EDUCATION

- **Doctor of Philosophy in Biochemistry, Microbiology, and Molecular Biology**, The Pennsylvania State University, University Park, PA, December 2000
Dissertation: Genetic and Biochemical Characterization of JC Virus Early Proteins T'₁₃₅, T'₁₃₆, and T'₁₆₅
- **Master of Public Health in Epidemiology**, The University of Florida, Gainesville, FL, December 2006
- **Bachelor of Science in Biology**, The University of Central Florida, Orlando, FL, May 1993

ACADEMIC POSITIONS/EMPLOYMENT

- **Clinical Associate Professor of Epidemiology**, College of Public Health and Health Professions and College of Medicine, University of Florida, October 2016 to August 2023
- **Assistant Dean for Educational Affairs**, College of Public Health and Health Professions and College of Medicine, University of Florida, October 2016 to December 2022
- **PhD in Epidemiology Program Director**, College of Public Health and Health Professions and College of Medicine, University of Florida, April 2021 to August 2023
- **Campus Infection Preventionist**, UF Screen, Test and Protect, August 2020 to May 2022
- **MPH Program Director**, College of Public Health and Health Professions and College of Medicine, University of Florida, October 2016 to August 2020
- **PhD in Epidemiology Program Director**, Department of Epidemiology, College of Public Health and Health Professions and College of Medicine, University of Florida, January 2013 to October 2016
- **Clinical Associate Professor**, Division of Infectious Diseases and Global Medicine, College of Medicine (Joint appointment), February 2016 to July 2017
- **MPH Epidemiology Concentration Coordinator**, College of Public Health and Health Professions, September 2010 to January 2013
- **Clinical Assistant Professor**, Department of Epidemiology, College of Public Health and Health Professions and College of Medicine, University of Florida, September 2010 to October 2016
- **Infection Control Practitioner**, Shands Hospital at the University of Florida, November 2006 to September 2010
- **Adjunct Faculty**, Department of Epidemiology and Biostatistics, College of Public Health and Health Professions, University of Florida, January 2010 to May 2010
- **Affiliate Faculty**, Department of Epidemiology and Biostatistics, College of Public Health and Health Professions, University of Florida, November 2008 to September 2010

- **Research Assistant**, University of Florida Kidney Project, Nabih Asal, Primary Investigator, September 2006 to November 2006
- **Intern**, Duval County Health Department, Epidemiology Division, Ruth Voss, Mentor, July 2006 to August 2006
- **Post-doctoral Research Associate**, Department of Molecular Genetics and Microbiology, University of Florida, January 2001 to July 2006
Research Topic: Regulation of Vaccinia Virus Post-Replicative Transcription Elongation

CERTIFICATIONS

- **Certified in Infection Prevention and Control (CIC)**, Certificate # 102304 (2019), valid through December 31, 2024
- **Certified in Public Health (CPH)**, Certificate # 7791 (Since 2012)

GRANT SUPPORT

- *Nursing Home and Long Term Care Facility Strike Team and Infrastructure Project*
Sponsor: Florida Department of Health/Centers for Disease Control and Prevention
Award Amount: \$1,250,131
Role: Co-I (Revere, PI)
October 12, 2022 to June 30, 2024
- *Automated Contact Tracing System for Rapid High-Accuracy Assessment to Manage Dementia Patients and Staff Exposed to Infectious Diseases in Long-Term Care Facilities*
Sponsor: NIH (NIA)
Award Amount: \$111,783
Role: Co-I (Smith, PI)
September 1, 2021 to present
- *RAPID: Collaborative Research: Transforming passive protective face masks toward active capture and inactivation of coronavirus with nano-assisted surfactant modification*
Sponsor: NSF
Award Amount: \$104,617
Role: Co-I (Sabo-Attwood, PI)
May 1, 2020 to April 30, 2021
- *Efficacy Analysis of an Automated Hand Hygiene Monitoring System*
Sponsor: Shands Quasi Endowment Fund
Award Amount: \$30,000
Role: PI
March, 2017 to March, 2019
- *Utilizing the HealthStreet Model to Support Adult Immunizations in Underserved Populations of North Central Florida*
Sponsor: JBS International, Inc.
Award Amount: \$9,998
Role: PI

January, 2013 to September 2013

- *Affordable Care Act - Rural South Public Health Training Center*
HRSA 1UB6HP22825-01
Award Amount: \$1,294,861.00
Role: Co-I, 10% Effort (Peoples-Sheps, PI)
September 2011 to August 2013
