

## Curriculum Vitae

**Krishna Vaddiparti\***, PhD, MPhil, MSW, MPE  
*\* Krishna VAS, prior to 2005*

**Date: February, 2021**

### PERSONAL INFORMATION

- a. Place of Birth: Rajamundry, India
- b. Citizenship: India
- c. Permanent Resident of the US

### CONTACT INFORMATION

2004 Mowry Road, PO Box 100231  
Gainesville, FL 32610  
Phone: 352-273-5746 (O); 352-284-6550 I  
kvaddiparti@ufl.edu

### PRESENT POSITION

**2013 – Assistant Professor** – Department of Epidemiology, College of Public Health and Health Professions and College of Medicine, University of Florida, Gainesville, Florida, USA

### EDUCATION

- 1992 BA (Bachelor of Arts) – Osmania University, Hyderabad, India
  - 1994 MSW (Master in Social Work) – College of Social Work, Osmania University, Hyderabad, India
  - 1996 Mphil (Psychiatric Social Work) – National Institute of Mental Health and Neuro Sciences (NIMHANS) Deemed University, Bangalore, India
  - 2005 PhD (Psychiatric Social Work) – National Institute of Mental Health and Neuro Sciences (NIMHANS) Deemed University, Bangalore, India
  - 2005 MPE (Masters in Psychiatric Epidemiology) – Washington University School of Medicine, St. Louis, MO, USA
- Additional Training*
- 2005 Fall Structural Equation Modelling (SEM) from School of Public Health, St.Louis University, St. Louis, Missouri

### ACADEMIC POSITIONS/EMPLOYMENT

**National Institute of Mental Health and Neuro Sciences (NIMHANS), Bangalore, India**

- 1996 – 1998 **Research Officer**, Development and evaluation of a module for HIV/AIDS risk reduction among patients with alcohol dependence and major psychiatric illness. Department of Psychiatry NIMHANS. Funding Agency – NIMHANS. Supervisor – Dr. Prabha S. Chandra
- 1998 – 1999 **Research Officer**, An open label study on the safety and efficacy of long term Tiagabine (Gabril) administration (Add on) in patients with epilepsy unsatisfactorily controlled with other antiepileptic medication. Department of Neurology NIMHANS. Funding Agency – Sanofi Torrent India. Supervisor – Dr. P. Satish Chandra

- 1999            **Research Officer**, Psychosocial and sexual adjustment of HIV infected individuals attending a counseling clinic. Department of Psychiatry NIMHANS. Funding Agency – Ford Foundation. Supervisor – Dr. Prabha S. Chandra
- 1999 – 2002   **Psychiatric Social Worker**, Department of Psychiatric Social Work, NIMHANS, Bangalore, India. – Clinical Supervisor and Consultant in the Adult Psychiatry Unit and Family Psychiatry Centre
- 2002 – 2003   **Research Associate**, Indo-US health improvement project on high risk sexual behavior in severe mentally ill. Department of Psychiatry, NIMHANS. Funding Agency – NIMH (R01-MH54929) Supervisor – Dr. Prabha S. Chandra

**Washington University, St. Louis, Missouri, USA**

**School of Medicine, Department of Psychiatry**

- 2006 – 2008   **Project Coordinator**, Community Based HIV Prevention Among Females at Risk in Bangalore, India (World AIDS Foundation)
- 2006 – 2008   **Visiting Instructor**, Department of Psychiatry

**Institute of Human Behavior and Allied Sciences (IHBAS), Delhi, India**

- 2008– 2011    **Assistant Professor** (Tenure), Department of Psychiatric Social Work

**Consultant Social Scientist and Epidemiologist, Delhi, India**

- 2011 – 2012    Offered technical support and expertise in research, interventions and evaluation to organizations in development sector and academic institutions in India

**University of Florida, Gainesville, Florida**

**College of Public Health and Health Professions and College of Medicine, Department of Epidemiology**

- 2012            **Post-Doctoral Research Associate**
- 2012 – 2019   **Training Coordinator**, Fogarty Indo-US Training Program on Chronic Non-Communicable Disorders (D43TW009120, Cottler PI).
- 2013 -         **Assistant Professor**
- 2013 -         **Concentration Coordinator**, MPH Epidemiology Program

## **AWARDS AND HONORS**

- 1994 – 1996    Mphil Fellowship in Psychiatric Social Work at National Institute of Mental Health and Neuro Sciences (NIMHANS), Bangalore, India
- 1997            University Grants Commission (UGC, New Delhi, India) Eligibility for Lectureship
- 2003 – 2006    Post-Doctoral Fellowship, National Institutes of Health (NIH)-Fogarty International Center ICOHRTA Training Program in Behavioral Disorders
- 2013            NIDA-CPDD 2013 International Forum Travel Award
- 2014            Academy of Research Excellency (ARE), CTSI, University of Florida
- 2016            Inducted into Beta Upsilon chapter of the Delta Omega Society
- Dean's Citation Paper Award for outstanding publication in journal *Nature*
- 2017            International Educator of the Year of College of Public Health and Health Professions, University of Florida International Center
- 2018            International Educator of the Year of College of Public Health and Health Professions, University of Florida International Center

## **EDITORIAL RESPONSIBILITIES**

### **Ad hoc Reviewer**

2003 - Journal of Studies on Alcohol  
2003 - Addiction  
2003 - AIDS and Behavior  
2005 - AIDS Care  
2005 - Journal of Dual Diagnosis  
2005 - Journal of Nervous and Mental Disease  
2006 - Families in Society  
2007 - Journal of Behavioral Health Services & Research  
2012 - Journal of Environmental and Public Health  
2014- Alcohol Research: Current Reviews  
2018 - Journal of Gambling Studies  
2020 - Journal of Abnormal Psychology

## **PROFESSIONAL MEMBERSHIPS**

2013 – American Public Health Association (APHA)

## **GRANT SUPPORT**

### **Active Grants**

2019-2020 **UF FEO** – University of Florida Faculty Enhancement Opportunity funding to visit Brazil. Not undertaken yet.

2019-2021 **Co-I** – Identifying barriers to HIV viral Suppression in transgender populations in Florida: A Florida Cohort Supplemental Study. (U24 supplement, AA022002,; Cook, PI)

2019-2020 **PI** – A feasibility study of real-time monitoring of Posttraumatic Stress Disorder related sleep disturbances and other symptoms among patients on medical marijuana. Funded by Florida State Universities System, Medical marijuana and clinical outcomes consortium.

2020-2021 **PI** – A study of gambling severity and suicidal behavior in Sikkim, India. Funded by International Center for Responsible Gaming.

2020-2021 **Co-I** – Spatiotemporal analysis of HIV health and quality of life outcomes in Florida. Funded by Florida Department of Health (Proserpi, PI)

2020-2021 **Co-I** - Health outcomes and cognitive effects of marijuana use among persons living with HIV/AIDS. MAPLE Supplement Study (NIDA, P0186427, Cook, PI).

### **Completed Grants**

2006 – 2008 **Project Coordinator** - Community Based HIV Prevention Among Females at Risk in Bangalore, India, World AIDS Foundation (WAF) (PI: Cottler, LB)

2011 – 2013 **Co-PI** – Twinning Programs on Psychosocial Care and Mental Health Services in Leh District, India. Tata Institute of Social Sciences (TISS), Mumbai, India (PI: Juvva, S)

2015-2017 **PI, Sub-Project** – Transformative Approach to Reduce Research Disparities Towards Drug Users. NIDA #DA027951 (PI: Cottler, LB)  
**Co-PI** – Haiti Health Study. This community based multi-PI study launched in September 2015 aims to study the prevalence of non-communicable diseases such as depression, post-traumatic stress disorder, panic attacks, substance use and cardiovascular disease risk factors, and social determinants of health including

- exposure to violence in an urban community, Carrefour, Haiti. University of Florida – Package funds (MPIs: Cottler, Striley, Vaddiparti)
- 2016-2018 **Co-PI** – Indicators of Arts and Well Being. Florida Department of State. (PI: Sonke)
- 2012-2019 **Training Coordinator** – Indo-US Training Program in Behavioral Health Across the Lifespan, as a part of the Chronic, Non-communicable Disease and Disorders across the Lifespan. Fogarty International Center (PI: Cottler, LB)

### Grants in Review/Revision

- 2020 **PI** – Mental health service utilization in an urban community in Mumbai, India. R21 submitted to Fogarty International Center, NIH
- Co-I** - Collaborative Research: HCC: Medium: RM^3: Helping online students learn about me. Submitted to NSF. (Lok, PI).

### Submitted

- 2012-2013 **Co-I** – National Study of Teen Dating Violence (RO1). Submitted to NIH (PI: Cottler, LB)
- Co-I** – Adolescent and Parent Prescription Stimulant Study (RO1). Submitted to NIH (PI: Striley, C)
- PI** – Exposure to Violence and Firearms among Teens in Delhi, India. Submitted to Harry Frank Guggenheim Foundation
- PI** – Assessing the Links between Substance Use and TDV (B/START RO3). Submitted to NIDA, NIH
- 2013-2014 **PI** – Assessment of Teen Dating Violence (RO3). Submitted to NIDA, NIH
- Co-I** – Tracking Research and Community Engagement Outcomes (R21), Submitted to NIH (PI: Striley, C)
- Co-I** – Psychological Autopsy of Suicide in Sikkim. Submitted to Department of Health, Sikkim, India (PI: Cottler, LB)
- 2014-2015 **Co-I** – Administrative Supplement, Fogarty Indo-US Training Program on Chronic Non-Communicable Disorders (D43TW009120, Cottler PI)
- PI** – Risk factors for gun carrying among community recruited gamblers. (Pilot study, NCRG)
- Co-I** – Development of community based mental health screening, Video-Integrated Mobile Diagnostic Assessment (VIM-DA) for Haiti (R21), Submitted to NIH (PI: Striley, C)
- Co-I** – NIDA NEWS Coordinating Center (PI: Cottler, LB)
- PI** – A Formative study exploring the links between gambling and gun carrying among women in North Florida. (Pilot study resubmission, NCRG)
- 2015-2016 **Co-I** – National study of marijuana use, (R01), Submitted to NIH (PI: Cottler, LB)
- Co-I** – Academic-community partnership to reduce obesity, (R13), Submitted to NIH (PI: Cottler, LB)
- PI** – Mental Health Capacity Building in Haiti, (R21), Submitted to NIH
- Co-PI** – Flash Mob for Health – Obesity Prevention Program to Aetna Foundation
- MPI** – Study of Use of Marijuana among Youth in Thailand (SUMYT). Submitted to NIH (MPIs: Cottler, LB, Vaddiparti, K, Areesantichai, C)
- 2016-2017 **Co-I** – A psycho-social-ecological autopsy investigation of suicide in Sikkim, India (PASS), submitted to NIH
- PI** – A study of risk and protective factors of teen dating violence in Florida Counties, submitted to NIJ
- Co-I** – Firearm risk and safety study in Florida, submitted to NIJ

- Co-I** – A multi-domain systems science approach to assess risks and health consequences of non-fatal firearm injuries, submitted to NIH
- PI** – Assessment of post-traumatic stress disorder among women experiencing intimate partner violence (R21), submitted to NIH
- 2018-2019 **Co-PI** – Multi-Tiered School-Based Program for Suicide Risk Identification and Response. Focus Grant submitted to American Foundation for Suicide Prevention.
- Co-I** – Thai-US Research Training Program on CNCDS. Submitted to FIC/NIH. (PI: Cottler, LB)
- 2019-2020 **PI** – A feasibility study of real-time monitoring of Posttraumatic Stress Disorder related sleep disturbances and other symptoms among patients on medical marijuana. Submitted to Florida State Universities System, Medical marijuana and clinical outcomes consortium.
- PI** – A study of gambling severity and suicidal behavior in Sikkim, India. Submitted to International Center for Responsible Gaming.
- Co-I** – Spatiotemporal analysis of HIV health and quality of life outcomes in Florida. Submitted to Florida Department of Health (Proserpi, PI)
- Co-I** – Development of culturally appropriate messages and behavior change communication (BCC) strategies to improve Interbirth Intervals in India. Submitted to NIH. (Varma, PI).
- PI** – Intervention to Enhance Mental Health Service Utilization in an Urban Community in Mumbai, India. Submitted to FIC/NIH.
- Co-I** – Florida Cohort Supplement. Submitted to NIAAA/NIH. (Cook, PI)
- Co-I** – Health outcomes and cognitive effects of marijuana use among persons living with HIV/AIDS. Submitted to NIH. (Cook, PI).
- Co-I** - Collaborative Research: HCC: Medium: RM^3: Helping online students learn about me. Submitted to NSF. (Lok, PI).

## TEACHING RESPONSIBILITIES

### Washington University School of Medicine, Department of Psychiatry

- 2005 **Teaching Assistant** – Introduction to General Epidemiology (MO8-500)
- 2006 – 2007 **Co-Instructor** – Introduction to General Epidemiology (MO8-500)
- Training Faculty** – Diagnostic Interview Schedule (DIS) Training

### University of Florida, Department of Epidemiology

- 2012 **Teaching Assistant** – Grant Writing Skills (PHC 6937)
- 2013 Spring **Co-Instructor** – Principles of Epidemiology in Public Health (PHC 6001)
- 2013 Summer **Co-Instructor** – Grant Writing Skills (PHC 7727)
- 2013 Fall **Instructor** – Public Health Concepts (PHC 4101)
- 2014 Spring **Instructor** – Public Health Concepts (PHC 4101)
- 2014 & 2015 Spring **Co-Instructor** – Epidemiology Seminar II (PHC 7000)
- 2014 Summer - **Instructor** – Principles of Epidemiology (PHC 6001)
- 2016 Spring - **Instructor** – Epidemiology Seminar II (PHC 7000)
- 2016 Fall - **Instructor** – Social Epidemiology (PHC 6146)
- 2018 Fall **Co-Instructor** – Epidemiology of Chronic Diseases (PHC 6003)

## MENTORING

### a. Master of Public Health and MS Epidemiology

Mercedes Murphy, Alaxender Rabre, Yuanhui Wang, Sukhraj Kaur Kaleka, Asia Cobb, Gargee Patel, Denise Mcintyre, Ethan Wyndham, Konen Arielle, Elizabeth McOsker (online),

Allen Megan (2016-17), Veronica Richards, Alyssa Berger, Daniel Oyola, Amber Miller, Patricia Zeilinski, Demetra Pentalis, Habtamu Gebresenbet (online), Dakota Derry (MS Epidemiology), Tara Davis (Online), Adrienne Shaw (Online), Sneha Satish,

**b. Post-Doctoral Fellows of Fogarty International Center Training Program Mentor**

Anish Cherian, PhD, Mingma Lahmu Sherpa, MD, Manoj Alagarajan, PhD, Shukhdeba Sharma, PhD; Kannappa Setty Venketeshasetty, PhD. Sinu Ezhumalai, PhD

**c. PhD Thesis**

**Committee Member**

**Manal Alabduljabbar** (2016), Department of Clinical and Health Psychology, College of Public Health and Health Professions, University of Florida. *Longitudinal Effects of Family-Based Behavioral Treatment of Obesity: Child and Family Characteristics that Influence Children's Eating Attitudes and Behaviors*

**Yiyang Liu** (2016 – 2020), Department of Epidemiology, University of Florida. *Cocaine use in the context of polysubstance use*

**Ayodeji Otufowora**, Department of Epidemiology, University of Florida (*Currently in program*)

**Mentor**

**Michael Asare-Baah**, Department of Epidemiology, University of Florida (Currently in program, Mentors – Drs. Kwara, Lauzardo, Vaddiparti)

**Advisor**

**Emily Klann**, Department of Epidemiology, University of Florida (*Currently in program*)

**SERVICE**

**University of Florida, Gainesville, FL**

- 2012 – Global Health Council, University of Florida
- 2013 – Diversity Equity and Inclusion Taskforce, PPHP
- 2013 – Department of Epidemiology, Faculty Committee
- 2013 – Department of Epidemiology, Graduate Faculty Committee
- 2014 – Department of Epidemiology, Curriculum Committee
- 2015 – Haiti Research Committee
- 2018 – Department of Epidemiology, Seminar Committee

**GRANT REVIEW**

- 2015 – I have been reviewing grant applications to International Center for Responsible Gaming (ICRG). Formerly National Center for Responsible Gaming.
- 2020 – Hubert H. Humphrey Fellowship Program, a Fulbright exchange sponsored by the U.S. Department of State and administered by the Institute of International Education.
