EDUCATION AND LICENSURE

- January 2018 **Licensed Psychologist**, State of Florida, PY10091
- August 2016 **Doctor of Philosophy**
Auburn University, Auburn, AL
Major: Clinical Psychology (APA Accredited), Child Track
Dissertation Title: “Validation of the Pediatric Quality of Life Inventory™ (PedsQL™) Food Allergy Module”
Co-chairs: Elizabeth Brestan-Knight, PhD and Wendy N. Gray, PhD
- Pediatric Health Psychology Intern (APA Accredited)**
Children’s Hospital Colorado, Aurora, CO
Pediatric Mental Health Institute
Training Director: Jessica Malmberg, PhD
- May 2013 **Master of Science**
Auburn University, Auburn, AL
Major: Clinical Psychology (APA Accredited), Child Track
Thesis Title: “Development of the Pediatric Quality of Life Inventory™ (PedsQL™) Food Allergy Module: An examination of child food sensitivity and health-related quality of life”
Chair: Michael M. Steele, PhD
- May 2010 **Bachelor of Science in Psychology with Honors, Summa Cum Laude**
Florida State University, Tallahassee, FL
Minor: Statistics
Honors Thesis Title: “Blood glucose monitoring adherence and responsibility in children and adolescents with Type 1 Diabetes”
Honors Thesis Chair: Kimberly A. Driscoll, PhD

CURRENT POSITION

2018 – Present

Title: Clinical Assistant Professor

PHHP Honors Program Director

Setting: University of Florida, Gainesville, FL

- Provide therapy and conduct intake assessments with pediatric patients and their families within the UF Health Psychology Specialties Outpatient Clinic
- Supervise graduate students, interns, and post-doctoral fellows conducting therapy and consultation in the UF Psychology Specialties Clinic and on the pediatric inpatient consultation rotation at UF Health Shands Children's Hospital
- Direct the PCIT Clinic, Advanced Practicum, and Intern Rotation
- Serve as the College of Public Health and Health Professions (PHHP) Honors Program Director
- Teach Honors Seminar (HSC 4969)

CLINICAL EXPERIENCE

2016 – 2018

Title: Postdoctoral Associate

Setting: University of Florida, Gainesville, FL

Supervisors: David Fedele, PhD, David Janicke, PhD, Brian Olsen, PhD, and Brenda Wiens, PhD

- Provided therapy and conducted intake assessments with pediatric patients and their families within the Clinical and Health Psychology Clinic
- Conducted in-clinic consultations with pediatric patients and their families in the UF Health Pediatric Diabetes and Cystic Fibrosis Clinics and UF Health Shands Children's Hospital
- Conducted risk assessments and provided recommendations within the UF Pediatric Diabetes and UF Psychology Clinics
- Consulted with pediatric physicians, nurse practitioners, dietitians and nurse educators
- Supervised graduate students and interns conducting therapy and consultation in the Psychology and Diabetes Clinics and on the pediatric inpatient consultation rotation at UF Health Shands Children's Hospital

2015 – 2016

Title: Pediatric Health Psychology Intern

Setting: Children's Hospital Colorado, Aurora, CO

Supervisors: Cindy Buchanan, PhD, Robert Casey, PhD, Scott Cypers, PhD, Laura Judd-Glossy, PhD, Jennifer Lindwall, PhD, Jessica Malmberg, PhD, Emily Muther, PhD, and Philip O'Donnell, PhD

Rotations: Cystic Fibrosis, Consultation-Liaison, Hematology/Oncology, Inpatient Assessment, Outpatient Therapy, Solid Organ Transplant

- Conducted diagnostic interviews and pre-transplant evaluations for children hospitalized on medical units

- Provided outpatient group and individual therapy to children and adolescents, including those with medical conditions
- Conducted safety evaluations and provided recommendations for next levels of treatment
- Consulted with providers from other disciplines and attended multidisciplinary care conferences

2014 – 2015

Title: Behavioral Health Specialist

Setting: East Alabama Medical Center, Diabetes and Nutrition Center, Opelika, AL

Supervisor: Wendy N. Gray, PhD

- Provided individual psychotherapy to patients presenting with medical and mental health needs
- Assessed patients' levels of diabetes distress and provided appropriate treatment and/or referrals
- Taught behavioral and emotional components of Comprehensive Diabetes Education group classes in collaboration with registered dietitians, registered nurses and pharmacists

2014 – 2015

Title: Study Interventionist

Setting: Telehealth Enhancement of Adherence to Medication in Pediatric Inflammatory Bowel Disease, Cincinnati Children's Hospital, Cincinnati, OH

Supervisors: Kevin Hommel, PhD and Jamie Ryan, PhD

- Conducted manualized behavioral and educational interventions using principles of Behavioral Family Systems Theory with adolescents with IBD and their parents via Skype

2013 – 2014

Title: Primary Care Psychology Extern

Setting: Baptist Health Family Medicine Residency Program, Montgomery, AL

Supervisors: Karl Kirkland, PhD and Kale Kirkland, PhD

- Provided individual and family psychotherapy to primary care patients presenting with medical and mental health needs
- Conducted ADHD and Learning Disability evaluations in primary care setting

2011 – 2014

Title: Graduate Clinician

Setting: Auburn University Psychological Services Center (AUPSC), Auburn, AL

Supervisors: Elizabeth Brestan-Knight, PhD, Polly Dunn, PhD, Jennifer Gillis Mattson, PhD, Steven Shapiro, PhD and Michael Steele, PhD

- Provided individual and group therapy for children and adolescents with a variety of psychological disorders
- Conducted comprehensive assessments for Learning Disorders and ADHD in children and adolescents

2011 – 2012

Title: Psychology Team Co-Leader

Setting: Alabama Council on Human Relations, Head Start, Auburn, AL

Supervisor: Steven K. Shapiro, PhD

- Conducted universal developmental screenings, social skills training, and behavioral observations in preschool classrooms
- Trained and supervised undergraduate team members on screening measures, behavioral observations and social skills interventions

CLINICAL CERTIFICATIONS

March 2020	Title: Parent-Child Interaction Therapy (PCIT) Within Program Trainer Setting: University of Florida, Gainesville, FL Global Trainer: Melanie Nelson, PhD <ul style="list-style-type: none"> • Participated in PCIT Within Program Trainer Workshop • Completed 15 monthly consultation calls • Supervised trainee in PCIT Certification
September 2018	Title: American Diabetes Association (ADA) Mental Health Provider <ul style="list-style-type: none"> • Demonstrated expertise in providing therapy for individuals with type 1 and type 2 diabetes based upon graduate and post-graduate experience • Maintained ADA Professional Membership • Listed as a provider in the ADA Mental Health Directory
January 2014	Title: Certified PCIT Therapist Setting: Auburn University, Auburn, AL Global Trainer: Elizabeth Brestan-Knight, PhD <ul style="list-style-type: none"> • Participated in 40-hour PCIT workshop • Attended one-semester PCIT seminar course • Completed two PCIT cases with concurrent weekly supervision • Passed Certification Exam January 2014 • Maintained certification by obtaining PCIT Continuing Education Credits

SERVICE AND LEADERSHIP ROLES

2021 – Present	PHHP Honors Program Director
2020 – Present	College of Public Health and Health Professions, University of Florida
	Child/Pediatric Case Assignment Coordinator
	UF Health Psychology Specialties
Fall 2019	Neuropsychology Area (Rehab Psychologist) Search Committee Member
Fall 2019	Department of Clinical and Health Psychology, University of Florida
	Intern Interview Selection Committee Member
Spring 2019	Department of Clinical and Health Psychology, University of Florida
	Med/Health Faculty Search Committee Member
2018 – Present	Department of Clinical and Health Psychology, University of Florida
	Intern Interview Selection Committee Member
2018 – Present	Department of Clinical and Health Psychology, University of Florida
	PHHP Honors Program Selection Committee
	College of Public Health and Health Professions, University of Florida

2018	HealthStreet Equal Access Clinic (Free Therapy Night) Supervisor College of Public Health and Health Professions, University of Florida
2017 – 2020	Chair of Research, Allergic Diseases Special Interest Group APA Division 54
2017 – 2018	Co-Lead Postdoctoral Associate Department of Clinical and Health Psychology, University of Florida
2016 – 2020	Education and Advocacy Committee Member Department of Clinical and Health Psychology, University of Florida
2015 – 2016	Psychology Intern Representative Pediatric Mental Health Institute, Children's Hospital Colorado
2014	Clinical Psychology Program Interview Weekend Graduate Student Coordinator Department of Psychology, Auburn University
2013 – 2017	Diabetes Special Interest Group Student Member at Large, Society for Pediatric Psychology
2013 – 2014	Fourth Year Clinical Psychology Program Student Representative Department of Psychology, Auburn University
2011 – 2013	Clinical Psychology Program Interview Weekend Planning Committee Member Department of Psychology, Auburn University
2011 – 2012	Graduate Student Council Senator Department of Psychology, Auburn University
2011 – 2015	APA Division 54 Campus Representative Department of Psychology, Auburn University
Spring 2010	Psi Chi President Florida State University

TEACHING AND SUPERVISORY EXPERIENCE

2019 – Present	<p>Title: Clinical Assistant Professor, Instructor of Record Setting: University of Florida, Gainesville, FL Course: HSC 4969 PHHP Honors Seminar</p> <ul style="list-style-type: none"> • Provide weekly lectures on research methods, professionalism, presentation skills, and APA writing style • Mentor undergraduate students on professional development • Match students with Honors Thesis advisors • Hold office hours • Serve as PHHP Honors Program Director
2018 – Present	<p>Title: Clinical Assistant Professor, Instructor of Record Setting: University of Florida, Gainesville, FL Courses: CLP 6943 Core Practicum in Clinical Psychology CLP 6946 Advanced Practicum in Child Psychology CLP 6948 Advanced Practicum in Intervention</p> <ul style="list-style-type: none"> • Provide in-vivo and video supervision of graduate students, interns, and fellows in individual therapy, intake assessment and multidisciplinary consultation

- Meet frequently with trainees
- Provide mentorship and professional development to supervisees

2018 – Present

Title: Clinical Assistant Professor, Guest Lecturer

Setting: University of Florida, Gainesville, FL

Courses: Various (Graduate and Undergraduate)

- Serve as a guest lecturer for the following courses:
 - CLP 4134 Introduction to Clinical Child and Pediatric Psychology
 - HSC4600 Abnormal Psychology
 - CLP 6407 Psychological Intervention/Treatment
 - CLP 6476 Lifespan Psychopathology
 - CLP 7317 Advanced Health Psychology and Behavioral Medicine
 - CLP 7934 Advanced Child and Family Therapy

2016 – 2018

Title: Postdoctoral Associate

Setting: University of Florida, Gainesville, FL

Supervisors: David Fedele, PhD, David Janicke, PhD, Brian Olsen, PhD, and Brenda Wiens, PhD

- Provided in-vivo and video supervision of graduate students and interns
- Met weekly with trainees
- Facilitated students' training experience in diabetes multidisciplinary clinic and pediatric inpatient consultations
- Provided mentorship and professional development to supervisees

2015 – 2016

Title: Psychology Intern Supervisor

Setting: Children's Hospital Colorado, Aurora, CO

Supervisor: Christine McDunn, PhD

- Supervised psychology extern on child clinical outpatient cases
- Provided mentorship and professional development to extern
- Participated in didactic, reading and group supervision of supervisees

2013 – 2015

Title: PCIT Onsite Assistant Trainer

Setting: Auburn University, Auburn, AL

Supervisor: Elizabeth Brestan-Knight, PhD, PCIT Master Trainer

- Presented lecture materials and reviewed quizzes and homework assignments
- Taught Dyadic Parent-Child Interaction Coding System through role-plays and practice coding sessions
- Provided continued supervision through DVD review of trainee sessions

2010 – 2011

Title: Graduate Teaching Assistant

Setting: Auburn University, Auburn, AL

Courses: Introduction to Psychology (two semesters), Motivation and Emotion

Instructors of Record: William Buskist, PhD, Malissa Clark, PhD, and Whitney Kimble, MS

- Led three undergraduate sections once weekly
- Devised, administered, and graded assessment materials

FUNDING AND AWARDS

2022	Reubin O'D. Askew Award <i>Highest Honor Bestowed upon Young Alumni</i> Florida State University
2022	Notable Nole Young Alumni Award Florida State University
2020	Early Career Contributions Award Florida Psychological Association, North Central Chapter
2020	Most Cited Paper Award, <i>Journal of Pediatric Psychology</i> for article, Barriers to Transition from Pediatric to Adult Care: A Systematic Review
2019	Young Investigator Award, Runner Up awarded to H. Tadros, MD (Co-Author) American Academy of Pediatrics
2017	Best Research in an Emerging Field Award (First Author) Society for Pediatric Psychology Annual Conference, Portland, OR
2016	APA Division 54 Student Poster Winner (First Author) APA Annual Convention, Denver, CO
2016	Exemplary Professionalism Award, Children's Hospital Colorado
2015	Lair Fellowship Memorial Award for Outstanding Clinical Graduate Student
2014	Graduate School Dissertation Research Grant
2013, 2011	Student Travel Award, Department of Psychology
2012	Graduate Teaching Assistant (GTA) of the Year Award, Dept. of Psychology
2012	Clinical Research Enhancement Award, Dept. of Psychology
2012	Graduate Research Award, Dept. of Psychology
2011	Clinical Psychology Program First Place Poster, Research and Teaching Festival
2010	Howard Baker Award, Third Place, Dept. of Psychology
2010	2010 Outstanding Senior Scholar Award, Undergraduate Studies
2010	Florida State University Student Star Featured Student Profile
2010	Marion Jewell Hay Phi Beta Kappa Award, Department of Psychology Nominee

Poster presented at the Society for Developmental and Behavioral Pediatrics 2014 Annual Meeting, Nashville, TN.
 19. Resmini, A. R., Frye, W. S., Robinson, L. E., & Gray, W. N. (2013, October). *Obesity, sleepiness and physical activity in a rural sample of adolescent African Americans*. Poster presented at the Second Annual Alabama Higher Education Diversity Officers (ALAHEDO) Comprehensive Diversity Conference, Auburn University, AL.
 20. Frye, W. S., Resmini, A. R., Robinson, L. E., & Gray, W. N. (2013, October). *The interactions of weight, physical activity and decisional balance in a rural sample of pre-adolescent African Americans*. Poster presented at the Second Annual ALAHEDO Comprehensive Diversity Conference, Auburn University, AL.
 21. Filz, T., Resmini, A. R., Travis, J. K., & Brestan-Knight, E. (2013, September). *Evaluating the use of Jeopardy to improve CDI knowledge retention*. Poster presented at the 2013 Parent-Child Interaction Therapy (PCIT) International Convention, Boston, MA.
 22. Hawkshead, B., Resmini, A. R., Collier, A., Smeraglia, K., & Brestan-Knight, E. (2013, September). *Toddlers and Tiaras: Evaluating pageant mother-child interactions using the Dyadic Parent-Child Interaction Coding System-III (DPICS-III)*. Poster presented at the 2013 Parent-Child Interaction Therapy (PCIT) International Convention, Boston, MA.
 23. Frye, W. S., Resmini, A. R., & Steele, M. M. (2012, November). *Guess your weight! An examination of HRQOL and protective factors in a sample of African American children*. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Convention, National Harbor, MD.

24. Resmini, A. R., Frye, W. S., Steele, M. M., & Varni, J. W. (2012, October). *"We must have missed 200 birthday cakes."* *Qualitative results from focus interviews in the development of the PedsQL™ Food Allergy Module*. Poster presented at the National Conference in Clinical Child and Adolescent Psychology, Lawrence, KS.
25. Resmini, A. R., Frye, W. S., & Steele, M. M. (2012, October). *The Cleveland Adolescent Sleepiness Questionnaire (CASQ): Validation of a four-factor model*. Poster presented at the National Conference in Clinical Child and Adolescent Psychology, Lawrence, KS.
26. Resmini, A. R., Frye, W. S., & Steele, M. M. (2011, April). *Guess your weight! An examination of child perception of weight and emotional functioning*. Poster presented at the National Conference in Pediatric Psychology, San Antonio, TX.
27. Frye, W. S., Resmini, A. R., & Steele, M. M. (2011, April). *Physical activity behaviors among adolescent African-American children: An examination of the Transtheoretical Model (TTM)*. Poster presented at the National Conference in Pediatric Psychology, San Antonio, TX.
28. Resmini, A. R., Driscoll, K. A., Johnson, S. B., Lamp, C. M., & Deeb, L. C. (2010, May). *Blood glucose monitoring adherence and responsibility in children and adolescents with Type 1 Diabetes*. Poster presented at the Florida State University Undergraduate Research and Creative Endeavors Symposium, Tallahassee, FL.

RESEARCH EXPERIENCE

2016 – 2018

Title: Postdoctoral Associate

Projects: Bringing Science Home (BSH) Billing for Psychological Services in Diabetes Interdisciplinary Clinics; BSH Screening for Psychological Disorders in Diabetes Clinics, UF Provision of Telehealth for Adherence to Diabetes Regimen in Youth

Setting: University of Florida, Gainesville, FL

Supervisors: David M. Janicke, PhD and Brian Olsen, PhD

- Conducted multi-site research studies examining billing practices of diabetes psychologists, including study design, writing and submitting IRB application, survey design, and data collection of current billing practices
- Conducted independent diabetes psychology research projects such as telehealth services for adherence to diabetes management regimen in youth, including writing and submitting IRB application, preparing grant funding proposals, and conducting data collection
- Assisted with studies examining universal psychosocial screening of youth with diabetes
- Assessed access to diabetes services through projects examining frequency of psychological consults and follow up therapy provided to youth with diabetes

2015 – 2016

Title: Predoctoral Intern Research Assistant

Projects: Group Telehealth Adherence Intervention for Adolescents and Provider Perspectives of Adolescent Transplant Recipient Adherence

Setting: Children's Hospital Colorado, Aurora, CO

Supervisor: Cindy Buchanan, PhD

- Compared provider perspectives across institutions and to rates of adherence in the existing literature

- Assisted with recruitment of adolescent participants for telehealth study
- Presented empirical products at end of internship year

2014 – 2015

Title: Principal Investigator

Project: Validation of the PedsQL™ Food Allergy Module

Setting: Food Allergy Research and Education (FARE) benefit walks (Atlanta, GA and Birmingham, AL) and online

Supervisors: Elizabeth Brestan-Knight, PhD and Wendy Gray, PhD

- Conceptualized and initiated project
- Recruited and obtained consent from youth with food allergy and their parents
- Administered the PedsQL™ Food Allergy Module and other measures to families as part of measure validation process
- Supervised undergraduate student involvement in project

2011 – 2012

Title: Principal Investigator

Project: Development of the PedsQL™ Food Allergy Module

Setting: Auburn University, Department of Psychology

Supervisor: Michael M. Steele, PhD

- Conceptualized and initiated project
- Conducted semi-structured interviews of children with food allergy and their parents
- Conducted cognitive interviews of the PedsQL™ Food Allergy Module with families as part of measure development process
- Coded qualitative interviews
- Devised PedsQL™ Food Allergy Module for future full-scale validation
- Supervised undergraduate student involvement in project

2010 – 2015

Title: Graduate Research Assistant

Projects: Auburn University Freshman ADHD Management Study, Freshman Experience Study, and Validation of the Self-Efficacy for Healthy Eating and Physical Activity Questionnaire with African American Pre-Adolescents

Setting: Auburn University, Auburn, AL

Supervisors: Elizabeth Brestan-Knight, PhD, Wendy Gray, PhD, Leah Robinson, PhD, Steven K. Shapiro, PhD, and Michael M. Steele, PhD

- Assisted with study design and implementation
- Conducted pill counts, administered psychometric measures, and downloaded Medication Event Monitoring System (MEMS) Caps data
- Collected data at settings such as rural middle schools, Auburn University and online

2007 – 2010

Title: Undergraduate Honors Student

Projects: Blood Glucose Monitoring Adherence and Responsibility in Children and Adolescents with Type 1 Diabetes, Social Support in Cystic Fibrosis, and Adherence Intervention for Youth with Type 1 Diabetes

Setting: Florida State University, College of Medicine, Tallahassee, FL

Supervisors: Suzanne Bennett Johnson, PhD, Kimberly Driscoll, PhD, and Mary Gerend, PhD

- Independently collected data at a pediatric endocrinology clinic
- Coded qualitative interviews for a Cystic Fibrosis study
- Successfully defended undergraduate honors thesis to faculty committee

PROFESSIONAL AFFILIATIONS
