to Change Health Outcomes in Adolescents and Young Adults with Asthma (MATCH)
Grant: \$468,534/\$245,980/\$714,513.67 for 01/2019-01/2023
3. Diabetes Self-Management Education Via Telehealth Feasibility Study Grant
\$65,455/\$6,545/\$72,000 for 01/01/2018-06/2018
4. Contract between State of Florida Agency for Health Care Administration and UF COP;
\$64,225/\$16,056/\$80,282 for 06/01/17-11/30/17 (Medication Therapy Management
Services)
5. Contract between State of Florida Agency for Health Care Administration and UF COP;
\$72,896/\$34,779/\$107,675 for 06/01/16-05/31/17 (Medication Therapy Management
Services)
6. Contract between State of Florida Agency for Health Care Administration and UF COP;
\$72,896/\$34,779/\$107,675 for 06/01/15-05/31/16 (Medication Therapy Management
Services)
7. Grant: Contract between State of Florida Department of Health and UF COP;
\$174,509/\$17,451/\$191,960 for 01/01/15-06/30/15 (Research for Adherence Services)
8. Grant: Contract between State of Florida Department of Health and UF COP;
\$84,203/\$8,420/\$92,623 for 10/01/14-06/30/15 (Research for Adherence Services)

9. Contract between State of Florida Agency for Health Care Administration and UF COP; \$72,896/\$34,779/\$107,675 for 06/01/14-05/31/15 (Medication Therapy Management Services)
10. Contract between Comprehensive Health Management, Inc. and The UF COP; "Medication Therapy Management Agreement" per "Third Amendment" effective 9/1/12 with no current end date: \$36,413/\$326,092/\$362,505 for August 2012 to June 2013 (Adherence Services).
11. Contract between Comprehensive Health Management, Inc. and The UF COP; "Medication Therapy Management Agreement"; 12/31/2011-no current end date: \$1,119,187/\$301,658/\$1,420,845 for 2012-2013 (Medication Therapy Management Services).
12. Contract between State of Florida Agency for Health Care Administration and UF COP; \$72,896/\$34,779/\$107,675 (yearly): 06/01/11-06/30/14 (Medication Therapy Management Services)

RESEARCH:

1. UF IRB#202100407 Improving the prior authorization process using electronic health record integration and a pharmacist-led team in an academic call center
2. CED000000268 Improving medication adherence with telehealthcare medication therapy management to change health outcomes in adolescents and young adults with asthma (MATCH)
3. UF IRB#201602391 Impact of telephonic Medication Therapy Management (MTM) services on patient satisfaction
4. UF IRB#201501189 Evaluation of the effectiveness of a validated survey tool, the Pharmacist Drug Adherence Work-up (DRAW) tool, used to assess and improve medication adherence
5. UF IRB#201501187 Evaluating the time to complete a comprehensive medication review (CMR) before and after enhancing the role of the pharmacist's support staff
6. UF IRB#201501178 Improving gaps in medication therapy utilizing telephonic medication therapy management (MTM) services in conjunction with a case management program in a Managed Medicaid population
7. UF IRB#201500058 Impact of a telephonic outreach program on medication adherence in Medicare Advantage Prescription Drug plan beneficiaries.
8. UF IRB#516-201401076; Impact of a telephonic Medication Therapy Management (MTM) program on medication adherence in a managed Medicaid uncoordinated care population

9. UF IRB#516-201400853; Impact of a telephonic outreach program on medication adherence in Medicare Advantage Prescription Drug plan beneficiaries
10. UF IRB#516-201500036; Evaluation of various patient outreach models on the completion rate of comprehensive medication reviews (CMRs)
11. UF IRB#516-201401084; Reduction of 3-day hospital readmissions after patient-centric telephonic medication therapy management (MTM) services
12. UF IRB#516-201300823; Examining Florida Medicaid intervention data for a medication therapy management (MTM) program: An assessment of pharmacist recommendations to providers
13. UF IRB#516-2011; Examining Florida Medicaid intervention and patient satisfaction data for a medication therapy management (MTM) program: An assessment of patient and provider interventions

PRESENTATIONS:

VIRTUAL

1. What is Managed Care Pharmacy? AMCP Webinar. Presented to webinar attendees (pharmacists, students, etc). Virtual. 07/26/2023 (Invited)
2. Pharmacy-Based Test and Treat Train-the-Trainer Program: UF/APhA Certificate Training Program, Presented to faculty. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 05/16/2023 (Invited)
3. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 04/15/2023 (Invited)
4. Community Health Worker (CHW)-Pharmacist Collaboration Training Program. Presented to Community Health Workers in Florida. Virtual 01/24/2023 (Invited)
5. Community Health Worker (CHW)-Pharmacist Collaboration Training Program: A Refresher. Presented to Community Health Workers in Florida. Virtual 01/21/2023 (Invited)
6. Community Health Worker (CHW)-Pharmacist Collaboration Training Program. Presented to Community Health Workers in Florida. Virtual 01/04/2023 (Invited)
7. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 12/05/2022 (Invited)
8. Pharmacy-Based Test and Treat Program: UF/APhA Certificate Training Program, Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 11/05/2022 (Invited)

9. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 06/03/2022 (Invited)
10. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 04/30/2022 (Invited)
11. Dollars and Sense: Managed Care Pharmacy. Presented to prospective UF students. 03/24/2022. Virtual (Invited)
12. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 03/02/2022 (Invited)
13. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 02/19/2022 (Invited)
14. Community Health Worker (CHW)-Pharmacist Collaboration Training Program. Presented to Community Health Workers in Florida. Virtual 12/11/2021 (Invited)
15. Community Health Worker (CHW)-Pharmacist Collaboration Training Program. Presented to Community Health Workers in Florida. Virtual 12/04/2021 (Invited)
16. Community Health Worker (CHW)-Pharmacist Collaboration: A Diabetes Case Study. National Diabetes Awareness Month Lunch n' Learn. Florida Dept of Health. 11/15/2021 (Invited). Scheduled for virtual; Canceled day of presentation
17. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 10/23/2021 (Invited)
18. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 08/28/2021 (Invited)
19. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 06/05/2021 (Invited)
20. Training Community Health Workers to Collaborate with Clients and Pharmacists. Chronic Disease Prevention Summit Florida Department of Health. Scheduled for virtual 05/13/2021 (Invited)-Canceled due to Covid
21. Collaborative Practice Agreement Certification Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 04/10/2021 (Invited)
22. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 03/20/2021 (Invited)

23. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 02/27/2021 (Invited)
24. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 01/29/2021; 02/05/2021; 02/12/2021; 02/19/2021 (Invited)
25. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Virtual. 12/12/2020 (Invited)
26. MATCH Virtual Study Training Webinar: Medication Therapy Management (MTM) Overview. Presented to study staff (nurses, physicians, pharmacists). Virtual. 10/22/2020 (Invited)

LOCAL

1. Career Path Session Discussion with APPE Clerkship Students (All Campuses). University of Florida College of Pharmacy. Gainesville, FL. 05/29/2020 (Invited)
2. MTM and Geriatrics Rotation Block Orientation and Overview. Presented to APPE clerkship students from all three campuses. Center for Quality Medication Management. Gainesville, FL. 04/06/2020
3. Careers in Managed Care. Presented to UF Pre-Pharmacy Society student chapter members. University of Florida College of Pharmacy. Gainesville, FL. 03/11/2020 (Invited)
4. Careers in Managed Care. Presented to Gainesville AMCP student chapter members. University of Florida College of Pharmacy. Gainesville, FL 02/20/2020 (Invited)
5. Delivering Medication Therapy Management Services: APhA Certificate Training Program. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Gainesville, FL. 06/01/2019 (Invited)
6. Pharmacy-Based Immunization Delivery: APhA Certificate Training Program, 13th edition. Presented to pharmacists. University of Florida Dept. of Continuing Pharmacy Education. Gainesville, FL. 04/27/2019 (Invited)
