciplinary team in the management of ICU patients during rounds
- Participated in patient case presentations

Sept 2011-October 2011

Ambulatory Care elective, Family Medicine at 4th Ave

Preceptor: John Gums, Pharm.D.

- Worked with interdisciplinary team in the management of ambulatory patients especially in anticoagulation

- Participated in patient case presentation
- Submitted article as first author to PharmaNote journal

Oct 2011-November 2011

Administration, North Florida Regional Medical Center
Preceptor: Victoria Timmons, Pharmacy Director

- Managed CII inventory and discrepancies
- Participated in P&T committee and Medication Safety committee.
- Performed audit checks on billing information
- Participated in the evaluation of the pharmacy technicians
- Created hospital wide protocol for the administration of Tykasin
- Created Hospital Practice APPE rotation that is now implemented for 4th year pharmacy students
- Presentation of Tykasin protocol to hospital staff including pharmacy technicians, pharmacists, nurses and physicians

Dec. 2011-January 2012

Surgery, North Florida South Georgia Veterans Hospital
Preceptor: Shannon Chambliss, Pharm.D.

- Participated in Medication Reconciliation for surgical patients
- Directly counseled patients prior to discharge on new pharmaceutical treatments and/or changes.
- Led discussion topics related to surgical patients

Jan 2012- February 2012

Medication Therapy Management, University of Florida
Preceptors: David Angaran

- Perform Medication Therapy Management to Medicare Patients across the United States
- Participated in journal clubs/debates
- Presentation on patient case
- Presentation on heart failure

Professional and Community Involvement

December 2018 – present

ACCP

- Member in good standing

January 2014-2018

Professionalism Committee

- Service to the College of Pharmacy

May 2012-Present

Kappa Psi Pharmaceutical Fraternity

Position: Vice Regent (Vice President)

- Currently developing the graduate chapter for Gainesville

January 2009-May 2012

Kappa Psi Pharmaceutical Fraternity

Positions: Regent (President)

August 2008-May 2012

Sgt. At Arms
Christian Pharmacy Fellowship International
Positions: Vice President
Prayer coordinator
