## Professional Appointment(s)

July 2013- Current	Clinical Assistant Professor Department of Pharmacotherapy and Translational Research and Eastside Community Practice Family Medicine	University of Florida Colleges of Pharmacy and Medicine Gainesville, FL
July 2016- July 2022	Clinical Assistant Professor Family Medicine Main St.	University of Florida College of Medicine Gainesville, FL
July 2013-May 2018	Clinical Assistant Professor Department of Pharmacotherapy and Translational Research and Working Professionals PharmD program	University of Florida College of Pharmacy Gainesville, FL

## Education

August 2008-May 2012	Doctor of Pharmacy (Pharm.D.)	University of Florida College of Pharmacy Gainesville, FL
August 2007-May 2008	Pursued BS in Biochemistry	University of Florida College of liberal Arts Gainesville, FL
August 2004-July 2007	Associate of Arts (Pre-Pharmacy)	Santa Fe College Gainesville, FL

## License

August 2012 Florida Pharmacy License License No. PS49339

## Board Certifications

July 2019 Board Certified Ambulatory Care Pharmacist No 6151938

## Other Certifications

May 2023 Train the Trainer; Collaborative Practice Agreement Certificate

April 2022 Collaborative Practice Agreement Certificate Program

March 2022 Test and Treat Certification

July 2017 The Pharmacist and Patient-Center Diabetes Care Certificate

September 2014 Delivering Medication Therapy Management Services Certificate

## Post-Doctoral Education

July 2012-June 2013 **Eastside Community Practice Ambulatory Care Residency**  
Post-Doctoral Resident, Primary Care/Family Medicine  
University of Florida, Gainesville, FL  
Directors: Karen Sando, Pharm.D, CDE and James Taylor, Pharm.D., CDE

- Provide pharmaceutical care to patients in several chronic disease states including diabetes, hypertension, hyperlipidemia, and anticoagulation.
- Function as a sub-investigator on a research projects
- Collaborate with physicians, nurses, and other health care practitioners to provide education and counsel on pharmacotherapeutic choices
- Participate in the teaching and training of 4<sup>th</sup> year pharmacy students on Ambulatory Care clinical rotation.
- Participated in the teaching and training of 2<sup>nd</sup> year pharmacy students during their IPPE
- Present hyperlipidemia lecture bi-monthly as part of lecture series to 15 4<sup>th</sup> year rotational students during their ambulatory care rotation.

July 2012- June 2013 **Teaching Certificate Program,  
University of Florida, Gainesville, FL**

- Participation in a teaching certificate program offered to pharmacy residents
- Development and presentation of lectures and facilitation in small group discussions for 3<sup>rd</sup> year pharmacy students
- Participation in the assessment on skills developed in 3<sup>rd</sup> year pharmacy skills lab
- Review of presentations in lecture delivery, portfolio creation, and classroom management

## Professional Experiences

July 2015- July 2022

### **Clinical Director of Pharmacy Fellowship at Family Medicine**

UF Health Family Medicine Main St. Gainesville, FL  
Department of Pharmacotherapy and Translational Research  
University of Florida, College of Pharmacy, Gainesville, FL

- Precept/advise Pharmacy Fellow at clinical practice sites
- Provide Guidance on clinical research opportunities
- Facilitate teaching opportunities

July 2019 – Current

### **Clinical Preceptor for Community Pharmacy Resident**

UF Health Family Medicine Gainesville, FL  
Department of Pharmacotherapy and Translational Research  
University of Florida, College of Pharmacy, Gainesville, FL

- Precept/advise Pharmacy Resident at clinical practice sites
- Provide Guidance on clinical research opportunities

July 2016- July 2022

### **Clinical Pharmacist**

UF Health Family Medicine Main St.  
Gainesville, FL

- Maintain clinical practice in interprofessional practice site
- Practice focused on Diabetes, Anticoagulation, and
- Transition of care clinic to assist those recently discharged from hospital

July 2013- Current

### **Clinical Pharmacist**

UF Health Family medicine Eastside Community Practice  
Gainesville, FL

- Maintain clinical practice in interprofessional practice site
- Practice focused on Diabetes, Anticoagulation, hypertension, hyperlipidemia management
- Transition of care clinic to assist those recently discharged from hospital

July 2013- Current

### **Clinical Assistant Professor**

Department of Pharmacotherapy and Translational Research  
University of Florida, College of Pharmacy, Gainesville, FL  
Department Chair: Reginald Frye, Pharm.D.

- Precept students during their 1<sup>st</sup> clinical practice assessment
- Manage Ambulatory clinical site at Eastside Community Practice
- Provide medical care for patient with chronic disease states including diabetes, hypertension, lipid disorders and anticoagulation and more
- Precept 4<sup>th</sup> year pharmacy students completing their ambulatory care rotation

July 2016- Current

**Clinical Assistant Professor**

Family Medicine  
University of Florida College of Medicine  
Ambulatory care clinical practice

- Provide Primary care services
- Aid in the development of clinical policy and services

July 2012- May 2018

**Working Professionals PharmD Program Faculty member**

Department of Pharmacotherapy and Translational Research  
University of Florida, College of Pharmacy, Gainesville, FL  
Department Chair: Sven Norman, Pharm.D.

- Evaluate clinical practice assessments (CPAs) and provide feedback
- Provide clinical experience for 1<sup>st</sup> and 3<sup>rd</sup> year students

May 2009-May 2012

**Pharmacy Intern**

Wal-Mart Store # 3877, Gainesville, FL  
Pharmacy Manager: Brynn Tenney, Pharm.D.

- Counseled patients on proper use of prescription and OTC medication
- Entered and filled prescriptions in accordance with Florida and Federal laws
- Assisted patients at prescription drop-off and pick-up
- Participated in inventory management including CII-CIV

**Editor**

July 2016 – July 2022

Managing Editor PharmaNote®

- The PharmaNote is a monthly publication of the University of Florida's Family Practice Medical Group department of Pharmacy Services and departments of Community Health and Family Medicine and Pharmacy Practice.

- Provide in depth analysis of pharmacology pharmacokinetics, clinical trials, and guidelines review of medication therapy

## Refereeing

- June 2023                      Clinical Therapeutics (CLINTHER-D-23-00348)
- Effects of dapagliflozin on body weight in type 2 diabetes mellitus patients: evidence based practice
- February 2023                      Clinical Therapeutics (CLINTHER-D-22-00386)
- Dipetidyl-peptidase-4 inhibitors, Glucagon-loike-peptide-1 receptor agonist and sodium-glucose cotransporter-2 inhibitors and COVID-19 outcomes
- January 2023                      Annals of Pharmacotherapy (AOP-22-0667)
- Role of Anti-hypertensives in prostate cancer: A systemic review
- May 2022                              Clinical Therapeutics (CLINTHER-D-22-00142)
- Real world use of PCSK9 inhibitors
- February 2022                      Reviews in Cardiovascular Medicine (RCM22012404)
- Bempedoic acid: a new tool for LDL-Cholesterol control in patients with Coronary Artery Disease
- January 2021                      Clinical Therapeutics (CLINTHER-D-20-00501)
- Bridge therapy with Low Molecular Weight Heparin and Direct Oral Anticoagulants
- November 2019                      Annals of Medicine
- Refereed Difference in high intensity statins (rosuvastatin vs atorvastatin) in VA population
- May 2016                              Annals of Medicine
- Refereed type 2 diabetes mellitus treatment and cardiovascular risk reduction; a new perspective with sodium-glucose co-transporter 2 inhibitors

## Research/Publications

- January 2024                      **Partnering for Better Health: Using Continuous Glucose Monitoring and Clinical Pharmacist Collaboration to**

### **Improve Outcomes in Underserved Patients with Type 2 Diabetes**

- **Powell J, Mulani SR.** Partnering for Better Health: Using Continuous Glucose Monitoring and Clinical Pharmacist Collaboration to Improve Glycemic Control in Underserved Patients With Type 2 Diabetes. *Clin Ther.* 2024 Jan;46(1):e7-e11. doi: 10.1016/j.clinthera.2023.10.005. Epub 2023 Oct 28. PMID: 38165024.

April 2023

September 2012-Present

**Pharmacy Impact on Quality of Diabetes Care**

Sub-investigator

Results presented at University of Florida pharmacotherapy and translational research weekly seminar April 2<sup>nd</sup> 2013

Results presented at Florida residency conference on May 10<sup>th</sup> 2013

February 2012

**Powell, J.** “Are all Angiotensin Receptor Blockers Created Equal in the Management of Heart Failure”, *PharmaNote*, February 2012, Vol 27, Issue 5

**Postgraduate Training**

Year	Graduate Fellow/Resident	First Professional Position
2023 – 2024	Maryam Deravi	Current resident
2023 – 2024	Madden Stockstill	Current resident
2022 – 2023	Taylor Certain	PGY2 residency with Advent Health in ambulatory care
2021 - 2022	Christie Monahan	Current Fellow
2020 – 2021	Colleen Corey	Manager of Independent Pharmacy

2019-2021	Christopher Piszczatoski, PharmD, BCPS	Clinical Ambulatory Care Pharmacy Specialist Family Medicine, UFHealth
2019-2020	Angelina Vascimini, PharmD	PGY2 University of Florida Ambulatory Care practice
2019-2020	David Smith, PharmD	Owner independent pharmacy
2017-2019	Scott Garland, PharmD,	Clinical Assistant Professor Florida State University College of Medicine GME Faculty, Family Health Center
2016-2017	Andrew Hwang, PharmD, BCPS	Assistant Professor (tenure-track) Department of Clinical Sciences, Fred Wilson School of Pharmacy High Point University; High Point, NC

## Course Coordinator

Fall 2022 – Current

### Co-Course Coordinator Ambulatory Care Elective course

- Didactic lecture(s) provided on various topics of ambulatory care practice
- Development of Active Learning Sessions
- Development of longitudinal patient cases
- Patient empathy project
- Immersive patient experience

## Academic Lectures and Courses

Spring 2024 - Current

### Patient Care 5

- Module leader thyroid/calcium regulation
- Lectures on thyroid function
- Lecture on hypothyroidism
- Lecture on hyperthyroidism
- Course team based learning sessions for college of pharmacy to 3<sup>rd</sup> year student prior to APPE rotation

Spring 2023 - Current

### Patient Care 7

- Lecture on glaucoma along with corresponding TBL session
- Course team based learning sessions for college of pharmacy to 3<sup>rd</sup> year student prior to APPE rotation

Spring 2023 – Current

**Pathophysiology and Patient Assessment 2**

- Lecture on bone growth and calcium homeostasis
- Development active learning session related to patient case scenarios

Spring 2023 – Current

**Pathophysiology and Patient Assessment 2**

- Lecture on thyroid pathophysiology
- Development active learning session related to patient case scenarios

Fall 2022 – Current

**Patient Care 3**

- Didactic lecture on Rheumatoid Arthritis Pathophysiology and medication pharmacology
- Didactic lecture on management of rheumatoid arthritis
- Development of 2 hour active learning session related to patient care, disease management and monitoring

Fall 2022 – Current

**Patient Care 3**

- Didactic lecture on gout pathophysiology and disease state management
- Emphasis on acute and chronic management
- Development of 2 hour Active learning session related to patient care, differential diagnosis, and monitoring of gout

Fall 2022 – Current

**Skills lab 3**

- Emphasis on hypertension and hyperlipidemia management
- Development of 2 hour lab session related to patient care, patient interviews, patient cases related to management of hypertension
- Develop skills for taking blood pressure
- Develop skills for use of POCT CardioCheck

Fall 2022 – Current

**Skills lab 3**

- Didactic lecture on anticoagulation management
- Emphasis on bridge therapy and acute disruption of anticoagulation therapy
- Development of 2 hour lab session related to patient care, patient interviews, patient cases related to anticoagulation disruption

Summer/Fall 2022 – Current

**Personal Professional Development**

- Didactic lecture on importance of advocacy
- Emphasis on both professional and patient advocacy

- Review advocacy statements of students during clinical rotation
- Spring 2022 – Current
- Advanced Pharmacy Practice Experience readiness course**
- Facilitate students in patient case scenarios and assessing competency in starting more direct patient interactions
- Fall/Spring 2021-2022
- Putting Families Frist Interdisciplinary course**
- Monthly interactive course among colleges of Medicine, Dental, Nursing, Pharmacy, Vet Med, etc...
  - Facilitate discussion on Community Health issues related to interdisciplinary approach
  - Develop project for families within teams to aid in a basic health related concern
- Fall 2021 – Current
- Ambulatory Care Elective course**
- Didactic lecture(s) provided on various topics of ambulatory care practice
  - Development of Active Learning Sessions
  - Development of longitudinal patient cases
- Summer 2020
- APPE Foundations course**
- Series of case presentations
  - Sessions run every Wednesday and Friday, assess verbal and written performance of interviewing patient, using patient information to develop assessment and treatment plan
- Spring 2018- Current
- Skills lab 6**
- Lecture on anticoagulation
  - 2 hour lab involving cases for review to develop interview skills using electronic charting systems
  - Assessment and treatment plans developed on patients
- Summer 2016 – 2022
- Ambulatory Care APPE lecture series**
- Series of ambulatory care TBL session delivered to APPE students during clinical rotations
  - Sessions run every Friday, facilitated by college of pharmacy residents, on chronic diseases managed in ambulatory care setting
- Fall 2018 – 2021
- Professional skills lab V**
- Developed Ambulatory Care module
  - Lecture along with 3 hour lab session using mock patients in real life situations

- 3<sup>rd</sup> year pharmacy students prior to APPE rotations

Spring 2018- 2021

#### **Patient Care I**

- Common self-care issues for patients in ambulatory care setting
- Course team based learning sessions for college of pharmacy
- 1<sup>st</sup> year pharmacy students prior to summer internships

Spring 2018- 2022

#### **Patient Care 8; Complex patients**

- Lecture on glaucoma along with corresponding TBL session
- Course team based learning sessions for college of pharmacy to 3<sup>rd</sup> year student prior to APPE rotation

October 2012- 2015

#### **Insulin and A1c Lecture**

- Presented during 3<sup>rd</sup> year pharmacy students PHA5108L skills lab at the University of Florida College of Pharmacy

July 2012-July 2013

#### **Hyperlipidemia Lecture**

- Lecture presented as part of the lecture series for 4<sup>th</sup> year pharmacy students during ambulatory care rotations
- Lecture presented to 15 students bimonthly

January 2013

#### **Pharmacotherapy Ambulatory Care Case**

- Tested student's therapy knowledge based on ambulatory case.

### **Other presentations**

June 2023

#### **Collaborative practice agreement seminar**

- Present multiple lectures and interactive elements as live portion of obtaining collaborative practice agreement certification

July 2022

#### **Area Health Education Centers (AHEC)**

- Pharmacology of Multi-Modal Approaches for Pain Management

June 2022

#### **Primary Care Innovations Conference**

- Use of Continuous Glucose monitors in Poorly Controlled Diabetes

May 2022

#### **UF ECHO Diabetes Team**

- Diabetes Patient Case Presentation
- CME lecture

- March 2017                    **Primary Care Innovations Conference**
- Role of pharmacist in primary care
  - CME lecture
- May 2013                    **Research presentation at the Florida residency conference**
- Impact of pharmacy intervention on the management of diabetes.
- April 2013                    **CE presentation of research at University of Florida Pharmacotherapy and Translation Research seminar**
- Impact of pharmacy intervention on the management of diabetes.
- November 2011              **Tikosyn FDA Mitigation presentation**
- Development of hospital wide protocol for the administration of Tikosyn at North Florida Regional Medical Center
  - Educational presentation given to pharmacy staff, nurses and physicians
- July 2011                    **Core Measures in Heart Failure Presentation**
- Presented to pharmacy staff at North Florida Regional Medical Center

## **Academic Service**

- Summer 2020 – Current      **Faculty Academic Advisor**
- Academic advisor for 10 active PharmD students
  - Meet with students at least 1 per semester
- Fall 2020 – Current          **PharmD Candidate Admission Interviews**
- Serve as faculty interviewer for multiple Admission interviews
  - Conduct follow-up calls as requested
- Spring 2022                    **Faculty Search Committee**
- Reviewed faculty candidates, interviewed candidates
- Fall 2019                      **ACPE accreditation self-study experiential education team**
- Develop narratives and served to support effort or reaccreditation
- January 2014-2018            **Professionalism Committee**
- Review professionalism cases of students

## **Professional and Community Involvement**

- Spring 2023                    **AACP Poster Abstract Reviewer**

- Peer review poster abstract prior to AACP annual meeting

Fall 2022 – Current

**AACP**

- Member in good standing

December 2018 – Current

**ACCP**

- Member in good standing

May 2012-Current

**Kappa Psi Pharmaceutical Fraternity Graduate Chapter**

- Provide assistance and Guidance to academic chapter

January 2009-May 2012

**Kappa Psi Pharmaceutical Fraternity**

Positions: Regent (President)  
Sgt. At Arms

August 2008-May 2012

**Christian Pharmacy Fellowship International**

Positions: Vice President  
Prayer coordinator

## Honors and Awards

May 2023

**Faculty Advisor of the Year**

University of Florida College of Pharmacy

May 2018

**Outstanding Teaching Team- Year 1**

University of Florida College of Pharmacy

January 2012

**Kappa Psi Recognition Award**

Kappa Psi Pharmaceutical Fraternity Winter Conclave,  
Gainesville, Florida

Award given to brothers by regional presidents for recognition for excellence related to the Fraternity

January 2011

**Brother of the Year Award**

Kappa Psi Pharmaceutical Fraternity, Gainesville, FL

Award given to a brother, that exemplifies service to the community, Fraternity, and college, voted by peers and faculty members. Along with this award the recipient is granted a \$1,000 scholarship

August 2008-May 2009

**Mortar and Pestle Award**

University of Florida, College of Pharmacy, Gainesville, FL

Award given by Christian Pharmacy Fellowship International for outstanding community service

## Advance Practice Experience

- February 2011-April 2011     **Ambulatory Care**, University of Florida and Shands Medical Plaza  
Preceptor: Ben Epstein, Pharm.D.
- Participated in the direct pharmaceutical management of ambulatory care patients concentrating in anticoagulation and diabetes
  - Worked as a member of an interdisciplinary team to manage patients
  - Participated in ambulatory management of HIV infected pediatric patients
  - Participated in weekly patient case presentations
- May 2011-June 2011     **Cardiology**, North Florida South Georgia Veterans Hospital  
Preceptor: Shawn Anderson, Pharm.D.
- Functioned as a member of an interdisciplinary team during rounds
  - Collaborated with ARNP in conducting ambulatory management of Heart Failure patients
  - Participated in Patient case presentations and Journal presentations
- July 2011-August 2011     **Adult Medicine**, North Florida Regional Medical Center  
Preceptor: Kathleen Reilly, Clinical Director
- Managed vancomycin dosing utilizing pharmacokinetic parameters
  - Managed anticoagulation patients, especially heparin and warfarin dosing
  - Participated in TPN monitoring and management
  - Worked with interdisciplinary team in the management of ICU patients during rounds
  - Participated in patient case presentations
- Sept 2011-October 2011     **Ambulatory Care elective**, Family Medicine at 4<sup>th</sup> Ave  
Preceptor: John Gums, Pharm.D.
- Worked with interdisciplinary team in the management of ambulatory patients especially in anticoagulation
  - Participated in patient case presentation
  - Submitted article as first author to PharmaNote journal
- Oct 2011-November 2011     **Administration**, North Florida Regional Medical Center  
Preceptor: Victoria Timmons, Pharmacy Director

- Managed CII inventory and discrepancies
- Participated in P&T committee and Medication Safety committee.
- Performed audit checks on billing information
- Participated in the evaluation of the pharmacy technicians
- Created hospital wide protocol for the administration of Tykasin
- Created Hospital Practice APPE rotation that is now implemented for 4<sup>th</sup> year pharmacy students
- Presentation of Tykasin protocol to hospital staff including pharmacy technicians, pharmacists, nurses and physicians

Dec. 2011-January 2012

**Surgery**, North Florida South Georgia Veterans Hospital  
Preceptor: Shannon Chambliss, Pharm.D.

- Participated in Medication Reconciliation for surgical patients
- Directly counseled patients prior to discharge on new pharmaceutical treatments and/or changes.
- Led discussion topics related to surgical patients

Jan 2012- February 2012

Medication Therapy Management, University of Florida  
Preceptors: David Angaran

- Perform Medication Therapy Management to Medicare Patients across the United States
- Participated in journal clubs/debates
- Presentation on patient case
- Presentation on heart failure

## **APPE Rotation Projects**

October 2012

### **Manuscript review**

- Assisted in the evaluation and review of an article being submitted to Pharmacotherapy The Journal of Human Pharmacology and Drug Therapy for publication

November 2011

### **Hospital Practice APPE Development**

- Developed a rotation for 4<sup>th</sup> year pharmacy students for North Florida Regional Medical Center

July 2011

### **Drug Utilization Review**

- Analyzed the rate limiting step for a newly admitted patient to North Florida Regional Medical Center

July 2011

### **Warfarin Protocol**

- Assisted in creating an updated warfarin protocol for North Florida Regional Medical Center
