### ADMINISTRATIVE SERVICE

#### National, State, Regional

##### American Board of Colon and Rectal Surgery

- Advisory Council, 2014-2018
- President, 2013-14
- President-Elect, 2012-13
- Executive Committee, 2011-14
- Examination Committee
  - Chair, 2011-2014
- Written Examination Committee 2007-11
  - Chair, 2007-2011
- Maintenance of Certification Committee, 2007-2011
- Board of Directors 2006-14
- Senior Board Examiner 2005-2006
- Associate Board Examiner 2001-2005

##### American Society of Colon and Rectal Surgeons

- Executive Council
  - President, 2021-2022
  - President Elect, 2020-2021
  - Vice President, 2019-2020
  - Secretary, 2017-2019
  - Member-at-Large, 2013-2016
- Program Committee 2006-2016
  - Chair, 2007
  - Abstract Review Subcommittee Chair, 2009, 2011, 2013
  - Abstract Review Super Committee 2014-2016
  - Executive Council Representative 2013-2016
- Safety and Quality Assessment Committee
  - Chair, 2003-2006
- Bylaws Committee
  - Co-Chair 2016-2018
- Industry Relations Committee
  - Chair, 2020-2021
  - Co-Chair 2019-2020
- Credentials Committee
  - Co-Chair 2019-2020
- Rebranding Task Force
  - Chair, 2019-2020
- Finance Committee, 2020-present
- Research Foundation
  - Board of Trustees 2020-present
  - Fundraising Committee 2016-2018
- CREST educational project, 2011-12
  - Subcommittee Chair, Rectal Cancer section
- Continuing Education Committee
  - Council Representative 2014-2016
- Residents Committee
  - Council Representative 2017-2018
  - Member, 2000-2003
- Fundamentals of Rectal Cancer Surgery Committee
  - Council Representative 2017-2018

## Thomas E. Read, MD, FACS, FASCRS

- Health Care Reform Committee 2009-2013
- Centers of Excellence in Rectal Cancer Committee 2006-2010
- Website Redesign Project 2007-2008
- Maintenance of Certification Committee, 2005-2009
- Self-Assessment Committee, 2002-2009, 2013-2016
  - Council Representative 2013-2016
- Awards Committee, 2001-2003
- Outcomes and Measures Committee, 1997-1998
- Socioeconomic Committee, 1997-2001

### American College of Surgeons

- Board of Governors
  - Governor, ASCRS representative, 2016-2019
- Advisory Council for Colon and Rectal Surgery
  - Chair, 2011-2013
  - Program Liaison 2010-2012
  - Council Member, 2006-2013

### American College of Surgeons Oncology Group

- Colorectal Executive Committee Member, 1998-2001

### Consortium for Optimizing Surgical Treatment of Rectal Cancer (OSTRICH)

- Executive Council, 2013-15

### Crohn's and Colitis Foundation of America

- Faculty, Case Exchange Series Educational Program. 2005-2006
- Missouri Chapter Education Committee, 1997

### Hereditary Colon Cancer Association

- Liaison of the American Society of Colon and Rectal Surgeons 1999-2001

### National Surgical Adjuvant Breast and Bowel Project

- Colorectal Committee, 2006-2009

### Accreditation Council for Graduate Medical Education (ACGME)

- Accreditation Appeals Committee for Colon and Rectal Surgery 2012-present

### Perioperative Work Group

- Member 2006-present
- Perioperative Care Work Group developed the Perioperative Care performance measurement set in 2006.

The lead societies on the project included the American College of Surgeons, the Physician Consortium for Performance Improvement, and the National Committee for Quality Assurance. The measures are submitted to the National Quality Forum.

### Pittsburgh Surgical Society

- President 2008
- President-Elect 2007
- Secretary 2006-2007
- Treasurer 2004-2005
- Chair, Program Committee 2002-2004

### Pittsburgh Colon and Rectal Surgical Society

- Secretary 2004-2008

## Thomas E. Read, MD, FACS, FASCRS

### United Ostomy Association

- National Medical Advisory Committee, 1999-2005

### Medical School

#### Washington University School of Medicine

- Co-Founder and Co-Director, Colorectal Cancer Screening Program, 1999-2001
- Committee on Medical Student Abuse 1999-2001
- Doctoring Curriculum Working Group, 1999-2000
- Committee on the Academic Evaluation of Students, 1998-2000
- Curriculum Evaluation Committee, 1998-2001
- Committee on Medical Education, 1998-2001
- GI Medical-Surgical Center of Excellence Planning Committee, 1997

#### Tufts University School of Medicine

- Curriculum Committee, 2018-

### Hospital

#### Barnes-Jewish Hospital

- Computerized Discharge Summary Project
- GI Center Clinical Effectiveness Design Team
- GI Surgery Clinical Effectiveness: Pre and Post op Management Committee, Subcommittee Chair.
- Information Systems Committee
- GI Endoscopy/Minor Procedures Planning Committee

#### Western Pennsylvania Hospital

- Surgical Executive Committee
- GME Committee
- Chair, Radiology Residency Internal Review Committee
- Bylaws Committee
- Nominating Committee
- Research Committee, Dept. of Surgery
- Quality Assurance Committee, Dept. of Surgery
- Discharge Planning Committee
- Information Technology Committee

#### Lahey Hospital and Medical Center

- Chair, Colorectal Cancer Multidisciplinary Model of Care Team, Lahey Health 2015-2017
- Graduate Medical Education Committee, 2008-present
- Professional Affairs Committee, 2017-present
- Compensation Redesign Committee, 2017-present
- CME committee, 2017-present
- Simulation Center, 2017-present
- Education committee, 2017-present
  - Chair, 2018-present
- Robert E. Wise Grant Committee
  - Chair, 2018-present
  - Chair, Education Subcommittee, 2017-present
- Lahey Health Campaign Steering Committee, 2016-present
- Frank Lahey Society, 2017-present

## Thomas E. Read, MD, FACS, FASCRS

### HONORS AND AWARDS

#### Teaching and Mentorship Awards

1. Edward M. Copeland Faculty Award for Academic Excellence, Leadership, and Lifetime Mentorship  
General Surgery Residency, Department of Surgery  
University of Florida. 2020
2. Exemplary Teacher Award  
University of Florida College of Medicine. 2020
3. Outstanding Faculty Award for Academic Excellence in Service to Housestaff and Students  
General Surgery Residency, Department of Surgery  
University of Florida. 2019
4. Outstanding Teacher of the Year  
General Surgical Residency, Department of Surgery  
Lahey Hospital and Medical Center. 2018
5. Outstanding Teacher of the Year  
General Surgery Residency, Department of Surgery  
Lahey Hospital and Medical Center. 2017
6. Mentor Award  
Research Foundation of the American Society of Colon and Rectal Surgeons 2016-18
7. Samuel L. Moschella, M.D. Educator of the Year Award  
Lahey Hospital and Medical Center. 2015
8. Cornelius E. Sedgwick Award as Outstanding Mentor in the Art of Surgery  
General Surgery Residency, Department of Surgery  
Lahey Hospital and Medical Center. 2014
9. Outstanding Teacher of the Year  
General Surgery Residency, Department of Surgery  
Lahey Clinic Medical Center. 2012
10. Cornelius E. Sedgwick Award as Outstanding Mentor in the Art of Surgery  
General Surgery Residency, Department of Surgery  
Lahey Clinic Medical Center. 2011
11. Outstanding Faculty Educator of the Year  
Awarded by the Temple University School of Medicine Students, Department of Surgery.  
Western Pennsylvania Hospital, Clinical Campus of Temple University School of Medicine. 2007
12. Educator of the Year.  
General Surgery Residency, Department of Surgery  
Western Pennsylvania Hospital, Clinical Campus of Temple University School of Medicine. 2002
13. Clinical Teacher of the Year Award.  
Washington University School of Medicine Class of 2002. Awarded 2001
14. Teacher of the Year, Senior Class Award.  
Washington University School of Medicine, Graduating Class of 2001

**Thomas E. Read, MD, FACS, FASCRS**

15. Outstanding Teacher Award.  
Association for Surgical Education. 2001
16. Clinical Teacher of the Year Award.  
Washington University School of Medicine Class of 2001, Awarded 2000
17. Evarts A. Graham Teacher of the Year Award.  
General Surgery Residency, Department of Surgery.  
Washington University School of Medicine 2000
18. Teacher of the Year, Senior Class Award.  
Washington University School of Medicine, Graduating Class of 2000
19. Clinical Teaching Award.  
Washington University School of Medicine Class of 2000. Awarded 1999
20. Teaching Award/Honorary Lecturer. Alpha Omega Alpha Honor Society.  
Washington University School of Medicine, Class of 1999
21. Clinical Teaching Award.  
University of California, San Francisco School of Medicine, Class of 1995

## Thomas E. Read, MD, FACS, FASCRS

### Research Awards

1. Best Clinical Paper  
American Society of Colon and Rectal Surgeons Annual Meeting 2014  
*Moss et al. Can We Use NSQIP To Provide Accurate Surgeon Specific Outcomes?*  
Co-author
2. Best Podium Presentation, 1<sup>st</sup> place  
New England Society of Colon and Rectal Surgeons annual meeting 2014.  
*Kasten et al. Major Operations with Highest Risk of Readmission*  
Co-author
3. Best Podium Presentation, 2<sup>nd</sup> place.  
New England Society of Colon and Rectal Surgeons annual meeting 2014.  
*Moss et al. Can We Use NSQIP To Provide Accurate Surgeon Specific Outcomes?*  
Co-author
4. Best Podium Presentation.  
New England Society of Colon and Rectal Surgeons annual meeting 2008.  
*Brozovich et al. Temperature Loss in Patients Undergoing Elective Colectomy Occurs Prior to Endotracheal Intubation.*  
Senior author
5. Best Clinical Paper  
American Society of Colon and Rectal Surgeons Annual Meeting 2007  
*Marcello et al. Hand Assisted vs. Laparoscopic Colorectal Surgery: A Multi-center Prospective Randomized Trial.*  
Co-author
6. Best Poster Presentation Award  
North Texas Chapter of the American College of Surgeons Annual Meeting 2005  
*McCormick et al. Gum Chewing Accelerates Recovery of Bowel Function After Intestinal Resection: Multi-Institution Prospective Randomized Trial.*  
Co-author
7. Best Clinical Paper  
American Society of Colon and Rectal Surgeons Annual Meeting 2003  
*Read et al. Neoadjuvant therapy for rectal cancer: Histologic response of the primary tumor predicts nodal status.*  
First/senior author.
8. Best Colorectal Papers-1997 World Literature.  
American Society of Colon and Rectal Surgeons  
*Read et al. Importance of adenomas 5 mm or less in diameter that are detected by sigmoidoscopy*  
*N Engl J Med.* 336: 8-12.  
First author
9. Trainee Investigator Award for Excellence in Scientific Research.  
Clinical Research Meeting, American Federation of Clinical Research 1993  
*Read et al. Triglyceride-rich lipoproteins prevent septic death in rats.*  
First author

**Thomas E. Read, MD, FACS, FASCRS****Academic Awards (other than research)**

1. Distinguished Alumni.  
General Surgery Residency.  
University of California, San Francisco. 2016
2. John C. Gaisford, M.D. Award for Outstanding Contributions to the Department of Surgery.  
Western Pennsylvania Hospital, Clinical Campus of Temple University School of Medicine. 2008
3. American Society of Colon and Rectal Surgeons Traveling Fellow Award. 2004
4. Outstanding Surgical Resident Award (Nusz Achievement Award)  
University of California, San Francisco School of Medicine 1991
5. Nusz-Galante Award and Scholarship for the Outstanding Medical Student entering Surgery  
University of California, San Francisco School of Medicine 1988
6. Alpha Omega Alpha Honor Society (AOA)  
University of California, San Francisco School of Medicine 1987
7. John Harvard Scholarship for Academic Achievement of the highest distinction 1983-84
8. John Harvard Scholarship for Academic Achievement of the highest distinction 1981-82
9. Harvard College Scholarship for Academic Achievement of high distinction 1980-81
10. John Harvard Scholarship for Academic Achievement of the highest distinction 1979-80
11. Bausch and Lomb Science Award 1979
12. Cum Laude Society 1979
13. Rensselaer Mathematics and Science Medal 1978

## Thomas E. Read, MD, FACS, FASCRS

### CURRICULUM DEVELOPMENT

- Program Director, Colon and Rectal Surgery Residency, Lahey Clinic Medical Center. 2008-2014, 2016. Coordination and administration of residency program.
- Program Director, Colon and Rectal Surgery Residency, Western Pennsylvania-Allegheny General Combined Residency in Colon and Rectal Surgery. 2004-2008. Founded residency program. Coordination and administration of residency program. Submitted initial application and received approval from Residency Review Committee. Re-accredited (4 year accreditation) in 2006.
- Surgical Education Director, Department of Surgery Residency Program, Western Pennsylvania Hospital, Clinical Campus of Temple University School of Medicine. 2002-2008. Coordination of teaching activities for the residency program in general surgery.
- Director, Surgical Clerkship, Western Pennsylvania Hospital, Clinical Campus of Temple University School of Medicine. 2001-2004. Coordination and administration of the 12 week required surgical clerkship for third year students from Temple University School of Medicine.
- Clinical Preceptor, Master of Physician Assistant Studies Program, Chatham College. 2005-2008
- Coursemaster, Integrated Surgical Disciplines Clerkship, Washington University School of Medicine. 1997-2001. Coordination and administration of the 12 week required surgical clerkship for all third year students at Washington University School of Medicine. The clerkship consists of clinical rotations, didactic teaching, small group tutorials, clinical simulations, and oral and written examinations. In addition, the Coursemaster coordinates fourth year elective rotations in surgery, counsels students applying in general surgery, and guides them through the process of applying for residency positions.
- Faculty coordinator for medical student education, Section of Colon & Rectal Surgery, Washington University School of Medicine. 1996-2001.

## Thomas E. Read, MD, FACS, FASCRS

### POSTGRADUATE COURSES

#### Course Director or Program Chair

- American College of Surgeons Colon and Rectal Surgery Postgraduate Course: Colon and Rectal Cancer. ACS Clinical Congress. Oct. 13, 2009. Chicago, IL. Program Chair
- Hand-Assisted Laparoscopic Colectomy Course using Human Cadavers. West Penn Allegheny Health System. Pittsburgh, PA. November 17, 2007 Course Director
- American Society of Colon and Rectal Surgeons Annual Meeting, May 2007. St. Louis, MO. Program Chair
- Hand-Assisted Laparoscopic Colectomy Course using Human Cadavers. West Penn Allegheny Health System. Pittsburgh, PA. February 24, 2007 Course Director
- Hand-Assisted Laparoscopic Colectomy Course using Human Cadavers. West Penn Allegheny Health System. Pittsburgh, PA. August 19, 2006. Course Director
- Hand-Assisted Laparoscopic Colectomy Course using Human Cadavers. West Penn Allegheny Health System. Pittsburgh, PA. May 20, 2006 Course Director
- Hand-Assisted Laparoscopic Colectomy Course using Human Cadavers. West Penn Allegheny Health System. Pittsburgh, PA. Feb. 18, 2006 Course Director
- Colorectal Disease in the New Millennium. Minimally Invasive Solutions to Old Problems. Pittsburgh, PA April 27, 2002. Course Director.
- United Ostomy Association Annual Conference. St. Louis, MO. August 2000. Speaker Coordinator.
- Rupert P. Turnbull Memorial Lectureship and Surgical Grand Rounds, Washington University School of Medicine. St. Louis, MO. 1997, 1998. Co-director.
- Symposium on Inherited Colorectal Cancer, American Society of Colon & Rectal Surgeons 97th Annual Convention. San Antonio, TX. May 1998. Course Director.

#### Faculty

- Master Class: Rectal Cancer—Beyond the Basic Knowledge. Russian School of Colorectal Surgery. Moscow, Russia. May 28, 2017
- Master Class: Proctology—New Frontiers. Russian School of Colorectal Surgery. Moscow, Russia. May 28, 2017
- University of California, San Francisco. Postgraduate Course in Colon and Rectal Surgery. March 6-9, 2014
- Association of Program Directors in Colon and Rectal Surgery fellows course. Cincinnati, OH. Aug./Sept 2013
- Colon and Rectal Surgery Postgraduate Course. XXXVI Congreso Internacional de Cirugia General. Cancun, Mexico. October 27-Nov. 2.
- Association of Program Directors in Colon and Rectal Surgery fellows course. Cincinnati, OH. Aug. 2012
- Association of Program Directors in Colon and Rectal Surgery fellows course. Cincinnati, OH. Aug./Sept 2011

## Thomas E. Read, MD, FACS, FASCRS

- Association of Program Directors in Colon and Rectal Surgery fellows course. Cincinnati, OH. Aug./Sept 2010
- Benign Colorectal Postgraduate Course  
XXXIII Congreso Internacional de Cirugia General  
Acapulco, Mexico, Nov. 5-6, 2009
- Colon and Rectal Cancer Postgraduate Course. American College of Surgeons Clinical Congress. Chicago, IL. October 13, 2009. Program Chair
- Laparoscopic Colon and Rectal Surgery Postgraduate Course. American College of Surgeons Clinical Congress. Chicago, IL. October 12, 2009.
- Association of Program Directors in Colon and Rectal Surgery laparoscopic colectomy course. Cincinnati, OH. Aug./Sept 2009
- Laparoscopic colectomy workshop. Lahey Clinic Medical Center. Burlington, MA. Burlington, MA. June 27, 2009.
- Laparoscopic colectomy workshop. Lahey Clinic Medical Center. Burlington, MA. Burlington, MA. November 8, 2008.
- Laparoscopic Colectomy Postgraduate Course. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice. University of Minnesota. Minneapolis, MN. October 22, 2008.
- Laparoscopic Colectomy Postgraduate Course. American College of Surgeons Clinical Congress. San Francisco, CA. October 12-16, 2008.

### GRANT SUPPORT and FUNDING

Patient Centered Outcomes Research Institute

PI: Flum 2019-present

Comparison of Surgery and Medicine on the Impact of Diverticulitis Trial.

Role: Chair, Clinical Advisory Council.

National Institutes of Health RO1 CA091559

PI: Garcia-Aguillar. 2003-2008

Timing of Rectal Cancer Response to Chemoradiation.

Role: Site PI

American College of Surgeons Oncology Group Z6041.

PI: Garcia-Aguillar. 2006-2008

A Phase II Trial of Neoadjuvant Chemoradiation and Local Excision for UT2uN0 Rectal Cancer.

Role: Site PI

Applied Medical Resources.

PI: Marcello 2005-2007

Prospective, multi-center, limited access, randomized trial of hand-assist versus straight laparoscopic colectomy.

Role: Co-investigator, Site PI. \$20,000

US Surgical, Tyco Healthcare Group.

Fellowship in minimally invasive colon and rectal surgery. 2004-2008

Role: PI \$60,000/year.

Covidien and Applied Medical

Hand-Assisted Laparoscopic Colectomy Courses using Human Cadavers.

West Penn Allegheny Health System 2006-2007.

Role: Course Director. \$125,000

Sanofi-Synthelabo, Inc

2003-2005

Prospective, randomized, double-blind study of fondaparinux versus placebo in the prevention of deep venous thromboembolism in patients undergoing major abdominal surgery.

Role: Site PI \$6000/patient.

Ethicon Endo-Surgery

PI: Senagore 2001-2003

A Randomized, Prospective, Multi-Centered, Parallel Group Study Comparing the Ferguson Closed Wound Treatment of Hemorrhoidal Disease to Stapled Hemorrhoidectomy Using the PROXIMATE HCS Circular Stapler.

Role: Site PI \$1000/patient.

Washington University Cancer Center Research Development Award

PI: Ristvedt 1998-2000

Identification of Factors in Delay of Treatment for Rectal Cancer.

Role: Co-Investigator. \$46,425

National Cancer Institute. R03 CA84845-01

PI: Ristvedt. 1999-2001

Impediments and Cues to Seek Treatment for Rectal Cancer.

Role: Co-investigator \$98,538

Cancer and Leukemia Group B 80001.

PI: Sugarbaker. 2001-2002

Feasibility Study of Sentinel Lymph Node Staging for Colon Cancer.

Role: Site PI.

**Thomas E. Read, MD, FACS, FASCRS**

American College of Surgeons Oncology Group Z0190

PI: Guillem 1999-2001

A Prospective Study of the Prognostic Significance of Microsatellite Instability in Patients with Early Age-of-Onset Colorectal Cancer.

Role: Site PI

Ortho-Diagnostics, Inc

2000-2001

Prospective analysis of molecular gene array screening of fresh tissue from patients with Stage II adenocarcinoma of the colon versus prognosis.

American Surgeon., Volume 76, Number 4, April 2010 , pp. 418-421(4)
53. Surgeon involvement in the care of patients deemed to have "preventable" conditions.  
Ricciardi R, Baxter NN, **Read TE**, Marcello PW, Schoetz DJ, Roberts PL.  
Journal of the American College of Surgeons. 2009 Dec;209(6):707-11.
54. Is The Decline In The Surgical Treatment For Diverticulitis Associated With An Increase In Complicated Diverticulitis?  
Ricciardi R, Baxter NN, **Read TE**, Marcello PW, Hall J, Roberts PL.  
Diseases of the Colon and Rectum. 2009. 52(9): 1558-1563.
55. Anastomotic Leak Testing Following Colorectal Resection: What Are the Data?  
Ricciardi R, Roberts PL, Marcello JF, **Read TE**, Schoetz DJ.  
Archives of Surgery. 2009. 144: 407-11
56. Laparoscopic vs Open Total Abdominal Colectomy for Severe Colitis: Impact on Recovery and Subsequent Completion Restorative Proctectomy.  
Chung T, Fleshman JW, Birnbaum EH, **Read TE**, Dietz D, Hunt S, Lowney J, Yan Y, Mutch M.  
Diseases of the Colon and Rectum. 2009. 52:4-10.
57. "Peek Port": A Novel Approach to Avoid Conversion in Laparoscopic Colectomy.  
**Read TE**, Salgado J, Ferraro D, Fortunato R, Caushaj, PF.  
Surgical Endoscopy. 2008 Jul 15. [Epub]. Print: 2009; 23(3): 477-481.
58. Predictors of disease-free survival in rectal cancer patients undergoing curative proctectomy  
Stewart D, Yan Y, Mutch M, Kodner I, Hunt S, Lowney J, Birnbaum E, **Read TE**, Fleshman J, Dietz D.  
Colorectal Disease. 2008 Nov;10(9):879-86.
59. Hand Assisted vs. Laparoscopic Colorectal Surgery: A Multi-center Prospective Randomized Trial.  
Marcello PW, Fleshman JW, Milsom JW, **Read TE**, Arnell TD, Birnbaum EH, Feingold DL, Lee SW, Mutch MG, Sonoda T, Yan Y, Whelan RL.  
Diseases of the Colon and Rectum. 2008. 51(6):818-26.
60. Laparoscopic Colectomy for "Benign" Colorectal Neoplasia: A Word of Caution.  
Brozovich, M; **Read, TE**; Salgado, J.; Akbari, R. P.; McCormick, J. T.; Caushaj, P. F.  
Surgical Endoscopy. 2008. 22(2):506-9.
61. Laparoscopic Proctectomy for Rectal Adenocarcinoma  
**Read TE**.

**Read TE**, Myerson RJ, Fleshman JW, Birnbaum EH, Walz BJ, Kodner IJ.  
Diseases of the Colon and Rectum. 2002; 45:904-914.
  74. Locoregional recurrence and survival following curative resection of adenocarcinoma of the colon.  
**Read TE**, Mutch MG, Chang BW, McNevin MS, Fleshman JW, Birnbaum EH, Fry RD, Caushaj PF, Kodner IJ.  
Journal of the American College of Surgeons. 2002; 195:33-40.

## Thomas E. Read, MD, FACS, FASCRS

75. Early experience with stapled hemorrhoidectomy in the United States.  
Singer MA, Cintron JR, Fleshman JW, Chaudhry V, Birnbaum EH, **Read TE**, Spitz JS, Abcarian H.  
Diseases of the Colon and Rectum. 2002; 45(3):360-369.
76. Neoadjuvant external beam radiation and proctectomy for adenocarcinoma of the rectum.  
**Read TE**, Ogunbiyi OA, Fleshman JW, Birnbaum EH, Fry RD, Myerson RJ, Kodner IJ.  
Diseases of the Colon and Rectum. 2001; 44(12): 1778-1790.
77. Treatment of rectal adenocarcinoma with endocavitary and external beam radiation therapy, results for 199 patients with localized tumors.  
Aumock A, Birnbaum, EH, Fleshman JW, Fry RD, Gambacorta, MA, Kodner IJ, Malyapa RS, **Read TE**, Walz BJ, Myerson RJ.  
International Journal of Radiation Oncology Biology Physics. 2001; 51:363-70.
78. Neoadjuvant therapy for adenocarcinoma of the rectum: tumor response and acute toxicity.  
**Read TE**, McNevin MS, Gross EKM, Whiteford HM, Lewis JL, Ratkin G, Picus J, Birnbaum EH, Fleshman JW, Kodner IJ, Myerson RJ.  
Diseases of the Colon and Rectum. 2001; 44(4): 513-522.
79. A phase I/II trial of three dimensionally planned concurrent boost radiotherapy and protracted venous infusion of 5-FU chemotherapy for locally advanced rectal carcinoma.  
Myerson RJ, Valentini V, Birnbaum EH, Cellini N, Coco C, Fleshman JW, Gambacorta MA, Genovesi D, Kodner IJ, Picus J, Ratkin G, **Read TE**.  
International Journal of Radiation Oncology Biology Physics. 2001; 50: 1299-1308.
80. Radiation therapy for epidermoid carcinoma of the anal canal, clinical and treatment factors associated with outcome.  
Myerson RJ, Kong F, Birnbaum EH, Fleshman JW, Kodner IJ, Picus J, Ratkin GA, **Read TE**, Walz BE.  
Radiotherapy and Oncology. 2001. 61:15-22.
81. Pre-treatment clinical findings predict outcome for patients receiving preoperative radiation for rectal cancer.  
Myerson RJ, Singh A, Birnbaum E, Fleshman J, Fry R, Kodner I, Lockett M, Picus J, **Read TE**, Walz B.  
International Journal of Radiation Oncology Biology Physics. 2001; 50: 1299-1308
82. Manometric squeeze pressure difference parallels functional outcome after overlapping sphincteroplasty  
Ha H, Smith M, Fleshman JW, **Read TE**, Kodner IJ, Birnbaum EH.  
Diseases of the Colon and Rectum. 2001; 44(5): 655-60.
83. Outcome of patients with rectal adenocarcinoma and localized pelvic non-nodal metastatic foci.  
Singh AK, Myerson RJ, Birnbaum EH, Fleshman JW, Kodner IJ, Lockett MA, **Read TE**.  
Diseases of the Colon and Rectum. 2000; 43(9):1217-1221.
84. Usefulness of FDG-PET scan in the assessment of suspected metastatic or recurrent adenocarcinoma of the colon and rectum.  
Whiteford MH, Whiteford HM, Yee LF, Ogunbiyi OA, Dehdashti F, Siegel BA, Birnbaum EH, Fleshman JW, Kodner IJ, **Read TE**.  
Diseases of the Colon and Rectum. 2000; 53: 759-770.
85. Use of endoanal ultrasound in patients with rectovaginal fistulas.  
Yee LF, Birnbaum EH, **Read TE**, Kodner IJ, Fleshman JW.  
Diseases of the Colon and Rectum. 1999; 42: 1057-1064.
86. Laparoscopic vs. open abdominoperineal resection for cancer  
Fleshman JW, Wexner SD, Anvari M, LaTulippe J, Birnbaum EH, Kodner IJ, **Read TE**, Noguerras JJ. .  
Diseases of the Colon and Rectum. 1999; 42(7): 930-939.

## Thomas E. Read, MD, FACS, FASCRS

87. A practical approach to familial and hereditary colorectal cancer.  
Ivanovich J, **Read TE**, Ciske D, Kodner IJ, Whelan A.  
American Journal of Medicine. 1999; 107: 68-77.
88. Proctectomy and coloanal anastomosis for rectal cancer.  
**Read TE**, Kodner IJ.  
Archives of Surgery. 1999; 134: 670-677.
89. Colorectal cancer: Risk factors and recommendations for prevention and early detection.  
**Read TE**, Kodner IJ.  
American Family Physician. 1999; 59: 3083-3092.
90. Five fractions of preoperative radiotherapy for selected cases of rectal carcinoma: Long term tumor control and tolerance to treatment.  
Myerson R, Genovesi D, Lockett M, Birnbaum E, Fleshman J, Fry R, Kodner I, Menteer J, Picus J, **Read T**, Walz B.  
International Journal of Radiation Oncology Biology Physics. 1999; 43: 537-543.
91. Colonoscopy for small adenomas.  
**Read TE**, Read JD, Butterly LF.  
Annals of Internal Medicine. 1999; 130 (8): 700-701.
92. Colo-enteric fistula from chicken bone perforation of the sigmoid colon.  
**Read TE**, Jacono F, Prakash C.  
Surgery. 1999; 125: 354-356.
93. Confirmation that chromosome 18q loss in colon cancer is a prognostic indicator.  
Ogunbiyi OA, Goodfellow PJ, Herfarth K, Gagliardi G, Swanson PE, Birnbaum EH, **Read TE**, Fleshman JW, Kodner IJ, Moley JF.  
Journal of Clinical Oncology. 1998; 16(2): 427-33.
94. Importance of adenomas 5 mm or less in diameter that are detected by sigmoidoscopy.  
**Read TE**, Read JD, Butterly LF  
New England Journal of Medicine. 1997; 336: 8-12.
95. Detection of recurrent and metastatic colorectal cancer: Comparison of positron emission tomography and computed tomography.  
Ogunbiyi OA, Flanagan FL, Dehdashti F, Siegel BA, Trask DD, Birnbaum EH, Fleshman JW, **Read TE**, Philpott GW, Kodner IJ.  
Annals of Surgical Oncology. 1997; 4(8): 613-620.
96. Laparoscopic-assisted ileocolic resections in Crohn's patients: are abscesses, phlegmons, or recurrent disease contraindications?  
Wu JS, Birnbaum EH, Kodner, IJ, Fry RD, **Read TE**, Fleshman JW.  
Surgery. 1997;122: 682-9.
97. Afferent limb obstruction complicating ileal pouch-anal anastomosis.  
**Read TE**, Schoetz, Jr. DJ, Marcello PW, Roberts PL, Coller JA, Murray JJ, Rusin LC, Veidenheimer MC.  
Diseases of the Colon and Rectum. 1997; 40: 566-569.
98. Importance of colonic adenomas 5 mm or less in diameter [authors reply]  
**Read TE**, Read JD, Butterly LF..  
New England Journal of Medicine. 1997; 336:1761-2.
99. Obstructing carcinoid tumor of the rectum: Case report and review of the literature.  
**Read TE**, Simmons M, Halvorsen R, Schecter WP.  
Contemporary Surgery. 1997; 50: 177-180.

**Thomas E. Read, MD, FACS, FASCRS**

100. Outcomes--Assessing the Effectiveness of Fecal Incontinence Therapy.  
**Read TE** and Fleshman JW.  
Seminars in Colon and Rectal Surgery. 1997; 8: 121-125.
101. Triglyceride-rich lipoproteins prevent septic death in rats.  
**Read TE**, Grunfeld C, Kumwenda Z, Calhoun MC, Kane JP, Feingold KR, Rapp JH.  
Journal of Experimental Medicine. 1995; 182: 267-272.
102. Triglyceride-rich lipoproteins improve survival when given after endotoxin in rats.  
**Read TE**, Grunfeld C, Kumwenda Z, Calhoun MC, Kane JP, Feingold KR, Rapp JH.  
Surgery. 1995; 117: 62-7.
103. Chylomicrons enhance endotoxin excretion in bile.  
**Read TE**, Harris HW, Grunfeld C, Feingold KR, Calhoun MC, Kane JP, Rapp JH.  
Infection and Immunity. 1993; 61: 3496-3502.
104. Chylomicrons prevent death from platelet activating factor in rats.  
Kumwenda, ZL, **Read TE**, Stafforini DL, Rapp JH.  
Surgical Forum Volume XLIV. 1993; 103-104.
105. Cigarette smoke alters chylomicron metabolism in rats.  
Pan XM, Staprans I, **Read TE**, Rapp JH.  
Journal of Vascular Surgery. 1993; 18: 161-169.
106. Chylomicrons alter the fate of endotoxin, decreasing tumor necrosis factor release and preventing death.  
Harris HW, Grunfeld C, Feingold KR, **Read TE**, Kane JP, Jones AL, Eichbaum EB, Bland GF, Rapp JH.  
Journal of Clinical Investigation. 1993; 91: 1028-1034.
107. The protective effect of serum lipoproteins against bacterial lipopolysaccharide.  
**Read TE**, Harris HW, Grunfeld C, Feingold KR, Kane JP, Rapp JH.  
European Heart Journal. 1993; 14: 125-129.

### Abstracts, Peer-reviewed

1. Adult midgut volvulus due to Crohn's stricture and megacolon with occult congenital malrotation of the gut  
Underwood PW, Jacobs CR, **Read TE**.  
Society of Gastrointestinal Endoscopic Surgery (SAGES). Las Vegas, NV. Aug 31-Sept 3, 2021
2. Complex Multi-Specialty Management of an Iatrogenic Recto-Spinal Fistula  
Jacobs C, Underwood P, Huber T, Scali S, **Read T**.  
Society of Gastrointestinal Endoscopic Surgery (SAGES). Las Vegas, NV. Aug 31-Sept 3, 2021
3. Education, not cost underlies extended vte prophylaxis compliance in colon and rectal surgery patients.  
S Saha, M Cox, S Wright, A Bouton, K Terracina, **Read T**, S Tan  
American Society of Colon and Rectal Surgeons Annual Meeting. San Diego, CA. April 30, 2021. Published in  
Diseases of the Colon & Rectum 64(5)
4. Combined Endoscopic-Laparoscopic Management of a Large Lipoma Causing Left Colon Intussusception  
Anderson EM, Hall DJ, **Read TE**.  
American College of Surgeons Florida Chapter. Orlando, FL. May 1, 2021.
5. Preoperative Sarcopenia is a Risk Factor for Infectious Complications and Prolonged Stay in Crohn's Disease Patients Undergoing Intestinal Resection.  
Ouni A, Ayoub F, Jacobs C, Gesiotto F, Lopez A, Grajo J, Kamel A, Chaudhry N, Tan S, **Read T**, Zimmermann E.  
Presented at the Society of Surgery of the Alimentary Tract (SSAT) meeting Chicago, IL. May 2-5, 2020  
Published in Gastroenterology 158 (6), S-1534-S-1535
6. "Peek port": A 10 year follow up on avoiding conversion during laparoscopic colectomy.  
Jacobs C, **Read TE**.  
American College of Surgeons Clinical Congress. San Francisco, CA. Oct 27, 2019.  
Published in Journal of the American College of Surgeons 229 (4), e98
7. Colorectal Cancer in young patients: An institutional experience  
Parekh HD, Wang Y, Hanayneh W, Cameron M, Tan S, Iqbal A, **Read TE**, Allegra CJ, George TJ.  
American Society of Clinical Oncology Gastrointestinal Cancers Symposium. San Francisco, CA. January 19, 2019  
Published in Journal of Clinical Oncology 37 (15\_suppl), e15140-e15140
8. Should They Stay or Should They Go? The Utility of C Reactive Protein in Predicting Readmission and Anastomotic Leak After Colorectal Resection.  
Pantel HJ, Jasak L, Ricciardi R, Marcello PW, Roberts PL, Schoetz DJ, **Read TE**.  
American Society of Colon and Rectal Surgeons Annual Meeting. Nashville, TN. May 20, 2018
9. How Should Advanced Neoplastic Polyps Be Managed? An Appeal for an Endoscopic Step Up (ESU) Approach  
Cohan JN, Donahue C, Pantel HJ, Ricciardi R, Breen EM, Francone TF, Hall JF, Kleiman DA, **Read TE**, Roberts PL, Rusin LC, Marcello PW.  
American Society of Colon and Rectal Surgeons Annual Meeting. Nashville, TN. May 20, 2018
10. What do Young Colorectal Surgeons Value from their CRS residency training? Saraidaridis JT, **Read TE**, Marcello PW, Schoetz, DJ, Rusin LC, Kleiman DA, Melnitchouk N, Roberts PL, Breen EM.  
American Society of Colon and Rectal Surgeons Annual Meeting. Nashville, TN. May 20, 2018
11. What Is the Risk of Anastomotic Leak Following Repeat Intestinal Resection in Patients with Crohn's Disease?  
Johnston WF, Stafford CE, Francone TD, **Read TE**, Marcello PW, Roberts PL, Ricciardi RR  
American Society of Colon and Rectal Surgeons Annual Meeting. Seattle, WA. June 10-14, 2017
12. How Do Web Based Physician Reviews Compare to Industry Standard Metrics?  
Johnston D, Schoetz DJ, Marcello PW, Francone TF, Roberts PL, **Read TE**, Ricciardi RR.

## Thomas E. Read, MD, FACS, FASCRS

American College of Surgeons Clinical Congress. 2016  
Journal of the American College of Surgeons. 223 (4): e169.

13. Is the variability in surgical resection rates for diverticulitis related to the availability of surgeons?  
 Johnston D, Schoetz DJ, Marcello PW, Roberts PL, Francone TF, Hall JF, **Read TE**, Ricciardi RR.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30-May 4, 2016
14. What is the impact of operative time on adverse events following colorectal surgery?  
 Ricciardi RR, Poles G, Marcello PW, Roberts PL, Schoetz DJ, Hall JF, Francone TD, **Read TE**.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30-May 4, 2016
15. Should Classification as an ACS-NSQIP High Outlier Be Used to Direct Hospital Quality Improvement Efforts?  
 Lawson EH, Roberts PL, Marcello PW, Francone TD, Hall JF, **Read TE**, Schoetz DJ, Ricciardi RR.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30-May 4, 2016
16. Appropriate Management of Intra-Operative Air Leak During Leak Testing for Left-Sided Colorectal Anastomoses.  
 Mitchem JB, Roberts PL, Marcello PW, **Read TE**, Francone TD, Ricciardi RR.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30-May 4, 2016
17. Preoperative Short Course Radiotherapy for Rectal Cancer Provides Excellent Disease Control and Toxicity Results in a US Setting.  
 Roy A, Hunt S, Mutch M, **Read TE**, Fleshman J, Olsen JR, Myerson RJ, Parikh PJ.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. May 1, 2016
18. Morbidity and Mortality in Patients Undergoing Colorectal Surgery Differs by Surgical Trainee Level.  
 Chen L, Schoetz DJ, Marcello P, **Read TE**, Hall JF, Roberts PL, Francone TD, Ricciardi R.  
 New England Society of Colon and Rectal Surgeons Annual Meeting. York, ME. May 2, 2015.
19. Quality Improvement Initiatives in Colorectal Surgery: Process Improvement or Hawthorne Effect?  
 Waters JA, Francone TD, , Marcello P, Roberts PL, Schoetz DJ, **Read TE**, Hall JF, Rusin L, Ricciardi R.  
 New England Society of Colon and Rectal Surgeons Annual Meeting. York, ME. May 2, 2015.
20. Morbidity and Mortality in Patients Undergoing Colorectal Surgery Differs by Surgical Trainee Level.  
 Chen L, Schoetz DJ, Marcello P, **Read TE**, Hall JF, Roberts PL, Francone TD, Ricciardi R.  
 American College of Surgeons Clinical Congress. San Francisco, CA. October 27, 2014.
21. Can We Use NSQIP To Provide Accurate Surgeon Specific Outcomes?  
 A. K. Moss, P. Marcello, P. Roberts, **Read TE**, D. Schoetz, L. Rusin, J. Hall, R. Ricciardi  
 New England Society of Colon and Rectal Surgeons Annual Meeting. Whitefield, NH, June 7, 2014
22. Major Operations with Highest Risk of Readmission  
 Kasten KR, Marcello PW, Roberts PL, **Read TE**, Schoetz DJ, Hall JF, Francone TD, Ricciardi R  
 New England Society of Colon and Rectal Surgeons Annual Meeting. Whitefield, NH, June 7, 2014
23. Can We Use NSQIP To Provide Accurate Surgeon Specific Outcomes?  
 A. K. Moss, P. Marcello, P. Roberts, **Read TE**, D. Schoetz, L. Rusin, J. Hall, R. Ricciardi  
 American Society of Colon and Rectal Surgeons Annual Meeting. Hollywood, FL. May 17-21, 2014.
24. Outcomes after Operations for Fistula in ano. Results of a prospective, multicenter, regional study.  
 Hall JF, Bordeianou L, Hyman N, **Read TE**, Bartus C, Schoetz D.  
 American Society of Colon and Rectal Surgeons Annual Meeting. Hollywood, FL. May 17-21, 2014.
25. Major Operations with Highest Risk of Readmission  
 Kasten KR, Marcello PW, Roberts PL, **Read TE**, Schoetz DJ, Hall JF, Francone TD, Ricciardi R  
 American Society of Colon and Rectal Surgeons Annual Meeting. Hollywood, FL. May 17-21, 2014.

## Thomas E. Read, MD, FACS, FASCRS

26. What are the Results of Volvulus Surgery?  
Kasten KR, Marcello PW, Roberts PL, **Read TE**, Schoetz DJ, Hall JF, Francone TD, Ricciardi R  
American Society of Colon and Rectal Surgeons Annual Meeting. Hollywood, FL. May 17-21, 2014.
27. What is the risk of anastomotic leak in the diverted colorectal anastomosis?  
Heahy J, Marcello P, **Read TE**, Hall J, Schoetz D, Roberts P, Ricciardi R.  
New England Surgical Society annual meeting. Hartford, CT. September 20-22, 2013.
28. The Lahey Score: A Simple Score to Predict the Need for Early Surgical Intervention in Diverticulitis.  
Hall JF, Roberts PL, Ricciardi R, Marcello PW, Rusin L, **Read TE**, Schoetz DJ.  
American College of Surgeons Clinical Congress. Chicago, IL. Sept. 30-Oct 4, 2012.
29. Long term results of rectal prolapse repair: Which operative repair is associated with higher likelihood of reoperation?  
Ricciardi R, Roberts, PL, Marcello PW, Hall, JF, **Read TE**, Schoetz DJ.  
American College of Surgeons Clinical Congress. Chicago, IL. Sept. 30-Oct 4, 2012.
30. Changing Paradigms In Acute Care Surgery: A Shift to the Hindgut.  
Mishra N, Roberts, PL, Marcello PW, Hall JF, Schoetz, DJ, **Read TE**, Ricciardi RR.  
American College of Surgeons Clinical Congress. Chicago, IL. Sept. 30-Oct 4, 2012.
31. Morbid Obesity is a Risk Factor for Surgical Complications Following Surgery for Diverticulitis.  
J. F. Hall, P. L. Roberts, R. Ricciardi, **T. Read**, P. W. Marcello, L. Rusin and D. J. Schoetz.  
American College of Surgeons Clinical Congress. San Francisco, CA. Oct. 22-26, 2011.
32. Superficial Surgical Site Infections following Colorectal Surgery: Association with Mortality and Length of Stay  
R. Ricciardi, **T. Read**, P. L. Roberts, P. W. Marcello, N. Baxter and D. J. Schoetz.  
American College of Surgeons Clinical Congress. San Francisco, CA. Oct. 22-26, 2011.
33. Diverticular Abscess: Is Antibiotic Therapy Sufficient?  
J. F. Hall, W. M. Hesham, P. L. Roberts, **T. Read**, R. Ricciardi, P. W. Marcello, C. Wald and D. J. Schoetz..  
American Society of Colon and Rectal Surgeons Annual Meeting. Vancouver, BC, Canada. May 14-19, 2011.
34. How Often do Patients Return to the Operating Room after Colorectal Surgery?  
R. Ricciardi, P. L. Roberts, **T. E. Read**, P.W. Marcello, J. F. Hall, D. J. Schoetz.  
American Society of Colon and Rectal Surgeons Annual Meeting. Vancouver, BC, Canada. May 14-19, 2011.

### INVITED LECTURES AND PRESENTATIONS--INTERNATIONAL, NATIONAL, REGIONAL

1. Einstein, Thought Experiments and Standard of Care  
Piedmont Surgical Society  
Ponte Vedra, FL. August 6, 2021
2. Einstein, Thought Experiments and Standard of Care  
University of North Carolina School of Medicine  
Visiting Professor  
May 26, 2021
3. Moderator: Controversies in the Ileoanal Pouch  
Society of Surgery of the Alimentary Tract (SSAT) Symposium  
May 23, 2021
4. Einstein, Thought Experiments and Standard of Care  
San Francisco Surgical Society  
May 12, 2021
5. Rectal Cancer: What We Knew With Certainty...What We Think We Know Now  
Philippine College of Surgeons 76<sup>th</sup> Annual Clinical Congress  
Manila, Philippines. Dec 6-9, 2020
6. Anastomotic Leak: Early Detection and Novel Treatments  
Philippine College of Surgeons 76<sup>th</sup> Annual Clinical Congress  
Manila, Philippines. Dec 6-9, 2020
7. Diverticulitis: Data Versus Dogma  
Colorectal Virtual Education Series  
Nov 22, 2020
8. Rectal Cancer: What We Knew With Certainty...What We Think We Know Now  
Bacon Oration. Pennsylvania Society of Colon & Rectal Surgeons.  
Philadelphia, PA. Oct 15, 2020
9. Rectal Cancer: What We Knew With Certainty...What We Think We Know Now  
Visiting Professor Lectureship. Loyola Sichler School of Medicine.  
Chicago, IL. Oct 15-16, 2019
10. Rectal Cancer: What We Knew With Certainty...What We Think We Know Now  
Mark Ravitch, MD Visiting Professorship Lecture. Johns Hopkins School of Medicine  
Baltimore, MD. Sept 6, 2019
11. Welcome to the Future: Neoadjuvant Short Course Radiotherapy-Better Learn to Love It  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Cleveland, OH. June 5, 2019
12. Mastering Your Craft After Residency  
9th Annual Colorectal Residents Career Course. Case Western University  
Cleveland, OH. Nov 2-3, 2018.
13. Neoadjuvant Short Course Radiotherapy for Rectal Cancer  
Colorectal Surgery Issues and Updates: The Piedmont Society  
Amelia Island, FL. August 9-11, 2018.
14. Anastomotic Leak: Novel Treatments  
Colorectal Surgery Issues and Updates: The Piedmont Society

## Thomas E. Read, MD, FACS, FASCRS

Amelia Island, FL. August 9-11, 2018.

15. Clostridium Difficile Colitis  
Colorectal Surgery Issues and Updates: The Piedmont Society  
Amelia Island, FL. August 9-11, 2018.
16. Neoadjuvant Therapy for Rectal Cancer: One Size Fits All? Or Tailored Therapy  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
17. Laparoscopic Proctectomy for Rectal Cancer: Should we do it?  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
18. Impact of Surgical Technique on Outcomes in Rectal Cancer  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
19. Rectal Cancer: Nonoperative Therapy—Watch and Wait  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
20. Anastomotic Leak: How to Prevent It; How to Handle It.  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
21. Obstructed Defecation: Should patients undergo operation?  
Congress of the Colombian Associations of the Associations of the Digestive System  
Bogota, Colombia. November 16-18, 2017
22. Rectal Cancer: Examining the Evidence--What if Sherlock Holmes Was a Colorectal Surgeon  
Williams - Cataldo Lectureship  
University of Vermont Medical Center  
Burlington, VT. September 14, 2017
23. Hot Lights and Cold Steel? The Role of Surgery in Modern Inflammatory Bowel Disease Care  
New Advances in Inflammatory Bowel Disease Conference. Scripps Medical Center  
San Diego, CA. September 10, 2017
24. Short Course Neoadjuvant Radiotherapy for Rectal Cancer  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
25. Clostridium Difficile Colitis: What the Surgeon Needs to Know  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
26. Laparoscopic Proctectomy for Rectal Cancer  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
27. Response of Tumor to Chemoradiotherapy  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
28. Diverticulitis: Pathogenesis and Natural History  
Russian School of Colorectal Surgery. Sechenov University.

## Thomas E. Read, MD, FACS, FASCRS

Moscow, Russia. May 28-30, 2017.

29. Stapled Hemorrhoidopexy: For Everyone, Select Patients, or Nobody?  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
30. Laparoscopic Proctectomy for Rectal Cancer—Lessons Learned from Recent Randomized Trials  
Russian School of Colorectal Surgery. Sechenov University.  
Moscow, Russia. May 28-30, 2017.
31. Rectal Cancer--Evaluating the Evidence: What if Sherlock Holmes Was a Colorectal Surgeon  
Texas Health Research and Education Institute  
Fort Worth, TX. May 10, 2017
32. Obstructing Colon Cancer.  
Comprehensive Management of Colorectal Cancer: An Interactive Forum  
American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. May 1, 2016
33. Research Symposium  
Moderator and Session Organizer  
American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30, 2016
34. Perspective from the Other Side: The Editorial Process—Critically Reviewing Abstracts and Manuscripts  
American Society of Colon and Rectal Surgeons Annual Meeting. Los Angeles, CA. April 30, 2016
35. What if Sherlock Holmes Was a Colorectal Surgeon—Evidence is the Key to Treatment of Rectal Cancer  
The Abcarian Lecture  
4<sup>th</sup> Annual Chicago Colorectal Symposium  
Chicago, IL. April 2, 2016
36. Diverticulitis: Who Needs A Colectomy  
Cleveland Clinic International Colorectal Disease Symposium  
Boca Raton, FL. Feb. 3-6, 2016
37. Postoperative Ileus—What’s Important and What’s Not  
Cleveland Clinic International Colorectal Disease Symposium  
Boca Raton, FL. Feb. 3-6, 2016
38. Session Moderator: Difficult Dilemmas  
Cleveland Clinic International Colorectal Disease Symposium  
Boca Raton, FL. Feb. 3-6, 2016
39. Anastomotic Options in Rectal Cancer Surgery  
Postgraduate Course: Performing Total Mesorectal Excision  
American College of Surgeons Clinical Congress  
Chicago, IL Oct 6, 2015
40. Dealing with the Failed Intestinal Anastomosis.  
Moderator and Session Organizer  
American College of Surgeons Clinical Congress  
Chicago, IL Oct 6, 2015
41. The Trials and Tribulations of Clinical Research: Why Johnny Can’t Add  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Boston, MA. June 1, 2015

## Thomas E. Read, MD, FACS, FASCRS

42. Ultra Low Resection with Coloanal Anastomosis: Mucosectomy vs. Intersphincteric Resection  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Boston, MA. June 1, 2015
43. How to Produce a High Quality Manuscript for Scientific Journals  
Meet the Professor Session  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Boston, MA. June 1, 2015
44. Rectal Cancer  
Behind the Knife: The Surgery Podcast  
April 27, 2015
45. Novel Treatments for Anastomotic Leak  
American College of Surgeons Clinical Congress. San Francisco, CA.  
Oct 27, 2014.
46. How to Get Your Research Published  
Cleveland Clinic Foundation. Cleveland, OH. Visiting Professor.  
October 23-24, 2014
47. Rectal Cancer: What We Knew With Certainty...What We Think We Know Now  
Cleveland Clinic Foundation. Cleveland, OH. Visiting Professor.  
October 23-24, 2014
48. Diverticulitis: Nuts, Seeds and Beyond.  
Cleveland Clinic Foundation. Cleveland, OH. Visiting Professor.  
October 23-24, 2014
49. Colon and Rectal Surgery: Innovation Comes Standard  
Keynote Lecture  
University of Chicago Symposium. .Colon, Rectum and Beyond: Innovations in Management of Inflammatory  
Bowel Disease, Colorectal Cancer and Pelvic Floor Disorders.  
Chicago, IL Oct. 10, 2014.
50. Symposium Director and Moderator: Submitting Abstracts and Manuscripts to Professional Societies/Journals  
American Society of Colon and Rectal Surgeons Annual Meeting  
Hollywood, FL. May 19, 2014
51. How to Put A Manuscript Together  
American Society of Colon and Rectal Surgeons Annual Meeting  
Hollywood, FL. May 19, 2014
52. Role of Immunomodulators in Complications of Surgery for Inflammatory Bowel Disease.  
University of California, San Francisco. Postgraduate Course in Colon and Rectal Surgery. March 6-9, 2014
53. Anastomotic Leak  
University of California, San Francisco. Postgraduate Course in Colon and Rectal Surgery. March 6-9, 2014
54. Diverticulitis and Fistulas.  
University of California, San Francisco. Postgraduate Course in Colon and Rectal Surgery. March 6-9, 2014
55. Complicated Ileocolic Crohn's Disease, Surgical Approach.  
University of California, San Francisco. Postgraduate Course in Colon and Rectal Surgery. March 6-9, 2014
56. Diverticulitis: Nuts, Seeds and Beyond  
Veterans Affairs Boston Healthcare System.

## Thomas E. Read, MD, FACS, FASCRS

West Roxbury, MA. January 31, 2014

57. Reducing Mortality from Colorectal Cancer  
Bermuda Hospitals Board. King Edward VII Memorial Hospital.  
Hamilton, Bermuda. July 11, 2013.
  
58. Prevention and Management of Anastomotic Leak in Colorectal Surgery  
Royal Australasian College of Surgeons Clinical Congress  
Auckland, New Zealand. May 8, 2013.
  
59. Adjuvant Radiotherapy for Rectal Cancer.  
Royal Australasian College of Surgeons Clinical Congress  
Auckland, New Zealand. May 7, 2013.
  
60. How to Publish Your Research in a Good Journal  
Royal Australasian College of Surgeons Clinical Congress  
Auckland, New Zealand. May 7, 2013.
  
61. Symposium Director and Moderator: Rectal Cancer Care in 2013  
American Society of Colon and Rectal Surgeons Annual Meeting  
Phoenix, AZ. April 28, 2013.
  
62. Diverticulitis: Nuts, Seeds and Beyond  
Merrimack Valley Hospital  
Haverhill, MA. February 5, 2013
  
63. Future Techniques in Colon and Rectal Surgery.  
XXXVI Congreso Internacional de Cirugia General.  
Cancun, Mexico. October 27-Nov. 2, 2012
  
64. Laparoscopic Colectomy: Where Do We Stand 20 years Later?  
XXXVI Congreso Internacional de Cirugia General.  
Cancun, Mexico. October 27-Nov. 2, 2012.
  
65. Laparoscopic Colectomy: Staying Out of Trouble.  
XXXVI Congreso Internacional de Cirugia General.  
Cancun, Mexico. October 27-Nov. 2, 2012.
  
66. Management of Obstructed Defecation.  
XXXVI Congreso Internacional de Cirugia General.  
Cancun, Mexico. October 27-Nov. 2, 2012.
  
67. Diverticulitis: Nuts, Seeds and Beyond.  
XXXVI Congreso Internacional de Cirugia General.  
Cancun, Mexico. October 27-Nov. 2, 2012.
  
68. Surgical Site Infection  
Symposium Moderator  
American Society of Colon and Rectal Surgeons Annual Meeting  
San Antonio, TX. June 5, 2012.
  
69. How to Write a Good Board Question  
Symposium Moderator and Speaker  
American Society of Colon and Rectal Surgeons Annual Meeting  
San Antonio, TX. June 5, 2012.

## Thomas E. Read, MD, FACS, FASCRS

70. Postoperative Ileus: What's Important and What's Not  
Melrose-Wakefield Hospital  
Melrose, MA May 9, 2012
71. Top Ten Papers in General Surgery 2011  
Kaiser National Surgical Symposium  
Maui, Hawaii. April 19, 2012
72. Laparoscopic Colectomy: Where Do We Stand?  
Kaiser National Surgical Symposium  
Maui, Hawaii. April 21, 2012
73. The Future of Rectal Cancer Treatment Based on Clinical Trials  
Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) annual meeting.  
San Diego, CA. March 9, 2012.
74. Surgical Management of Inflammatory Bowel Disease  
Maine Gastroenterology Society Annual Meeting  
Northport, ME. Feb. 4, 2012.
75. Rectal Cancer: Controversies.  
Greater Baltimore Medical Center. Visiting Professorship  
Baltimore, MD. October 7, 2011.
76. Changing Strategies for Managing Diverticulitis: Nuts, Seeds, and Beyond  
Greater Baltimore Medical Center. John D. Rosin Memorial Lecture.  
Baltimore, MD. October 6, 2011.
77. Update on Rectal Cancer: Things we knew with certainty... Things we have learned  
Current Topics in Gastroenterology & Hepatology  
Brewster, MA. July 21, 2011
78. Anastomotic Leaks: Prevention and Treatment  
Symposium Moderator  
American Society of Colon and Rectal Surgeons Annual Meeting  
Vancouver, BC, Canada. May 15, 2011.
79. Question Writing Workshop: How to Write Good Board Questions  
Moderator and speaker  
American Society of Colon and Rectal Surgeons Annual Meeting  
Vancouver, BC, Canada. May 14, 2011.
80. Single Incision Laparoscopic Colectomy: Con  
American College of Surgeons Clinical Congress  
Washington, DC. October 3, 2010.
81. Rectal Cancer: What We Knew With Certainty... What We Know Now.  
Visiting Professor Lectureship. Iowa Health System.  
Des Moines, IA. August 19, 2010.
82. Anastomotic Leak: Prevention and Management  
Richard Saleeby Lectureship  
Piedmont Surgical Society annual meeting.  
Jekyll Island, GA. August 7, 2010.
83. Hand-Assisted Laparoscopic Colectomy: Helping Hand or Hindrance?  
Piedmont Surgical Society annual meeting.

## Thomas E. Read, MD, FACS, FASCRS

Jekyll Island, GA. August 6, 2010.

84. Tailored Treatment for Rectal Cancer: One Size Does Not Fit All.  
Piedmont Surgical Society annual meeting.  
Jekyll Island, GA. August 5, 2010.
85. Diverticulitis: When To Operate?  
Current Topics in Gastroenterology & Hepatology  
Brewster, MA. July 22, 2010
86. Inflammatory Bowel Disease Debate: Lotions and Potions vs. Hot Lights and Cold Steel  
Current Topics in Gastroenterology & Hepatology  
Brewster, MA. July 22, 2010
87. Symposium Director and Moderator: Colorectal Cancer—Optimizing Outcomes  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Minneapolis, MN. May 17, 2010.
88. Pathology and Colorectal Cancer  
Meet the Professor Session  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Minneapolis, MN. May 17, 2010.
89. Writing a Board Question: Where Do I Start?.  
Question Writing Workshop  
American Society of Colon and Rectal Surgeons Annual Meeting.  
Minneapolis, MN. May 15, 2010.
90. Rectal Cancer: The Case for Quality  
18<sup>th</sup> Annual Refresher Course & Update in General Surgery. Washington University School of Medicine  
St. Louis, MO. February 25, 2010
91. Diverticulitis: When to Operate?  
21<sup>st</sup> Annual Colorectal Disease Symposium.  
Fort Lauderdale, FL. Feb. 11, 2010
92. Sentinel Lymph Node Mapping for Colorectal Cancer  
21<sup>st</sup> Annual Colorectal Disease Symposium.  
Fort Lauderdale, FL. Feb. 11, 2010

XXXIII Congreso Internacional de Cirugia General  
Acapulco, Mexico, Nov. 5-6, 2009
94. Laparoscopic Colectomy: Tips and Tricks to Stay Out of Trouble  
XXXIII Congreso Internacional de Cirugia General  
Acapulco, Mexico, Nov. 5-6, 2009
95. Laparoscopic Proctectomy for Rectal Cancer: The Time is Now  
XXXIII Congreso Internacional de Cirugia General  
Acapulco, Mexico, Nov. 5-6, 2009
96. “Full” Laparoscopic Colectomy: For Whom? How?  
XXXIII Congreso Internacional de Cirugia General  
Acapulco, Mexico, Nov. 5-6, 2009

## Thomas E. Read, MD, FACS, FASCRS

97. Program Chair and Moderator  
Colon and Rectal Cancer Postgraduate Course.  
American College of Surgeons Clinical Congress. Chicago, IL. October 13, 2009.
98. Laparoscopy for Colon Cancer: Are You Ready  
Laparoscopic Colon and Rectal Surgery Postgraduate Course.  
American College of Surgeons Clinical Congress. Chicago, IL. October 12, 2009.
99. Hand Assisted Laparoscopic Colectomy  
Innovations in Surgery International Teleconference, sponsored by Cleveland Clinic Foundation  
August 7, 2009
100. Surgical Management of Inflammatory Bowel Disease  
Current Topics in Gastroenterology & Hepatology  
Brewster, MA. July 23, 2009
101. Moderator, Roundtable Discussion: Advanced Colorectal Cancer  
3<sup>rd</sup> World Congress of Coloproctology and Pelvic Diseases.  
Rome, Italy. June 23, 2009
102. Treatment of the Complications of Mechanical Anastomosis  
3<sup>rd</sup> World Congress of Coloproctology and Pelvic Diseases.  
Rome, Italy. June 22, 2009
103. Laparoscopic Colectomy: Does the Hand Help?  
Egyptian Colon and Rectal Surgery Society Annual Meeting  
Sharm el Sheikh, Egypt June 17, 2009.
104. Proctectomy for Rectal Cancer: Bringing the Best Technique to the Table  
Egyptian Colon and Rectal Surgery Society Annual Meeting  
Sharm el Sheikh, Egypt June 17, 2009.
105. Postoperative ileus.  
Symposium: Perioperative considerations  
American Society of Colon and Rectal Surgeons Annual Meeting. Hollywood, FL. May 3, 2009.
106. Laparoscopic Rectal Mobilization: Deep Down in the Pelvis  
Kaiser Permanente 1st Annual National Multidisciplinary Minimally Invasive Surgery Symposium  
Kauai, HI. April 18, 2009.
107. Staying out of trouble during laparoscopic colectomy  
Kaiser Permanente 1st Annual National Multidisciplinary Minimally Invasive Surgery Symposium  
Kauai, HI. April 18, 2009.
108. Acute Anal Pain  
Kaiser Permanente 5<sup>th</sup> Annual Surgical Symposium  
Kauai, HI. April 17, 2009.
109. Diverticulitis: Operate or Wait?  
Kaiser Permanente 5<sup>th</sup> Annual Surgical Symposium  
Kauai, HI. April 17, 2009.
110. Rectal Cancer: What We Knew with Certainty...What We Know Now.  
Visiting Professor in Surgery  
University of California Los Angeles School of Medicine. Los Angeles, CA. April 1, 2009

## Thomas E. Read, MD, FACS, FASCRS

111. Rectal Cancer: What We Knew with Certainty...What We Know Now.  
Visiting Professor in Surgery  
Temple University School of Medicine. Philadelphia, PA March 18-19, 2009
112. Rectal Cancer: What We Knew with Certainty...What We Know Now.  
Visiting Professor in Surgery  
University of Kansas School of Medicine-Wichita. Nov. 19, 2008.
113. Preoperative Radiation for Rectal Cancer. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice.  
University of Minnesota. Minneapolis, MN. October 22, 2008.
114. Optimal Surgical Technique for Rectal Cancer—Tips and Tricks. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice. University of Minnesota. Minneapolis, MN. October 24, 2008.
115. Laparoscopic Colectomy Technique: Pitfalls and Tips—How to Stay Out of Trouble. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice. University of Minnesota. Minneapolis, MN. October 23, 2008.
116. Meet the Professor. Laparoscopic Colectomy. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice. University of Minnesota. Minneapolis, MN. October 23, 2008.
117. Hand-Assisted Laparoscopic Colectomy  
Laparoscopic Colectomy Postgraduate Course. 71<sup>st</sup> Annual Colon & Rectal Surgery: Current Principles and Practice. University of Minnesota. Minneapolis, MN. October 22, 2008.
118. Rectal Cancer Surgery: Bringing the Best Technique to the Table  
Symposium: Rectal Cancer: Optimizing Multimodality Treatment.  
American College of Surgeons Clinical Congress. San Francisco, CA. October 16, 2008.
119. Pelvic Dissection and Rectal Mobilization  
Symposium: Colorectal Techniques: Tricks of the Trade.  
American College of Surgeons Clinical Congress. San Francisco, CA. October 14, 2008.
120. Laparoscopic Colectomy for Cancer: Where Do We Stand?  
Laparoscopic Colectomy Postgraduate Course.  
American College of Surgeons Clinical Congress. San Francisco, CA. October 12, 2008.
121. Technical Advances in Laparoscopic Colectomy.  
Canadian Surgery Forum, Canadian Association of General Surgeons. Halifax, Nova Scotia. Sept. 11, 2008.
122. Laparoscopy for Rectal Cancer.  
Canadian Surgery Forum, Canadian Association of General Surgeons. Halifax, Nova Scotia. Sept. 11, 2008.
123. Hand-assisted laparoscopic colectomy techniques.  
Association of Program Directors in Colon and Rectal Surgery laparoscopic colectomy postgraduate course.  
Cincinnati, OH. Aug. 22, 2008
124. Laparoscopic left colectomy and proctectomy.  
Laparoscopic Colon Surgery Course. Weill Cornell Medical College, New York Presbyterian Hospital. Aug. 9, 2008.
125. Moderator: Inflammatory bowel disease scientific session.  
American Society of Colon and Rectal Surgeons annual meeting. Boston, MA. June 11, 2008.
126. Symposium organizer and moderator. Prevention and treatment of postoperative ileus.  
American Society of Colon and Rectal Surgeons annual meeting. Boston, MA. June 8, 2008.
