### **Current Appointments in Academia**

#### **University of Florida, College of Pharmacy, Gainesville, Florida**

Instructional Assistant Professor 2019-present

Clinical Lecturer 2015-2019

### **Licensure**

Registered Pharmacist, State of Ohio since 1986

Washington State, 1995-2002

California State 1992-2018

### **Education**

University of Florida, College of Pharmacy, Gainesville, Florida Pharm.D. May 2019. Graduated Magna Cum Laude (Working Professional Pharm.D. Program)

The Ohio State University College of Pharmacy, Columbus, Ohio B.S. Pharmacy August 1986

### **Professional Experience**

*University of Florida, College of Pharmacy, Gainesville, FL. 2015-present. Instructional Assistant Professor, Department of Pharmacotherapy and Translational Research;*

*Express Scripts, Dublin, OH, 2014-2015. Clinical Pharmacist:*

Utilize clinical criteria to evaluate and assess requests for Prior Authorization.

Direct client interaction to communicate issues related to Prior Authorization Utilization Management programs.

Provide ongoing training and quality assurance with other departments to assure that new or existing clients are successfully implemented into the Prior Authorization Utilization Management programs.

*Walgreen's Pharmacy, Heath, OH, 2006-2014. Staff Pharmacist:*

Processing of prescription orders, education and counseling of patients, answering drug information questions for patients and healthcare providers. Assisted in Implementing Medication Therapy Management Services using Outcomes and Mirixa. Providing immunization services, health testing including: HbA1c, blood glucose and cholesterol. Managing on-going training of staff.

*Taylor's Drug Store, Granville, OH, 2002-2006. Staff Pharmacist:*

Processing of prescription orders, education and counseling of patients, patient health screenings, and managing on-going training of staff.

*Washington State University, College of Pharmacy, Pullman, WA. 1996-2002. Clinical Instructor of Pharmacy Practice:*

Coordinated the development of the Pharmaceutical Care Laboratory course sequence and served as Instructor of Record for PharmP 573(PCL II), 574(PCL III), and 576(PCL V).

Coordinated the development of Early Practice Experiences through the 3<sup>rd</sup> year Pharmaceutical Care Laboratory Inservice Presentations and Home Health Service-Learning Project.

Procured the donation of software (Etreby Gift \$35,000), references, and resources for the Pharmaceutical Care Laboratory.

Developed Disease State Management Kits to assist in developing exercises in the Pharmaceutical Care Laboratory.

Collaborated with Faculty to develop exercises for the PCL course sequence.

Reviewed and selected software for the PCL.

Participating in teaching PharP 450, 451, 454 and PharS 541.

*Wasem's Drug Store, Clarkston, WA. 1995-1996. Staff Pharmacist:*

Evaluate and dispense prescriptions, counseling patients, interacted with third-party payers, general store operations.

*Santa Teresita Hospital, Duarte, CA. 1992-1995. QIP Coordinator:*

Analyze ongoing quality improvement and drug use evaluation studies

Propose and initiate new QI and DUE studies and report the progress of these studies to the Pharmacy & Therapeutics Committee

Interface with other hospital departments through CQI committee

Monitor patients on aminoglycosides, vancomycin, heparin-warfarin, TPN

Assist in technician supervision and training

Assist in daily operation, providing pharmacy services to hospital, SNF, transitional care units and outpatient pharmacy

Provided continuing education lectures for nursing staff

*Mount Carmel Medical Center, Columbus, OH. 1987-1990. Staff Pharmacist:*

Assist in daily operation of a decentralized inpatient unit dose drug distribution and IV admixture services, process patient orders

Participation in aminoglycoside, theophylline pharmacokinetic monitoring

Precepted and trained pharmacy interns

Assist in implementing decentralized computer system

Monitoring of drug serum levels and completion of drug monitoring forms

Co-wrote and acted in postpartum patient teaching video

Co-wrote drug formulary and information guide for special care nursery at Mount Carmel Hospital

*Kettering Memorial Hospital, Kettering, OH 1986-1987, Staff Pharmacist*

Assist in daily operation of a decentralized in-patient unit dose drug distribution and IV admixture services, process patient orders

Participation in aminoglycoside, theophylline pharmacokinetic monitoring

Developed and presenting pharmacology lectures to nursing students

Updated 07-07-23

### **Certifications**

American Pharmacist Association Immunization Certification Program, January 2021

American Pharmacist Association Immunization Certification for Faculty Trainers, January 2021

Consultant Pharmacist Certification, University of Florida, Continuing Pharmacy Education 2019

Walgreens Diabetes Certification Program

NIPCO Diabetes Certificate Program April 2003

American Pharmacists Association Immunization Program January 2010

### **Didactic Teaching Experience**

*University of Florida, College of Pharmacy, Gainesville, FL 32608 2015-present. Instructional Assistant Professor*

Assist with facilitation of Skills Lab, Student Assessment, and Grading Assignments. Assist in managing laboratory inventory, and organization of laboratory. **Serve as Environmental Health & Safety Coordinator for the Skills Lab.** Update UF EHS BBP SOP Manual for Skills Lab, Provide education and training for facilitators and students, develop safety protocols, dispose of chemical and sharps container waste.

#### **Professional Skills Lab III & IV (PHA5163L) One Credit Hour 2019-present**

*Course Director/Teaching Partnership Team Leader since Fall 2019*

*Skills Laboratory Modules; Assist faculty in development of modules. Assist Facilitators (TAs) to prepare them for facilitating students. Work with 2PD Skills Lab Team to implement modules and course logistics.*

**Module Leader;** Module 1: Electronic Health Records

**Module Leader;** Module 2: Medication Reconciliation

Module Facilitator; Module 3: Journal Club

Module Facilitator; Module 4: ID in the Community

Module Facilitator; Module 5: Individualized Dosing of Antibiotics; Vancomycin AUC

Module Facilitator; Module 6: ID in the Hospital

Module Facilitator; Module 7: Patient Case Presentations

Module Facilitator; Module 8: Pharmacist Documentation

Module Facilitator; Module 9: IV to PO Therapy

Module Facilitator; Module 10: Cardiovascular Care in the Community; HTN and Lipids

Module Facilitator; Module 11: Cardiovascular Care in the Hospital; Anticoagulation & ACS

Module Facilitator; Module 12: Cardiovascular Care in the Community: Anticoagulation

Module Facilitator; Module 13: Patient Case Presentations

Module Facilitator; Module 14: Smoking Cessation and Respiratory Care

Module Leader; Top 200 Drug Exam

#### **Professional Skills Lab 4 (PHA5164L) One Credit Hour 2019-present**

*Course Director/Teaching Partnership Team Leader since Fall 2019*

Module Leader; Module 1: Sterile Compounding; Garbing, Aseptic Technique, IV Fluid Naming

Module Leader; Module 2: Sterile Compounding: Calculations, Aseptic Technique

Module Leader; Module 3: Beyond Use Dates, Verification of Compounded Sterile Products

Module Leader; Module 4: Assessment of Sterile Compounding

Module Facilitator; Module 5: Verification of Inpatient Medication Orders

Janet L. Schmittgen, PharmD

Updated 07-07-23

Module Facilitator; Module 6: Discharge Medication Reconciliation and Counseling  
Module Facilitator; Module 7: Patient Case Presentations  
Module Facilitator; Module 8: Adjusting Medication for Changing Renal Function in the Hospital Setting  
Module Facilitator; Module 9: Journal Club  
Module Facilitator; Module 10: Insulin  
Module Facilitator; Module 11: Complications of Chronic Diabetes  
Module Facilitator; Module 12: DKA and Diabetes in the Hospital Setting  
Module Facilitator; Module 13: Women's Health  
Module Leader; Top 200 Drug Exam

### **2PD Capstone-Dental-Pharmacy Interprofessional Experience Spring 2019-2023**

Lead Coordinator for this Capstone and Interprofessional Practice Experience. Planning, logistics, creation of teaching materials. Create training material for Pharmacy Care Note graders and follow-up with pharmacy students who need to remediate their Pharmacy Care Note.

### **Sterile Compounding (PHA5104) Spring 2019-Present**

Lecturer 5.1: Principles of Compatibility and Stability Spring 2020 (1 hour)  
Lecturer 5.2: Utilizing Compatibility and Stability Information Resources (0.75 hours)  
Facilitator; Active Learning Session-Intravenous Calculations (2 hours)

### **Professional Skills Lab 5 (PHA5164L) 2021-present**

Module Co-Leader; Module 6: Test and Treat

### **Skills Lab 6 (PHA5166) 2019-present**

Module Co-Leader; Enteral Nutrition and Medications

### **Principles of Pharmacy Law and Ethics (PHA5703)**

Lecturer; Historical Overview of the Federal Food, Drug, & Cosmetic Act (0.75 hours)  
Lecturer; Defining and Distinguishing Drugs from Foods, Dietary Supplements, Devices, and Cosmetics (0.5 hours)  
Lecturer; Adulteration & Misbranding: Labeling, Product Recalls, Pregnancy Warning, Box Warnings  
Facilitator; Active Learning Session 2: Law & Ethics Cases (2 hours)

### **Medications and Health Elective (PHA4933) Spring 2018-present**

Lecture: History of Pharmacy; Secundum Artem

### **History of Pharmacy Elective (PHA5020) 2 Credit Hours Fall 2017-present**

*Course Director/Teaching Partnership Team Leader*

*Lecturer:*

Introduction to History of Pharmacy  
Development of Education  
Rise of Professional Organizations  
History of Pharmacy in Florida and University of Florida  
Development of Law and Regulation  
Discussion Workshop; Pharmacy Heroes  
Discussion Workshop; Patent Medicine Monograph/Objects and Tools  
Objects and Tools (guest speaker)  
Drug Development and Manufacturing (guest speaker)

*Facilitator Active Learning Sessions*

*Facilitator Active Learning Session-Laboratory Session*

Janet L. Schmittgen, PharmD

Updated 07-07-23

**History of Pharmacy Elective Independent Study (PHA5933) 1 or 2 Credit Hour-History of Pharmacy Course.** *This course is taught by request for students in special situations who need an additional one or two credit hour course.*  
*Course Coordinator (See PHA5020)*  
PHA5020-Independent Study. May 2023

**History of Pharmacy Elective Independent Study Special Project (PHA5933) 1 or 2 credit hour course** Work with student one on one to develop and implement digital archive projects that reflect the history of pharmacy at the University of Florida, College of Pharmacy and Pharmacy in the State of Florida.  
Special Project "History of University of Florida, College of Pharmacy. June 2022

**PHA5163/5164 Make-up/Remediation Sessions**

Make-up sessions for students who need to complete course work. 6 Sessions-AJune 2022.

**PHA5163 Skills Lab Make-up Sessions.** Zoom Session. November 22, 2022. (3 students had to make-up skills lab modules).

**APPE Readiness March 2019-Present.** (8.5 hours of contact time; Inpatient Rounds, Self-Care, Inservice & Journal Club, APPE Remediation)

**APPE-Foundations of Clinical Pharmacy Practice (PHA5956) May-June 2020** (3 hours of contact time in session, plus remediation, administrative tasks)

**Calculations-Team Lead** to develop the Calculations Module for SGD. Met with SGD calculations team to develop pre-session practice problem set, powerpoint presentations for active learning session, post-session calculations assessment, and remediation. Prepared all teaching materials, presentations, and information to go on Canvas.

**APPE-Foundations of Clinical Pharmacy Practice (PHA5956) Participated as a Small Group Discussion Leader for Patient Case Presentations** (6 hours of class time and grading).

**APPE-Foundations of Clinical Pharmacy Practice (PHA5956)-Participated in Small Group Discussions as a grader for Self-Care** (6 hours of class time plus grading).

**APPE-Foundations of Clinical Pharmacy Practice (PHA5956)-Participated as a Small Group Discussion Leader for Case Discussion Topics Presentations** (6 hours of class time and grading).

**APPE Rotation Block 8-Served as a preceptor** and oversaw 5 students to prepare a project for Sterile Compounding Video Story-Boards for development of teaching modules in PHA5164 Sterile Compounding Skills Labs.

**APPE Rotation Block 8-Served as a preceptor** and oversaw 2 students to prepare a project on Point of Care Testing for Influenza and Strep and COVID 19 Testing for Skills Laboratory Module

**Professional Skills Lab I (PHA5161L) 2016-2018**

Lecturer and Laboratory Module Coordinator: Patient Care Note Documentation

**Professional Skills Lab (PHA5162) 2016-2019**

Lecturer and Laboratory Module Coordinator: Answering Drug Information Inquiries in the community setting (3 hours)

Lecturer and Laboratory Module Coordinator: Point of Care Testing/ASCVD Risk Assessment (3 hours)

Janet L. Schmittgen, PharmD

Updated 07-07-23

## **Putting Families First; An Interprofessional Family Health Experience 2017-2019**

Facilitate Discussion Sections, Interdisciplinary Health Profession Students

*Washington State University, College of Pharmacy, Pullman, WA. 1996-2002. Clinical Instructor of Pharmacy Practice:*

Coordinated the development of the Pharmaceutical Care Laboratory course sequence and served as Instructor of Record for PharmP573(PCL II), 574(PCL III), and 576(PCL V).

Coordinated the development of Early Practice Experiences through the 3<sup>rd</sup> year Pharmaceutical Care Laboratory Inservice Presentations and Home Health Service-Learning Project.

Procured the donation of software (Etreby Gift \$35,000), references, and resources for the Pharmaceutical Care Laboratory.

Developed Disease State Management Kits to assist in developing exercises in the Pharmaceutical Care Laboratory.

Collaborated with Faculty to develop exercises for the PCL course sequence.

Reviewed and selected software for the PCL.

Participating in teaching PharP 450, 451, 454 and PharS 541.

### **Appointments**

*Faculty Advisor Christian Pharmacists Fellowship International, University of Florida, Student Organization August 2019*

*Director of Pharmacy Museum at University of Florida, College of Pharmacy, Gainesville, FL 2016-present*

Maintain collection of objects in the Pharmacy Museum. Develop projects and tours for the Museum. Mentor for student projects for the Museum. Develop displays on Jacksonville and Orlando College of Pharmacy Campuses.

Janet L. Schmittgen, PharmD

***Assist in Coordinating, Continuous Pharmacy Education Program, University of Florida, College of Pharmacy, Gainesville, FL. 2019-2022***

Assist in helping to organize continuing education programs and participating in grading and facilitation; Consultant Pharmacy Certificate, Anticoagulation, Medications Errors, COVID19

***Pharmacy Clinical Pathway Team Lead for The Summer Health Professions Education Program (SHPEP), University of Florida 2018-present***

*Developed and planned activities for online SHPEP program for 2020, including developing the Pharmacy Pathway Clinical Activities, Planning of other Pharmacy Pathway Activities, assist in developing Opioid Learning Discussion, Etiquette for use of Zoom Technology, Final Award Ceremony.*

SHPEP is a free summer enrichment program focused on improving access to information and resources for college students interested in the health professions. SHPEP's goal is to strengthen the academic proficiency and career development of students underrepresented in the health professions and prepare them for a successful application and matriculation to health professions schools. These students include, but are not limited to, individuals who identify as African American/Black, American Indian and Alaska Native and Hispanic/Latino, and who are from communities of socioeconomic and educational disadvantage.
